**Outdoor Stupid From Around The World** Bob Bell, 2021-12-24 Outdoor Stupid From Around The World is Bob Bell's third book. The first two were about the Alaskan adventures of Bob and his band of I Q challenged friends. They are titled Oh no we're gonna die and Oh no we're gonna die Too. The first book is mostly Bob's misadventures and the second is about his friends' attempts to get themselves killed in the Alaska Wilderness. During his travels around the world hunting and fishing, Bob met many guides, outfitters, professional hunters, and their clients. They related several stories to him, many of which are included in Outdoor Stupid. These stories show that the love of the outdoors exists everywhere you go. Also that I Q challenged decisions are an international curse. Outdoor Stupid like his other books is also humorous but again it conveys the apprehension, excitement, and relief involved in life-threatening adventures. Outdoor Stupid takes the reader on adventures throughout the world with a whole new cast of characters who continue the tradition of questionable judgment and bad luck. These stories will give you an insight into the excitement and pitfalls of high-risk outdoor adventures. Several of these tales also involve a lack of intelligence or clear thinking which definitely adds to the excitement.
