Rome And Persia At War 50253

Geoffrey Greatrex

Rome And Persia At War 50253:

Rome and Persia at War, 502-532 Geoffrey Greatrex, 1998 The first modern account of the conflict between the eastern Roman Empire and the Sasanian kingdom Greatrex traces the background to the war investigating relations between Rome and Persia the state of Roman defences in the East and the chaotic situation in Persia at the end of the 5th century He then examines the sources and the war itself including the development of Roman defences and the attempts by both powers to secure control of the Transcaucasian kingdoms Rome and Persia at War Peter Edwell, 2020-10-25 This book focuses on conflict diplomacy and religion as factors in the relationship between Rome and Sasanian Persia in the third and fourth centuries AD During this period military conflict between Rome and Sasanian Persia was at a level and depth not seen mostly during the Parthian period At the same time contact between the two empires increased markedly and contributed in part to an increased level of conflict Edwell examines both war and peace diplomacy trade and religious contact as the means through which these two powers competed and by which they sought to gain maintain and develop control of territories and peoples who were the source of dispute between the two empires The volume also analyses internal factors in both empires that influenced conflict and competition between them while the roles of regional powers such as the Armenians Palmyrenes and Arabs in conflict and contact between the two super powers receive special attention Using a broad array of sources this book gives special attention to the numismatic evidence as it has tended to be overshadowed in modern studies by the literary and epigraphic sources This is the first monograph in English to undertake an in depth and critical analysis of competition and contact between Rome and the early Sasanians in the Near East in the third and fourth centuries AD using literary archaeological numismatic and epigraphic evidence and one which includes the complete range of mechanisms by which the two powers competed It is an invaluable study for anyone working on Rome Persia and the wider Near East in Late Antiquity Rome and Persia at War Peter M. Edwell, 2020 This book focuses on conflict diplomacy and religion as factors in the relationship between Rome and Sasanian Persia in the third and fourth centuries AD During this period military conflict between Rome and Sasanian Persia was at a level and depth not seen mostly during the Parthian period At the same time contact between the two empires increased markedly and contributed in part to an increased level of conflict Edwell examines both war and peace diplomacy trade and religious contact as the means through which these two powers competed and by which they sought to gain maintain and develop control of territories and peoples who were the source of dispute between the two empires The volume also analyses internal factors in both empires that influenced conflict and competition between them while the roles of regional powers such as the Armenians Palmyrenes and Arabs in conflict and contact between the two super powers receive special attention Using a broad array of sources this book gives special attention to the numismatic evidence as it has tended to be overshadowed in modern studies by the literary and epigraphic sources This is the first monograph in English to undertake an in depth and critical analysis of competition and contact between Rome and

the early Sasanians in the Near East in the third and fourth centuries AD using literary archaeological numismatic and epigraphic evidence and one which includes the complete range of mechanisms by which the two powers competed It is an invaluable study for anyone working on Rome Persia and the wider Near East in Late Antiquity **Rome and Persia** Adrian Goldsworthy, 2023-09-05 A magnificent Spectator history of the epic rivalry between the ancient world's two great superpowers The Roman empire was like no other Stretching from the north of Britain to the Sahara and from the Atlantic coast to the Euphrates it imposed peace and prosperity on an unprecedented scale Its only true rival lay in the east where the Parthian and then Persian empires ruled over great cities and the trade routes to mysterious lands beyond This was the region Alexander the Great had swept through creating a dream of glory and conquest that tantalized Greeks and Romans alike Tracing seven centuries of conflict between Rome and Persia historian Adrian Goldsworthy shows how these two great powers evolved together Despite their endless clashes trade between the empires enriched them both and a mutual respect prevented both Rome and Persia from permanently destroying the other Epic in scope Rome and Persia completely reshapes our understanding of one of the greatest rivalries of world history **Rome and Persia at War** Peter Edwell, 2020-10-23 This book focuses on conflict diplomacy religion and trade between the Rome and Sasanian Persia in the third and fourth centuries AD During this period military conflict between Rome and Sasanian Persia was at a level and depth not seen during the Parthian period At the same time contact between the two empires increased markedly and contributed in part to an increased level of conflict Edwell examines both war and peace diplomacy trade and religious contact as the means through which these two powers competed and by which they sought to gain maintain and develop control of territories and peoples long the source of dispute between the two empires The volume also analyses internal factors in both empires that influenced conflict and competition between them while the roles of regional powers such as the Armenians Palmyrenes and Arabs in conflict and contact between the two super powers receive special attention Using a broad array of sources this book gives special attention to the numismatic evidence as it has tended to be overshadowed in modern studies by the literary and epigraphic sources This is the first monograph in English to undertake an in depth and critical analysis of competition and contact between Rome and the early Sasanians in the Near East using literary archaeological numismatic and epigraphic evidence and one which includes the complete range of mechanisms by which the two powers competed It is an invaluable study for anyone working on Rome Persia and the wider Near East in Late Antiquity **The Roman Eastern Frontier and the Persian Wars AD 363-628** Geoffrey Greatrex, Samuel N. C. Lieu, 2005-06-29 Late Antiquity was an eventful period on the eastern frontier of the Roman empire From the failure of the Emperor Julian's invasion of Persia in 363 AD to the overwhelming victory of the Emperor Heraclius in 628 the Romans and Persians were engaged in almost constant conflict This book sequel to the volume covering the years 226-363 AD provides translations of key texts on relations between the opposing sides taken from a wide range of sources Many have never before been available in a modern language and all are

fully set in context with expert commentary and extensive annotation For more information please visit the author s supplementary website at <http://aix1.uottawa.ca/greatrex/ref.html>

The Roman Eastern Frontier and the Persian Wars AD 363-628 Michael H. Dodgeon, Samuel N. C. Lieu, Geoffrey Greatrex, 1991 Late Antiquity was an eventful period on the eastern frontier of the Roman empire From the failure of the Emperor Julian s invasion of Persia in 363 AD to the overwhelming victory of the Emperor Heraclius in 628 the Romans and Persians were engaged in almost constant conflict This book sequel to the volume covering the years 226-363 AD provides translations of key texts on relations between the opposing sides taken from a wide range of sources Many have never before been available in a modern language and all are fully set in context with expert commentary and extensive annotation For more information please visit the author s supplementary website at <http://aix1.uottawa.ca/greatrex/ref.html>

Rome and Persia in Late Antiquity Beate Dignas, Engelbert Winter, 2007-09-13 A narrative history with sourcebook of the turbulent relations between Rome and the Sasanian Empire

The Sasanian Empire at War Michael J. Decker, 2022

[East Rome, Sasanian Persia and the End of Antiquity](#) J. D. Howard-Johnston, 2006 James Howard Johnston here focuses on the last great war of antiquity that between East Rome and Sasanian Persia 603-628 which brought the classical phase of west Eurasian history to a dramatic close He strives to root history in close observation of

The Roman Eastern Frontier and the Persian Wars, 2002

Rome, Persia and the War That Shaped the World, 565-630 LUKE. EDENFIELD, 2024-05-30 For 700 years Rome and Persia clashed as the superpowers of the Ancient World The final phase of their great war is one of the most dramatic surprising and critical events in world history The victor would endure for another eight centuries the vanquished would fall into oblivion its religion close to extinguished its people all but forgotten By 626 Persia had seized most of the Roman Empire and was on the brink of destroying Constantinople the city that sheltered the knowledge of Greece and Rome and the vulnerable western world that would one day inherit it Then came the most astonishing comeback in military history Led by the Emperor Heraclius in person the Romans entrusted their exposed capital to God and marched deep into Persia with almost insane audacity Hunted by three separate armies they would somehow have to survive defeat the great King of Kings and save Constantinople The knife edge contest determined which civilization would survive into the Middle Ages and thus carved the contours of the modern world Yet for all its drama and significance the war and its heroes are little known Rome Persia and the War that Shaped the World is an engaging and accessible history that narrates the climactic stages of the war

The War of the Three Gods Peter Crawford, 2014-09-16 The War of the Three Gods is a military history of the Near and Middle East in the seventh century with its chief focus on the reign of the Eastern Roman Emperor Heraclius AD 610-641 a pivotal and dramatic time in world history The Eastern Roman Empire was brought to the very brink of extinction by the Sassanid Persians before Heraclius managed to inflict a crushing defeat on the Sassanids with a desperate final gambit His conquests were short lived however for the newly converted adherents of Islam burst upon the region administering the coup de grace to Sassanid power and laying siege to

Constantinople itself ushering in a new era Peter Crawford skillfully narrates the three way struggle between the Christian Roman Zoroastrian Persian and Islamic Arab empires a period of conflict peopled with fascinating characters including Heraclius Khusro II and the Prophet Muhammad himself Many of the epic battles of the period Nineveh Yarmuk Qadisiyyah and Nahavand and sieges such as those of Jerusalem and Constantinople are described in as rich detail The strategies and tactics of these very different armies are discussed and analyzed while plentiful maps allow the reader to follow the events and varying fortunes of the contending empires This is an exciting and important study of a conflict that reshaped the map of the world Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

East Rome, Sasanian Persia and the End of Antiquity James Howard-Johnston, 2024-10-28 The last longest and most damaging of the wars fought between East Rome and Sasanian Persia 603-628 brought the classical phase of west Eurasian history to a dramatic close Despite its evident significance not least as the distant setting for Muhammad's prophetic mission this last great war of antiquity attracted comparatively little scholarly attention until the last decades of the twentieth century James Howard Johnston's contributions to the subject most of which were published in out of the way places one that on al Tabari is printed for the first time are brought together in convenient form in this volume They strive to root history in close observation of landscape and monuments as well as careful analysis of texts They explore the evolving balance of power between the two empires look at events through Roman Armenian and Arab eyes and home in on the climax of the final conflict in the 620s

Emulating Alexander Glenn Barnett, 2017-07-19 This book gives an account of the Roman relationship with Persia and how it was shaped by the actions of Alexander the Great long before the events Numerous Roman emperors led armies eastward against the Persians seeking to emulate or exceed the glorious conquests of Alexander Some achieved successes but more often the result was ignominious defeat or death Even as the empire declined court propagandists and courtiers looked for flattering ways to compare their now throne bound emperors with Alexander All the while there was a small segment of the Roman intelligentsia who disparaged Alexander and his misdeeds While the Romans dreamed of conquering the Persian realm the Persians of the Parthian and Sasanian dynasties dreamed of regaining the lands of the eastern Mediterranean snatched from their Achaemenid ancestors by Alexander Echoes of this revanchist policy can be seen in Iran's support of Shiites in Iraq Syria Yemen and Lebanon Glenn Barnett draws comparisons between the era long struggle of Rome and Persia with the current wars in the Middle East where they once fought

The Eagle and the Lion Adrian Goldsworthy, 2024-07-04

The Catastrophic Era Tim Donovan, 2006-11 For those who like ancient history and

military history yet are tired of the same familiar topics The Catastrophic Era should be of great interest This work is a must for teachers of Roman and classical history serious students and scholars and writers as it fills gaps in our knowledge about the Romano Persian wars and sets the record straight The lies told by propagandists and others in a tumultuous period have been accepted for far too long distorting our view of key events Based on the latest scholarship The Catastrophic Era tells what really happened to certain emperors and their armies Shadows in the Desert Kaveh Farrokh,Richard Nelson Frye,2007-04-24 The ruins of Persepolis evoke the best known events of ancient Persia s history Alexander the Great s defeat of Darius III his conquest of the Achaemenid empire and the burning of the great palace complex at Persepolis However most of the history of ancient Persia remains as mysterious today as it was to contemporary Western scholars Compared to the world famous Alexander the many wars won by the Achaemenid Parthian and Sassanian empires and their revolutionary military technology have been almost forgotten in the sands of the East In its day Persia was a superpower to rival Greece and Rome and conflict between them spanned over a millennium Through these wars and trade these foes learnt from each other not only adopting elements of military technology but influences in the arts architecture religion technology and learning In this beautifully illustrated book Dr Kaveh Farrokh narrates the history of Persia from before the first empires through their wars with East and West to the fall of the Sassanians He also delves into the forgotten cultural heritage of the Persians spread across the world through war and conquest which even after the fall of the Sassanians continued to impact upon the Western world **The Nisibis War** John S. Harrel,2016-02-29 This study of the Roman Empire s combat with its rivals to the east examines the evolution of ancient military strategy and tactics During the Perso Roman wars of 337 363 Roman forces abandoned their traditional reliance on a strategic offensive to bring about a decisive victory Instead the Emperor Constantius II adopted a defensive strategy and conducted a mobile defense based upon small frontier forces defending fortified cities These forces were then supported by limited counteroffensives by the Field Army of the East These methods successfully checked Persian assaults for twenty four years However when Julian became emperor his access to greater resources tempted him to abandon mobile defense in favor of a major invasion aimed at regime change in Persia Although he reached the Persian capital he failed to take it In fact he was defeated in battle and killed The Romans subsequently resumed and refined the mobile defense allowing the Eastern provinces to survive the fall of the Western Empire In this fascinating study John Harrel applies his personal experience of military command to a strategic operational tactical and logistical analysis of these campaigns and battles highlighting their long term significance **Rome at War** Bloomsbury Publishing,2018-08-23 An attractively packaged beautifully illustrated book telling the story of the wars of Ancient Rome The Roman Empire was the greatest the world has ever seen and its legendary military might was the foundation of this success This compact volume tells the fascinating story of the major conflicts that shaped the empire from Julius Caesar s bloody Gallic Wars and the Civil War against Pompey that left the victorious Caesar Dictator of Rome through

the wars of expansion to its decline and fragmentation Beautiful full colour artwork of the soldiers and battles bring the Roman world to life along with images and colour maps
