Pierre De Ronsard,2017-11-23 Excerpt from Selected Poems of Pierre De Ronsard If the traveller is on his way north from Venice where at the cost of a morning spent in a gondola you may see all the architecture of the world displayed in a crowded im possible pageant between sea and heaven and where you retreat breathless from Veronese only to be blinded by Titian he will probably be distressed by the formal beauties of the great castles of the Touraine the last ourishes of the Flamboyant in the church of Brou will seem to him the artifice of a style grown too old to possess natural graces domestic architecture will be either neat without simplicity or grandiose without dignity But if he returns from Florence the inevitable revulsion the sense of some light lost from the sky or dreamy loveliness from the earth will be less strong in him he will observe that behind the brier like luxuriance of the Flamboyant style no less than amid the urbane splendours of the great Chateaux there is a latent quality that he will have dimly realized to be present in all Florentine art before Michelangelo a tranquil strength a restrained rhythm of line The tree may glow with a thousand owers but the dark sinewy boughs are beneath them defiant of time and the winds About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Selected Poems of Pierre de Ronsard** Pierre de Ronsard,1908 SEL POEMS OF PIERRE DE RONSARD Pierre De 1524-1585 Ronsard,St John 1879-1934 Lucas,2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Selected Poems of P. de Ronsard Pierre de Ronsard,1908 **Selected Poems** Pierre Ronsard,2002-08-29 One of France s most

The Labyrinth of Love Pierre de Ronsard, 2021-01-23 Hailed as the Prince of Poets of the French Renaissance Pierre de Ronsard composed a rich body of love poetry that has captivated audiences and challenged scholars for many centuries through its undulating liquid forms and powerful metamorphic imagination Blending oneiric fantasy and mythological profusion this poetry appeals to readers steeped in the classical tradition and receptive to an esthetic of vitality and abundance rather than the brooding self pity more characteristic of Petrarchism This new translation captures the essence of a poetic legacy whose exuberance and emotion can still be deeply felt today Eric MacPhail author of Religious Tolerance from Renaissance to Enlightenment Atheist s Progress Ronsard is a towering figure in the history of European poetry but his work is little read these days other than in the form of single line quotations Henry Weinfield has made a substantial selection that reflects different aspects of Ronsard s immense output from his earliest love sonnets to his death bed meditations Translating sixteenth century French poetry into English verse while remaining close to the original is a formidable task but Weinfield s sensitivity and ingenuity are equal to the challenge he has found an idiom which both retains the flavor of the Renaissance and remains fluent and transparent to modern ears The French text is provided on facing pages so that even those unfamiliar with early modern French will be able to explore the original This is an important act of cultural transference that will give Ronsard s extraordinary poetic imagination a new lease of life for readers of the twenty first century Terence Cave Emeritus Professor of French Literature University of Oxford and Emeritus Research Fellow St John s College First came Henry Weinfield s irreplaceable versions of Mallarmé in 1994 and now comes a second masterpiece of translation with this new selection of Ronsard Weinfield has a supernatural talent for rendering the most difficult poets into clear cadenced and beautiful English The man is a wizard Paul Auster Editor The Random House Book of Twentieth Century French Poetry

Selected Poems and Translations Madeleine de l'Aubespine, 2008-09-15

Madeleine de l'Aubespine 1546-1596 the toast of courtly and literary circles in sixteenth century Paris penned beautiful love poems to famous women of her day The well connected daughter and wife of prominent French secretaries of state l

Aubespine was celebrated by her male peers for her erotic lyricism and scathingly original voice. Rather than adopt the conventional self-effacement that defined female poets of the time, Aubespine's speakers are sexual dominant and defiant, and her subjects are women who are able to manipulate, rebuke, and even humiliate men. Unavailable in English until now and only recently identified from scattered and sometimes misattributed sources, Aubespine's poems and literary works are presented here in Anna Klosowska's vibrant translation. This collection, which features one of the first French lesbian sonnets as well as reproductions of Aubespine's poetic translations of Ovid and Ariosto, will be heralded by students and scholars in literature history and women's studies as an important addition to the Renaissance canon.
