Deja Vu, Again? Deborah Jones,2008-07-07 Annie Dales has been intrigued her whole life by the strange legacy left by her great great grandmother In 1884 Grandma Sarah was only twelve years old and foretold that the second daughter in Annies generation was to be named Annie McGuire WHY did Sarah insist on naming her HOW did she know Annie would meet and fall in love with a man named McGuire over a century later after having been married once before WHY did Annie begin to feel that she had met Sarah before WHAT had happened to the satchel full of gold coins worth forty thousand dollars in 1884 the same year Sarah named her WHO was the Annie in Sarahs life who so influenced her Annie Dales and David McGuire become obsessed with these questions after they meet After they accidentally discover the portal to the past they fall back through time one hundred and twenty years into Sarahs life in 1884 Joy awe and astonishment all vie for their attention There in the Terre Haute Indiana of another century an incredible unbelievable adventure begins Annie and David visit the Terre Haute of the nineteenth century for only four wonderful poignant days The simplicity and joie de vivre of the times are captivating The simple farm family and the sophisticated couple from the future bond almost immediately Within days Sarahs grandfather and uncle are brutally

murdered for their gold and Annie and David grieve with the family knowing all the while that the deaths were predestined A nasty hotel clerk trying to pin the murder of Sarahs grandfather and great uncle on them is sidetracked at the last minute Escaping one step ahead of the law and breathing a sigh of relief Annie and David are at last back in their own time As if the hidden cache of gold has waited all these years for only Annie to find it clues hidden in plain sight brilliantly make sense The satchel is revealed behind a false wall in the basement of Annies house The final piece of Annies happiness falls into place when David tells Annie he is just going to have to marry her not everyone can say that their love was preordained over a century before their births Sarah may have blessed their love by writing Annies last name as Davids in the journal but Annie and David made their own love in this century and the last *The Sea Between Us* Penny Rae,2010-02-26 Annie s inner conflict was spiraling out of control by her constant struggle with the memories of her past her unceasing battle with her present and ever looming dread and fear for her future How could she find peace with all three Each night her dream always started out the same way She was driving and it was night It was pitch black They drove into the dark and depressing night its blackness pressing in on them surrounding and suffocating them until it felt as if there was no air left to breath They were running from the piercing black that threatened to swallow them both Then without warning the car in which Annie was driving was speeding up and Annie couldn t stop it She frantically stepped on the brake but it only caused the car to dash faster and faster into the night Then she and the child and the car were falling into a black abyss and Annie was reaching out for the small hand of the frightened child next to her She groped around in the dark touching the small fingers but was never able to grasp them And each time the dream or haunting occurred Annie s nightmare brought with it more and more dread with an oncoming feeling of doom lurking in the shadows until Annie found it as hard to be awake as it was to be asleep And her terror mounted with each passing dream until finally her past and her present collided bringing to Annie something she never expected

It is a love story in the time of war. It is the story of the developing love between Cheryl Flynn, Assistant Chief of Intelligence for the Defense Attaches Office in Saigon and Billy Dobson, Manager of Flight Operations for Air America in Vietnam and Cambodia. The story opens on April 4, 1975, with Cheryl boarding the giant C5A sent by Gerry Ford to rescue orphans from South Vietnam. The plane crashed 13 miles south of Saigon. Does Cheryl survive? Does anyone survive? The story goes back in time and follows Cheryl and Billy on their paths to April 4 and to the eventual fall of Saigon on April 30, 1975. Does Billy have to face the last month alone or will Cheryl be at his side? The story follows Billy from the seminary to the Army where he serves as Counterintelligence Officer for the 11th Armored Cav sent into Cambodia by President Nixon and eventually to Air America and his meeting with Cheryl Flynn at Nha Trang paradise on the South China Sea. The story exemplifies the horrors of the war, the resilience of the human spirit, the bravery and unbelievable accomplishments of Air America personnel and the power of love to make it all worthwhile. You will laugh, you will cry, you will love Cheryl and Billy. A very appropriate book for the 40th anniversary of the Fall of Saigon. *Unexpected Lives* Meredith Beeler,2016-07-16 When Dr. Andrew Smith found CIA agent Eleanor Wright beaten in an alleyway, he knew he had to protect her. Neither of them could have guessed just how far the tangles of their love would reach or what their choices would cost them and the ones they love. Book Two: Staff Sergeant Robert Wright was looking forward to going home to Tennessee. After being away for ten years, the future of peace and quiet laid out in front of him was promising. He was not expecting the truth regarding his sister's life nor the beautiful and innocent red-haired woman tied so thoroughly to Eleanor. Robert must deal with life's unexpected twists and turns as well as the ghosts of his past. But will he be able to overcome his fears? Book Three: Joshua Smith is about to celebrate his fortieth birthday but not in the way he planned. Instead of being surrounded by his family on the sunny shores of California, he is alone, drunk, and barely

stumbling through each day When an unexpected woman shows up on his doorstep Joshua feels his bones begin to thaw But the gorgeous blonde has her own tragic past As the two of them struggle to find their footing in each others lives they discover that the horrors of their pasts have not truly been laid to rest
