Rommel Desmond Young, 2013-01-30 This book contains the story of Rommel the famous German Field Marshal of World War II commonly known as Desert Fox Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork *Rommel* Desmond Young, 1959 [Rommel: Desert Fox](#) Desmond Young, 1987-02-18 Early in 1941 the famed British Eighth Army was on the route to victory in North Africa Just a few months later this same army was on the verge of total defeat as the Germans had won victory after victory and were threatening to overrun Egypt and the Middle East Here is the classic biography of the man who masterminded this great turnabout Field Marshal Erwin Rommel commander of the German Afrika Korps The man who burned Hitler's order to execute British raiders and who gave Allied prisoners the same food and medical treatment as his German troops The tough general who personally conducted reconnaissance under fire in an open car while his tank commanders hid in armored turrets The author of this book Brigadier General Desmond Young fought against Rommel in North Africa was captured by him and after his release at the end of the war visited Rommel's family and talked with many of his fellow officers Thus he is able to tell us about intrigues that went on in the German High Command during the war he is able to give a blow by blow description of such decisive battles as Tobruk and El Alamein and he is able to give personal anecdotes about Rommel and to sort out the facts from the legends that have sprung up around this extraordinary general **Rommel's Desert**

Commanders Samuel W. Mitcham, 2008-07-07 New perspective on the most famous campaign of the legendary Desert Fox Details on the contributions and animosities of Rommel's subordinates Includes accounts of Tobruk Gazala El Alamein and

other battles In Libya and Egypt in 1941 and 1942 German Field Marshal Erwin Rommel achieved immortality as the Desert Fox battling and usually defeating numerically superior enemies Until now historians have generally overlooked the talented cast of characters who supported Rommel during this campaign Distinguished military historian Samuel Mitcham recounts the battles of the Afrika Korps through the men who served Rommel as staff officers and commanders of divisions regiments and battalions soldiers like Ludwig Cr well and Walter Nehring two of World War II s best panzer commanders and Ernst G nther Baade who wore a kilt and carried a broadsword into battle

Erwin Rommel Charles River Charles River Editors, 2017-01-25 Includes pictures Includes Rommel s quotes about his life and the war Includes online resources and a bibliography for further reading Be an example to your men in your duty and in private life Never spare yourself and let the troops see that you don t in your endurance of fatigue and privation Always be tactful and well mannered and teach your subordinates to be the same Avoid excessive sharpness or harshness of voice which usually indicates the man who has shortcomings of his own to hide Erwin Rommel One of his biographers called him a complex man a born leader a brilliant soldier a devoted husband a proud father intelligent instinctive brave compassionate vain egotistical and arrogant As that description suggests every account of Erwin Rommel s life must address what appears to be its inherent contradictions Fittingly and in the same vein he remains one of the best remembered generals of World War II and history at large despite the fact he was on the losing side and he was defeated at the most famous battle of his career the decisive Battle of El Alamein Nonetheless the Desert Fox has been a legend on both sides of the Atlantic for over 70 years thanks to the crucial role he played in history s deadliest conflict Before his legendary encounters against the British and Americans in North Africa Rommel gained much fame for his role in the invasions of Poland and France before was sent to North Africa in February 1941 In describing Rommel the Italian officer Alessandro Predieri talked about his two very rare and precious gifts The first is luck which you will remember Napoleon prescribed to his generals The second gift is that of being able to keep his bearings in the midst of all the confusion of modern desert warfare His instinct tells him immediately where a difficult situation is going to develop and off he goes with his Kampfstaffel Headquarters Group which he treats like a Praetorian Guard and puts things right charging around like a junior officer With the Axis forces trying to push through Egypt towards the Suez Canal and the British Mandate of Palestine American forces landed to their west in North Africa which ultimately compelled Rommel to try to break through before the Allies could build up and overwhelm them with superior numbers The Second Battle of El Alamein was a turning point in the two year conflict between Allied forces and a combined German Italian force in North Africa While the scale of the battle paled in comparison to the battles of the Eastern Front where the majority of German troops were concentrated it still marked an important victory in World War II especially from the British perspective After leaving North Africa Rommel spent much of the later part of the war strengthening German defenses across the Atlantic in anticipation of an amphibious Allied landing which would come in June 1944 But the murky role he

played in the notorious July 20 plot on Adolf Hitler's life in 1944 the closest an assassination attempt got to killing the Nazi Fuhrer would bring about the Desert Fox's untimely demise in October 1944 even as the Soviets and Western Allies were tightening the vise on Germany Compelled to take cyanide by authorities the Desert Fox insisted he was innocent until his dying day and his popularity forced the Nazi government to claim his death was brought about by a heart attack or a cerebral embolism In fact Rommel was given an official state funeral and Winston Churchill would go on to praise him He also deserves our respect because although a loyal German soldier he came to hate Hitler and all his works and took part in the conspiracy to rescue Germany by displacing the maniac and tyrant For this he paid the forfeit of his life **General Field**

Reuth,2020-01-15 Erwin Rommel is the best known German field commander of World War II Repeatedly decorated for valor during the First World War he would go on to lead the German Panzer divisions in France and North Africa Even his British opponents admitted to admiring his apparent courage chivalry and leadership and he became known by the nickname Desert Fox His death in October 1944 would give rise to speculation for generations to come on how history should judge him To many he remains the ideal soldier but as Reuth shows Rommel remained loyal to his Fuhrer until forced to commit suicide and his fame was largely a creation of the master propagandist Joseph Goebbels Stripping away the many layers of Nazi and Allied propaganda Reuth argues that Rommel's life symbolizes the complexity and conflict of the German tragedy to have followed Hitler into the abyss and to have considered that to be his duty **Rommel's Desert Commanders** Samuel W.

Mitcham Jr.,2007-02-28 Perhaps the most famous and admired soldier to fight in World War II was Field Marshal Erwin Rommel who achieved immortality as the Desert Fox Rommel's first field command during the war was the 7th Panzer Division also known as the Ghost Division which he led in France in 1940 During this campaign the 7th Panzer suffered more casualties than any other division in the German Army at the same time inflicting a disproportionate number of casualties upon the enemy It took 97 486 prisoners captured 458 tanks and armored vehicles 277 field guns 64 anti tank guns and 4 000 to 5 000 trucks It captured or destroyed hundreds of tons of other military equipment shot down 52 aircraft destroyed 15 more aircraft on the ground and captured 12 additional planes It destroyed the French 1st Armored Division and the 4th North African Division punched through the Maginot Line extension near Sivry and checked the largest Allied counteroffensive of the campaign at Arras When France surrendered the Ghost Division was within 200 miles of the Spanish border No doubt about it Rommel had proven himself a great military leader who was capable of greater things His next command in fact would be the Afrika Korps where the legend of the Desert Fox was born Rommel had a great deal of help in France much more than his published papers suggest His staff officers and company battalion and regimental commanders were an extremely capable collection of military leaders that included 12 future generals two of them SS and two colonels who briefly commanded panzer divisions but never reached general rank They also included Colonel Erich von Unger who would no doubt have become a general had he not been killed in action while commanding a motorized rifle brigade on the Eastern Front in 1941 as well as Karl Hanke a Nazi gauleiter who later succeeded Heinrich Himmler as the last Reichsfuehrer SS No historian has ever recognized the talented cast of characters who supported the Desert Fox in 1940 No one has ever attempted to tell their stories This book remedies that deficiency **Rommel's Greatest Victory** Samuel W. Mitcham,1998 The Desert Fox Erwin Rommel was the foremost strategist and tactician of his generation and his defeat of the British forces at the important Libyan port of Tobruk in spring 1942 was the crown jewel of his military campaigns a victory so stunning it forced a vote of confidence in the Churchill government Mitcham Jr history Hendersonville State U chronicles Rommel's march to Tobruk noting the leader's ability to discern the best places and times to strike He includes several maps and bandw photos Annotation copyrighted by Book News Inc Portland OR **The Desert Fox** Erwin Rommel,1946

Rommel's Lieutenants Samuel W. Mitcham Jr.,2006-11-30 Perhaps the most famous soldier to fight in World War II was Field Marshal Erwin Rommel who achieved immortality as the Desert Fox He is also one of the most admired Rommel's first field command during the war was the 7th Panzer Division also known as the Ghost Division which he led in France in 1940 Rommel had a great deal of help in France much more than his published papers suggest His staff officers and company battalion and regimental commanders were an extremely capable collection of military leaders that included 12 future generals two of them SS and two colonels who briefly commanded panzer divisions but never reached general rank They also included Karl Hanke a Nazi gauleiter who later succeeded Heinrich Himmler as the last Reichsfuehrer SS No historian has

ever recognized the talented cast of characters who supported the Desert Fox in 1940 No one has ever attempted to tell their stories This book will surely remedy that oversight During the Desert Fox campaign the 7th Panzer suffered more casualties than any other division in the German Army at the same time inflicting a disproportionate number of casualties upon the enemy It took 97 486 prisoners captured 458 tanks and armored vehicles 277 field guns 64 anti tank guns and 4 000 to 5 000 trucks and destroyed dozens of others in each category It captured or destroyed hundreds of tons of other military equipment shot down 52 aircraft destroyed 15 more on the ground and captured 12 more It destroyed the French 1st Armored Division and the 4th North African Division punched through the Maginot Line extension near Sivry and checked the largest Allied counteroffensive of the campaign at Arras When France surrendered the Ghost Division was within 200 miles of the Spanish border No doubt about it Rommel had proven himself a great military leader who was capable of greater things His next command in fact would be the Afrika Korps where the legend of the Desert Fox was born Generalfeldmarschall Erwin Rommel Desert Fox 1891-1944 Gustavo Urueña A,2016-07-13 Generalfeldmarschall Erwin Rommel Desert Fox Dates 15 November 1891 14 October 1944 Rommel son of a high school professor joined 1910 voluntarily in the army and fought in the first phase of the war with the Infantry Regiment 124 on the Western Front After receiving first class for bravery in the Argonne the Iron Cross he was employed as a company commander in the battalion W rtemberger Mountaineer in Romania to the west and to the Italian front On October 25 1917 Lieutenant Rommel was the fiercely defended height Matajur storm and bring about 8 000 Italian prisoners which he received the Pour le M rite was one of the few young infantry officers of the war In 1919 he was transferred to the Army because of its benefits After long time commanded an infantry company was Rommel 1929 tactics instructor at the Infantry School in Dresden After further use as battalion commander he commanded successively the important military schools in Potsdam and Wiener Neustadt *Fighting the Desert Fox* John Delaney,1999 In the spring of 1941 Britain s position in North Africa appeared secure The Italians had been spectacularly defeated and there was even the possibility that Italy would drop out of the war The situation changed dramatically with the arrival of Rommel and the Deutsches Afrika Korps Instead of fighting an incompetent and ineffective Italian High Command the Allies found themselves up against the latest strategic and tactical concepts carried through by a dynamic aggressive leader For the British this was a time of trial On several occasions they seemed to be on the brink of total defeat and by August 1942 the Afrika Korps stood facing the British Eighth Army at El Alamein a mere 70 miles from Alexandria **Discovering the Rommel Murder** Charles F. Marshall,2002-06 Marshall recounts how he learned the facts from Rommel s widow while delving into the great general s background and death Rommel Perfection Form Company,19?? **History in 30** Percy Bennington,2017-12-04 Be an example to your men in your duty and in private life Never spare yourself and let the troops see that you don t in your endurance of fatigue and privation Always be tactful and well mannered and teach your subordinates to be the same Avoid excessive sharpness or harshness of voice which usually indicates the man who has

shortcomings of his own to hide Erwin Rommel The 20th century was a century full of conflict and strife not seen before on a global scale While there were multiple conflicts that spanned over many years the two World Wars marked the century During both World Wars the Germans were found on the losing end but that is not to say that those armies were void of brilliance quite to the contrary The German Army of World War I was one of the most well rounded and destructive war machines in history and if anything the death knell to the German side during the First World War was the fact that the Germans had weak allies and spent considerable resources and time to try to prop up other empires like Austria and the Ottoman Turks World War II was an entirely different story The Germans were angry after the First World War and using public sway and anger Adolf Hitler took power in the 1930s Unlike the earlier army the German Army of the Second World War committed some of the most grotesque and unforgivable atrocities in the history of mankind This isn't to say that the German commanders and soldiers were all bad and of all the men who fought for the Reich the one with the most sterling reputation is Erwin Rommel the Desert Fox Rommel rose through the ranks of the German Army in the years preceding the outbreak of World War II and he proved to be a cunning and insinuating soldier who was one of the most brilliant cavalry commanders in the history of warfare Eventually the evil that surrounded him engulfed him and his pure brilliance went untapped While there is a great division when it comes to historical opinion with respect to Rommel's merits as a general as well as the moral choices he made both historians and the public continue to be intrigued by this man who has been dead for over 70 years People at large continue to consider Rommel one of the greatest generals of the 20th century an opinion shared by many of his contemporaries on both sides of World War II For example British General Harold Alexander hinted at both his strengths and weaknesses commenting He was a tactician of the greatest ability with a firm grasp of every detail of the employment of armour in action and very quick to seize the fleeting opportunity and the critical turning point of a mobile battle I felt certain doubts however about his strategic ability in particular as to whether he fully understood the importance of a sound administrative plan Happiest while controlling a mobile force directly under his own eyes he was liable to overexploit immediate success without sufficient thought for the future History in 30 The Life of Erwin Rommel Nazi Germany's Desert Fox provides a quick but comprehensive look at the life of the general *The Desert Fox in Normandy* Samuel W. Mitcham, Greenwood Publishing Group, Incorporated, 1997-05-01 As 1943 came to a close Field Marshall Erwin Rommel was given his most challenging and important assignment to date to repel the impending Allied invasion The German high command anticipated that 1944 would be the year for the long awaited amphibious cross channel invasion This invasion could be a critical strategic opportunity if the Germans successfully repelled it but a failure to do so would severely hinder their ability to reestablish military superiority in Europe Covering the Battle of Normandy from the German point of view this book examines the impact that the Desert Fox had on the strengthening of German defenses in Normandy and elsewhere Dubbed by the Propaganda Ministry as The Atlantic Wall Rommel realized how deceptive this term was upon his inspection

of German defenses in 1943 Convinced that the Allies knew more about the actual state of German readiness than many of his officers did the Desert Fox set out to fortify German positions **Field Marshal** Daniel Allen Butler,2015-07-19 A biography of the WWII military genius known as the Desert Fox and his complex ultimately fatal relationship with Hitler from a New York Times bestselling author Born leader brilliant soldier devoted husband and father Erwin Rommel was intelligent brave and compassionate while at the same time vain egotistical and arrogant In France in 1940 then for two years in North Africa then at Normandy in 1944 he proved himself a master of armored warfare running rings around a succession of Allied generals who never got his measure and could only resort to overwhelming numbers to defeat him Yet for all his genius Rommel was also naive a man who could admire Adolf Hitler at the same time that he despised the Nazis dazzled by a F hrer whose successes blinded him to the true nature of the Third Reich Above all he was the quintessential German patriot who ultimately would refuse to abandon his moral compass so that on one pivotal day in June 1944 he came to understand that he had mistakenly served an evil man and evil cause He would still fight for Germany even as he abandoned his oath of allegiance to the F hrer when he came to realize that Hitler had morphed into nothing more than an agent of death and destruction In the end Erwin Rommel was forced to die by his own hand not because as some would claim he had dabbled in a tyrannicidal conspiracy but because he had committed a far greater crime he dared to tell Adolf Hitler the truth In Field Marshal New York Times bestselling historian Daniel Allen Butler describes the swirling innovative campaigns in which Rommel won his military reputation and assesses the temper of the man who finally fought only for his country and no dark depths beyond The Desert Fox in Normandy Samuel W. Mitcham,2001 In this riveting account of the Normandy campaign the author provides insight into how the genius Erwin Rommel forestalled but could not stop the Allies inevitable triumph
