read **Roosevelt and Stalin** Susan Butler, 2016-03-22 In Roosevelt and Stalin Susan Butler tells the story of how the leader of the capitalist world and the leader of the Communist world became more than allies of convenience during World War II They shared the same outlook for the postwar world and formed an uneasy yet deep friendship shaping the global stage from the war to the decades leading up to and into the new century The book makes clear that Roosevelt worked hard to win Stalin over by always holding out the promise that Roosevelt's own ideas were the best hope for the future peace and security of Russia Stalin however was initially unconvinced that Roosevelt's planned world organization even with police powers would be strong enough to keep Germany from starting a new war In the end we see how Stalin's opinion of Roosevelt evolved and how he began to view FDR as the key to peace Roosevelt and Stalin is a revelatory portrait of this crucial geopolitical partnership

Harrison, 2016-05-31 *Meet Me on the Barricades* is Harrison's most experimental work. The novel includes a series of fantasy sequences that culminate in a scene heavily indebted to the Nighttown episode in James Joyce's *Ulysses*; the novel was published a year before James Thurber's better known short story *The Secret Life of Walter Mitty*. The novel is also Harrison's only foray into satire, an especially unexpected turn given that the Spanish Civil War literary canon and particularly works of literature written in the midst of the war tend towards earnestness rather than irony. Harrison's novel is thus a unique book significant for its self-consciousness as a modernist novel and as a political document. Out of print since its single publication run in 1938, this critical edition recovers Harrison's important commentary on the heated culture wars of the 1930s and the Spanish Civil War. With an original critical introduction and extensive textual and editorial notes, this edition draws on original archival research to situate the novel within the modernist and leftist North American canons. *Meet Me on the Barricades* is a densely allusive text that layers global politics, revolutionary theory, classical music, literary theory, world history, and anti-Stalinism, as well as emergent biological discourses about sex. It recounts a few days in the life of P. Herbert Simpson, a middle-aged, weak-hearted oboist with the New York Symphony Orchestra and leftist fellow traveller. Simpson is subject to wild hallucinations that are sometimes daydreams, sometimes drunken delirium, and on occasion intricate dreams while asleep. He imagines escaping his unrewarding marriage with a prudish domineering wife through a passionate fantasy of a Russian girlfriend and escaping his day job in the symphony to fight on the front lines of the Spanish Civil War. **1865**

**TO THE PRESENT: A UNITED STATES HISTORY FOR HIGH SCHOOLS, 1865** **The Whole Machinery** Ben Child, 2019. A familiar story holds that modernization radiates out from metropolitan origins. *The Whole Machinery* explores representations of people and places, objects and occasions that reverse that trajectory, demonstrating how modernizing agents move in a contrary direction, as well from the country to the city. In a crucial reversal, these figures aren't pulled by or into urban modernity so much as they bring alternate and transformative iterations of the modern to the urban world. This book upends the U.S. South's reputation as retrograde and unresponsive to modernity by showing how the effects of national and transnational exchange, particularly via the cotton trade, emergent technologies, and industrialization, animate environments and bodies associated with or performing versions of the rural. To this end, it also searches out the shadow side of the cosmopolitan modern by investigating the rural sources, the laboring bodies, and raw materials that made such urban spaces possible. *The Whole Machinery* explores a range of canonical and noncanonical figures: Paul Laurence Dunbar, Frances E. W. Harper, W. E. B. Du Bois, Allen Tate, Don West, the authors of the Southern Tenant Farmers Union pamphlet *The Disinherited*, Speak, Charlie Poole, and Zora Neale Hurston, among them. It uncovers signs of the rural modern in a variety of texts and media, including narrative fiction and poetry, as well as photographs, sound recordings, radio broadcasts, letters, newspaper reports, and magazine profiles. These readings convey diverse and individuated desires for escape or entrenchment, often in the same conflicted voice, ultimately creating multivalent expressions and experiences of rurality that are in their way as

thoroughly modern as those of more widely canonized urban figures
