Discovering the Rommel Murder Charles F. Marshall, 2017-09-15 Field Marshal Erwin Rommel's heroic opposition to Hitler in 1944 cost him his life In this intriguing well paced tale of a journalistic coup Marshall the first to discover the real events behind Rommel's death tells how he learned the facts from Rommel's widow and delves into the great general's background and death He arrived at his conclusions based on his intimate knowledge of men on Rommel's staff and his access to Rommel's papers including letters from the general to his wife Here for the first time in paperback is the exciting story of how the world learned about the way the Desert Fox met his death

Montgomery vs Rommel at El Agheila 1942 Zita Ballinger Fletcher, 2025-04-28 Explores the complex rivalry between Generals Montgomery and Rommel in North Africa highlighting their contrasting strategies and personal traits In 1942 following a decisive British victory at the Second Battle of El Alamein the sands of fortune were shifting against German forces in the Sahara Field Marshal Erwin Rommel's inexorable advance

toward Cairo was thwarted Church bells pealed in embattled England for the first time since the start of World War II as Winston Churchill hailed the end of the beginning But the elusive Desert Fox was a master of mobility Even as the sun set on his desert glory he was far from finished British Gen Bernard Montgomery victor of El Alamein was at then the highest point of his career He had overcome many adversities to meet his moment of military destiny galvanized a flagging army and smashed the proud German troops with a blow he would be proud of for the rest of his life But Monty found his own fortunes changing as he pursued the Desert Fox Hamstrung by a distended supply line Monty was now vulnerable to attack by the vengeful Rommel The British troops flush with victory grew fearful as they approached an eerie dune wasteland in Libya known as El Agheila One setback would be enough to cast their laurels into the dust and shatter their faith in their rising commander Both generals faced each other with uncertainty as another fight loomed on the horizon One false move could have far reaching political consequences The outcome of the battle would answer a critical question who would hold the gateway to Egypt This compelling book tells the story of Monty and Rommel battling in North Africa as never before describing them as two very different commanders and shedding light on the dissimilar characteristics that made them formidable fighters It argues that Monty was more aggressive than many historians give him credit for and that Rommel had more of a conscience than is often attributed to him examining the origins of his disloyalty to Hitler This riveting read draws attention to a little known battle with great implications on the course of World War II history also describing the powerful external forces of politics media coverage and the desert itself that swirled around two famous generals forced to duel on uneven footing

South Africans versus Rommel David Brock Katz, 2017-11-15 After bitter debate South Africa a dominion of the British Empire at the time declared war on Germany five days after the invasion of Poland in September 1939 Thrust by the British into the campaign against Erwin Rommel's German Afrika Korps in North Africa the South Africans fought a see saw war of defeats followed by successes culminating in the Battle of El Alamein where South African soldiers made a significant contribution to halting the Desert Fox's advance into Egypt This is the story of an army committed somewhat reluctantly to a war it didn't fully support ill prepared for the battles it was tasked with fighting and sent into action on the orders of its senior alliance partner At its heart however this is the story of men at war

The Haunting of Alice Rommel Kody Boye, Five months ago everything was simple Five months ago nothing had changed Five months ago the nightmare hadn't yet begun The game wasn't supposed to change our lives and it certainly wasn't supposed to change Alice But on the night of July 2nd my best friend discovered a spirit board in our family attic and my sister Alice unknowingly let something inside What first begins as knocks on the walls and shivers down our spines soon turns into things shattering windows breaking But it isn't until Alice begins to descend into madness that the reality becomes clear We let something in And now I must try to stop it
