**A Room Called Remember** Frederick Buechner, 2009-10-13 A Room Called Remember brings together some of Buechner's finest writings on faith love and the power of words in the form of essays addresses and sermons Here Buechner explores autobiography as theology offers exhilarating reflections on biblical passages and leads us into the room called Remember that still room within us all where the past lives on as part of the present where with patience with clarity with quietness of heart we remember consciously to remember the lives we have lived **Restoring Life's Missing Pieces**

Caren Goldman, 2011 A powerful and thought provoking look at reunions of all kinds as roads to remembering and remembering ourselves Reunions with people places things and ourselves happen every day around us and within us Whether to participate or not will always be your choice from the Introduction Explore humankind's timeless universal and deeply spiritual desire to reunite for the sake of healing and wholeness Whether we wander far from home or reminisce from our favorite armchair people of all faiths or none whatsoever undertake journeys to remember restore and remember the missing pieces of our stories psyches and souls Do you occasionally Google a person from your past in hopes of catching up Do you leaf through old address books to try to call someone for the first time in decades When you visit gravesites or memorials can you pinpoint what drew you there Have you felt an urge to revisit your birthplace or travel to your ancestors homelands Do you feel compelled to attend an upcoming high school family or other reunion If not why not Delve deeply into ways that your body mind and spirit answer the Spirit of Reunion's calls to reconnect with people places things and self

Grace Joel W. Hufstetler, 2009-09-29 Gratitude and Grace The Writings of Michael Mayne offers an introduction and overview of the five bestselling books by one of the United Kingdom's finest spiritual writers Michael Mayne who served as dean of Westminster Abbey from 1986 to 1996 Previously he had served as vicar of Great St Mary's the University Church Cambridge and as Head of Religious Programmes for BBC Radio Mayne's primary vocation was that of pastor not writer but

his deep pastoral wisdom shines through in his books Though clearly Christian in orientation Michael Mayne's books were written to appeal to all who are on a quest to integrate spirituality into their daily lives His work recalls the very best of English pastoral writing such as that of George Herbert Thomas Traherne and Francis Kilvert The list of the finest English pastoral books now includes those by Michael Mayne d 2006 *Gratitude and Grace* The Writings of Michael Mayne is the first book length treatment of Mayne's writings and will remain the starting point of Mayne studies for years to come The Culturally Savvy Christian Dick Staub,2008-09-09 In *The Culturally Savvy Christian* his incisive critique of contemporary culture and religion Dick Staub concludes that though it is influential American popular culture is generally superficial diversionary mindless and celebrity driven spiritually delusional moralistic therapeutic and deistic and soulless sustained not by art craft and ideas but by the mad pursuit of profit propped up by marketing and technology Similarly American Christianity has devolved into its own mindless diversionary and celebrity driven superficiality Because humans are created in God's image with spiritual intellectual creative moral and relational capacities we long for more yet the true seeker faces the lose lose alternatives of a soul numbing culture and a vacuous Christianity lite The renaissance we need in both faith and culture will originate in a deep spiritual renewal that restores God's image in us and creates a new breed of culturally savvy thoughtful creatives who rekindle the spiritual intellectual and creative legacy of Christians as enrichers of culture

**Disappointment with God** Philip Yancey,1997 No part of the Bible goes unstudied in this book's search for God's hidden nature *Reading Buechner* Jeffrey Munroe,2019-11-19 Frederick Buechner is one of the most gifted writers of his generation with an important legacy as a memoirist novelist theologian and preacher In this book Buechner expert Jeff Munroe presents a collection of the true essentials from across Buechner's diverse catalog as well as an overview of Buechner's life and a discussion of the state of his literary legacy today The Bible Is a Girl's Best Friend Sally Miller,2007 In a fresh captivating style Sally Miller presents a new way to approach God's Word Since women value close relationships she encourages them to experience the Bible as an intimate friend as someone who gives practical advice offers loving comfort and challenges them to grow *The Bible Is a Girl's Best Friend* is ultimately about the love and promise found in daily connection with God Sally beautifully presents the Bible as the active way God speaks to people Through stories of friendship she reveals how God uses His Word to reach out to each reader loving her guiding her correcting her and offering her a personal relationship with Him through His Son Jesus From the strength and support God offers during trials to the assurance that He is always with them women will discover many life changing truths and experience the joy of knowing they are loved by God and by friends Holy Curiosity Amy Hollingsworth,2011-07-01 One passage two verses four words As a writer and an adjunct professor of psychology Amy Hollingsworth is on her way to becoming an expert on creativity But just days before delivering her first professional seminar on the topic she has an unsettling dream The dream awakens her to the fact that she has missed a crucial element in understanding what true creativity is Trying to unravel the dream she soon

discovers its contents reflected in a single passage of ancient literature In this passage she sees for the first time creativity s core its spiritual roots and as its meaning unfolds through months of spiritual reflection and study it confirms the very scientific theories she s been teaching all along In fact she discovers the underpinnings of the whole body of creativity research tucked into four small words penned centuries ago kernels of truth that explode with a new depth of meaning As she digs deeper she uncovers for the reader God s blueprint for cultivating the creative spirit in everyday life through a practical outworking of her spiritual findings In the end both writer and reader come away with a new understanding of their own creative abilities and a profound sense of what s truly holy about holy curiosity *Shining Moments* John E.

Sumwalt,2004 The Bible is filled with stories of shining moments Moses face shone as he came down from the mountain with the ten commandments Jesus face changed and his clothes became dazzling white in a transfiguration witnessed by the disciples Paul was blinded by a light and heard the voice of Christ on the road to Damascus and many modern Christians have had equally life changing experiences of the Lord s power and presence In this third volume of the acclaimed Visions series 60 contributors share their authentic intensely personal accounts of holy experiences Rosmarie Trapp of the Sound of Music family tells of a moment of assurance when the Lord visited me in a bright golden light whose golden glow brought peace to my soul Ralph Milton author of the historical novel Julian s Cell describes a visitation by his late sister We were singing together as we often did as children I don t recall ever having a memory or dream as clear and powerful as that one and it left me with a sense of joy and peace Karen Steinke recounts the warmth she felt at the moment of her baptism I looked up to see the form of Jesus with an overpowering light surrounding him Whether they relate transforming moments like visions healings or visitations by angels joyous moments like being in the presence of a loved one who has died or just the simple sense of God s presence while singing in church or sitting in a sunny meadow on a warm spring day the vignettes in *Shining Moments* are a testament to the indescribable comfort and peace of an encounter with the divine And because each story also illustrates a scripture passage *Shining Moments* is a valuable preaching resource and an excellent catalyst for small group discussion But even more this book provides inspiring and heart warming reading for personal devotion and spiritual growth Praise for other volumes in the Visions series This wonderful collection of stories reminds us of a fact our world desperately needs to know that God is alive and well and ready to be at work in our daily lives J Ellsworth Kalas Author of New Testament Stories from the Back Side A noted storyteller John E Sumwalt is the pastor of Wauwatosa Avenue United Methodist Church in Milwaukee Wisconsin The author of CSS Lectionary Stories series Sumwalt leads seminars and retreats on sharing and understanding visions He and his wife Jo Perry Sumwalt also are the editors of the online service StoryShare

**The Remarkable Ordinary** Frederick Buechner,2017-10-03 Learn to see God s remarkable works in the everyday ordinary of your life Your remarkable life is happening right here right now You may not be able to see it your life may seem predictable and your work insignificant until you look at your life as Frederick Buechner does Named the father of today s

spiritual memoir movement by Christianity Today Frederick Buechner reveals how to stop look and listen to your life He reflects on how both art and faith teach us how to pay attention to the remarkableness right in front of us to watch for the greatness in the ordinary and to use our imaginations to see the greatness in others and love them well Pay attention says Buechner Listen to the call of a bird or the rush of the wind to the people who flow in and out of your life The ordinary points you to the extraordinary God who created and loves all of creation including you Pay attention to these things as if your life depends upon it Because of course it does As you learn to pay attention to your life and what God is doing in it you will uncover the plot of your life s story and the sacred opportunity to connect with the Divine in each moment **21st Century**

**Pastor** David C. Fisher,2010-08-03 The third millennium It s a time of tremendous opportunity for the church and tremendous challenge More than ever pastors need a model for ministry that can equip them for the rigors of a restless increasingly secularized culture In the 21st Century Pastor David Fisher explores the apostle Paul s concept of ministry to offer a paradigm that is both biblical and relevant Paul s view is fleshed out with examples from Fisher s own twenty five years of pastoral experience presenting a roadmap for today s pastor that is scholarly practical dynamic and inspiring The 21st Century Pastor first addressees crucial issues of pastoral identity the significance of geography time and ecclesiology It then explores Paul s metaphors for ministry jars of clay farmers and builders servants and stewards and others to reveal an accurate portrait of an effective biblical pastor the kind who will speak to the heart of modern culture rather than languish on its fringes Filling the rare role of a pastor to pastors Fisher s sage insights help pastors answer their own identity questions empowering them to minister to a deeply needy society Says Fisher Pastors who know what time it is will in the name and power of God create communities of faith where the values of the Gospel are embraced taught and lived out

**The Science of Virtue** Mark R. McMinn,2017-08-22 The church and science have drifted apart over the past century Today the church is often deemed irrelevant by those who trust science and science is often deemed irrelevant by those whose primary loyalties are to the church However this book shows that the new science of virtue the field of positive psychology can serve as a bridge point between science and the church and can help renew meaningful conversation In essence positive psychology examines how ordinary people can become happier and more fulfilled Mark McMinn clarifies how positive psychology can complement Christian faith and promote happiness and personal flourishing In addition he shows how the church can help strengthen positive psychology McMinn brings the church s experience and wisdom on six virtues humility forgiveness gratitude grace hope and wisdom into conversation with intriguing scientific findings from positive psychology Each chapter includes a section addressing Christian counselors who seek to promote happiness and fulfillment in others **Gifts of Passage** Amy Hollingsworth,2009-08-31 Not all gifts are tangible After suffering the loss of her father while writing her bestselling debut book Amy Hollingsworth began to search for the meaning behind his dying moments What she found was a simple truth at the heart of overcoming the deepest grief the dying leave gifts With deeply

moving stories of how others discovered the gifts their loved ones left behind this book will gently encourage you to anticipate and uncover your own Weaving together the warm intimacy of Mitch Albom's Tuesdays with Morrie and the straightforward honesty of Joan Didion's The Year of Magical Thinking Amy Hollingsworth adds her hopeful voice to the literature of life and the life beyond The result is a collection of stories that gives the reader myriad ways to identify their own pain and healing and is an intriguing journey for any and all readers fascinated by this brief overlap of heaven and earth From the bestselling author of The Simple Faith of Mister Rogers      **NRSV, The Daily Bible** Catholic Bible Press ,2013-08-13 A companion for every day of the year Many people have embraced the spiritual discipline of reading through the Bible in a year Now the NRSV Daily Bible makes the entire New Revised Standard Version available to you in a daily reading format helpfully divided into 365 manageable readings Along with the biblical text this resource offers you wisdom from the classic writings of Christians luminaries such as Mother Teresa Henri Nouwen Dietrich Bonhoeffer N T Wright Madeleine L Engle and Frederick Buechner Renowned for its beautiful balance of scholarship and readability the NRSV faithfully serves the church in personal spiritual formation in the liturgy and in the academy The foremost Bible translation vetted by Protestant Catholic Orthodox Evangelical and Jewish scholars invites you to deeply explore Scripture Features The text of the New Revised Standard Version Protestant canon vetted by an ecumenical pool of Christian academics and renowned for its beautiful balance of scholarship and readability A daily reading plan that can be started at any time during the year Daily insights from thinkers like Mother Teresa Henri Nouwen Dietrich Bonhoeffer N T Wright Madeleine L Engle and Frederick Buechner Individual book introductions to aid in the practice of prayerful reading Presentation page      [The Book of Buechner](#) W. Dale Brown,2006-01-01 The most thorough and extensive investigation ever written on the much beloved writer The Book of Buechner explores the ways in which Frederick Buechner's writing particularly his fiction presents the possibilities of grace in the midst of the ambiguities of human existence and introduces themes of Christian faith Both long time readers and neophytes seeking a guide through his writings will delight in the illuminating analysis Dale Brown has to offer Intelligent and gratifying The Book of Buechner is a much overdue literary journey through one of the most significant American writers of the last fifty years      **Ascension** Lois Benjamin,2024-03-21 In this masterful work of family focused sociology Lois Benjamin considers the lives of Pennie and Roscoe James and their children revealing how a large close knit African American family with humble origins in a small town of North Carolina is shaped by the contours of its religious and ethical value system Despite the challenges of daily experiences the James elders transmitted values to their children that provided them with the resources to thrive and the resilience to meet adversity The James children recount their personal unique perspectives on how faith familial solidarity and savvy entrepreneurship led to their continued generational success Benjamin uses a blend of ethnographic and qualitative methods to place the James family's experiences in broader historical context In doing so she shows that the family's values of compassion empathy and communitarian and enterprising spirit

offer hope in this polarized society      **The Encyclopedia of Christian Literature** George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles      **Recollections** Apostolos Kizilos, 2014-11-15 This collection of early and later poems some translated from Greek comes in four parts that reflect his experience of insightful moments Portals family and community life Lifelines work of all kinds Work life and moments of joy frustration and longing for Greece his country of origin Roots      **The Empathic God** Frank Woggon, 2024-05-07 What if Jesus did not come to die for our sins What if instead Jesus s life and death was intended to provide a way out of our shame While traditional Christian teachings about the atonement emphasize sin as guilt and transgression against God s will and commandments Frank Woggon points out that clinical spiritual care reveals that the human condition is predominantly marked by shame rather than guilt In The Empathic God Woggon examines myopic readings of the Jesus event that in turn have embedded distortions into traditional paradigms of the atonement In contrast Woggon mines narratives of the human condition to engage in a critical examination of the Jesus story As a clinician and ordained Baptist minister Woggon presents the Jesus event as God s empathic initiative toward humanity and convincingly argues that salvation comes through empathy rather than forgiveness Woggon s work constructs a clinical theology of at onement from the perspective of clinical spiritual care The Empathic God calls for a practical response of caring participation in God s ongoing work of salvation through an empathic praxis of spiritual care Most importantly The Empathic God takes seriously that lived human experience is the starting point for theological exploration rather than doctrine This book will help practitioners and students of spiritual care in the Christian tradition to reflect more critically on the intersection of spiritual care practice and theology The book also will challenge pastors ministers of pastoral care chaplains pastoral counselors spiritually oriented therapists to interrogate and re interpret traumatic shame filled Christian teachings about the atonement so that they too can join in God s ongoing and liberating work of salvation
