Jonathan Smele

Russia Speaks An Oral History From The Revolution To The Present:

Russia Speaks Richard Lourie,1991 Weaves personal narratives into a Tolstoyan epic of Russia in the twentieth century

Soviet Scientists Remember Maria A. Rogacheva,2019-11-21 Maria Rogacheva's *Soviet Scientists Remember* gives voice to one of the most prominent and educated groups in the late USSR scientists Lifting the veil of secrecy that covered scientists during the Cold War this book brings together six first person accounts of residents of the formerly closed scientific town of Chernogolovka In their interviews scientists talk about growing up in Stalin's Russia and surviving the Great Patriotic War their decision to join the scientific intelligentsia and the outstanding opportunities that were available to them in the heyday of the Cold War They reflect on their daily lives in a privileged scientific community and their relationship with the Soviet state and the Communist Party *Soviet Scientists Remember* sheds light on how ordinary people experienced the transformation of Soviet society after Stalin's death as well as its tumultuous transition to the post Soviet era in the 1990s

A History Of Russia Volume 2 Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world A Global Encyclopedia of Historical Writing, Volume 2 D.R.

Woolf,2022-09-30 First published in 1998 Including a wide range of information and recommended for academic libraries this encyclopedia covers historiography and historians from around the world and will be a useful reference to students researchers scholars librarians and the general public who are interested in the writing of history Volume II covers entries from K to Z Russia's Sputnik Generation Donald J. Raleigh,2006-06-02 Russia's Sputnik Generation presents the life

stories of eight 1967 graduates of School No 42 in the Russian city of Saratov Born in 1949 50 these four men and four women belong to the first generation conceived during the Soviet Union's return to normality following World War II Well educated articulate and loosely networked even today they were first graders the year the USSR launched Sputnik and grew up in a country that increasingly distanced itself from the excesses of Stalinism Reaching middle age during the Gorbachev Revolution they negotiated the transition to a Russian style market economy and remain active productive members of society in Russia and the diaspora In candid interviews with Donald J Raleigh these Soviet baby boomers talk about the historical times in which they grew up but also about their everyday experiences their family backgrounds childhood pastimes favorite books movies and music and influential people in their lives These personal testimonies shed valuable light on Soviet childhood and adolescence on the reasons and course of perestroika and on the wrenching transition that has taken place since the collapse of the Soviet Union in 1991 Such Freedom, If Only Musical Peter J Schmelz,2009-03-04 Following

Stalin's death in 1953 during the period now known as the Thaw Nikita Khrushchev opened up greater freedoms in cultural

and intellectual life A broad group of intellectuals and artists in Soviet Russia were able to take advantage of this and in no realm of the arts was this perhaps more true than in music Students at Soviet conservatories were at last able to use various channels many of questionable legality to acquire and hear music that had previously been forbidden and visiting performers and composers brought young Soviets new sounds and new compositions In the 1960s composers such as Andrey Volkonsky Edison Denisov Alfred Schnittke Arvo Pärt Sofia Gubaidulina and Valentin Silvestrov experimented with a wide variety of then new and unfamiliar techniques ranging from serialism to aleatory devices and audiences eager to escape the music of predictable sameness typical to socialist realism were attracted to performances of their new and unfamiliar creations This unofficial music by young Soviet composers inhabited the gray space between legal and illegal Such Freedom If Only Musical traces the changing compositional styles and politically charged reception of this music and brings to life the paradoxical freedoms and sense of resistance or opposition that it suggested to Soviet listeners Author Peter J Schmelz draws upon interviews conducted with many of the most important composers and performers of the musical Thaw and supplements this first hand testimony with careful archival research and detailed musical analyses The first book to explore this period in detail Such Freedom If Only Musical will appeal to musicologists and theorists interested in post war arts movements the Cold War and Soviet music as well as historians of Russian culture and society *Soviet Baby Boomers* Donald J.

Raleigh,2013-09-19 Soviet Baby Boomers traces the collapse of the Soviet Union and the transformation of Russia into a modern highly literate urban society through the life stories of the country's first post World War II Cold War generation

The Russian Revolution and Civil War 1917-1921 Jonathan Smele,2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state Sakharov: A

Biography Richard Lourie,2019-08-09 Seemingly shy Andrei Sakharov was in fact a man of three great passions His passion for physics ultimately lead him to create the Soviet H Bomb making the USSR a super power But he rejected all the position and prestige his inventions had brought him in the name of a greater passion for justice And yielding nothing to these two passions was his passion for human rights activist Elena Bonner their love story one of the great romances of our time This book tells the story of the man his passions and the time and place where they all played out As Richard Lourie's new subtle and revealing biography of Sakharov demonstrates Sakharov ranks with Nelson Mandela as a person who helped guide his

country to democracy changing himself in the process One of the strengths of Lourie s biography is his description and analysis of how this transition occurred a fascinating account of Sakharov Lourie s analysis of Sakharov s complicated political journey seems authentic and immensely revealing Loren Graham The New York Times A vivid portrait of Sakharov this moral and intellectual giant Lourie has written a highly intelligent and exceptionally readable book He not only captures his protagonist admirably but exhibits a fine feel for the social and political backdrop as well as for the peculiar mixture of fearful servility and courageous generosity of the Russian people Among other things he vividly brings to life how the Communist regime constrained scientists sometimes even arresting and murdering them while those who survived persevered in their work to achieve remarkable results Aleksa Djilas Commentary Magazine Lourie does full justice to a life that could not be more engrossing The socially introverted son of Moscow intelligentsia Andrei Sakharov became a star physics pupil then chief architect of the Soviet Union s first thermonuclear device and later on a dissident and target of KGB ire and finally the moral conscience of a democratically awakening Russia The evolution from a politically passive scientist to a lonely figure holding sidewalk vigils outside kangaroo courtrooms is almost unfathomable for a non Russian Lourie however makes it comprehensible not least by painting with an artist s spare deft strokes this transcendent figure into the history of his day Robert Legvold Foreign Affairs Richard Lourie is ideally placed to write the first full biography of this remarkable man He was able to interview Sakharov and many of his colleagues He has translated Sakharov s memoirs and often uses direct speech drawn from them to take us behind the scenes without giving rise to the usual suspicion of novelistic invention This makes for an engagingly readable book Lourie s appraisal of Sakharov as a man is scrupulously balanced with as much emphasis on his obstinacy as on his compassion The book conveys both the elation of scientific work the intense love between Sakharov and his second wife and the bewildering nature of human courage Elaine Feinstein The Telegraph The inventor of the Soviet H bomb Sakharov was in the forefront of the post war breakthrough in thermonuclear physics that led to the creation of atomic energy Yet he also stood heroically at times in the vanguard of the movement for human rights in the Soviet Union Richard Lourie tells both these stories in this first full length biography of the physicist and dissident Lourie has benefited from the recent publication of the KGB files on Sakharov He also knew the man himself whose Memoirs he helped to smuggle out of Russia to the West where they were published in Lourie s translation a year after Sakharov s death in 1989 Sakharov s widow Elena Bonner has helped Lourie s research which adds a welcome new perspective on the last 20 years of his eventful life when husband and wife were subjected to a bullying campaign of threats and slander by the KGB in a vain attempt to silence them Orlando Figes The Telegraph A solid factual and interpretive study Sakharov is an important account of one scientist s courage and his quest for a humane world at peace Herbert Mitgang Chicago Tribune This first biography of the renowned physicist Soviet dissident and Nobel Peace Prize winner weaves the details of Sakharov s life together with the history of the Soviet Union which barely outlasted him Lourie describes Sakharov s upbringing in a liberal family and his

rise through the Soviet science program during the 1930s and 40s Lourie's vivid accounts of Sakharov's meetings with Stalin and KGB chief Beria his role in the intelligentsia his marriages and his cramped apartments offer a textured picture of Soviet life during the Cold War Lourie's intelligent engaging biography will be appreciated by those interested in Russian and Cold War history Publishers Weekly

When Sonia Met Boris Anna Shternshis, 2017 Based on nearly 500 oral history interviews *When Sonia Met Boris* is an innovative study of Jewish daily life in the Soviet Union giving a long suppressed voice to the Jewish men and women who survived the sustained violence and everyday hardship of Stalin's Russia It reveals how postwar Soviet Jews came to view their Jewish identity as an obstacle a shift in attitude with ramifications for contemporary Russian Jewish culture and the broader Jewish diaspora

Russia Speaks An Oral History From The Revolution To The Present Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia Speaks An Oral History From The Revolution To The Present has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia Speaks An Oral History From The Revolution To The Present has opened up a world of possibilities. Downloading Russia Speaks An Oral History From The Revolution To The Present provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia Speaks An Oral History From The Revolution To The Present has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia Speaks An Oral History From The Revolution To The Present. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia Speaks An Oral History From The Revolution To The Present. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia Speaks An Oral History From The Revolution To The Present, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia Speaks An Oral History From The Revolution To The Present has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students,

researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russia Speaks An Oral History From The Revolution To The Present Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia Speaks An Oral History From The Revolution To The Present is one of the best book in our library for free trial. We provide copy of Russia Speaks An Oral History From The Revolution To The Present in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia Speaks An Oral History From The Revolution To The Present. Where to download Russia Speaks An Oral History From The Revolution To The Present online for free? Are you looking for Russia Speaks An Oral History From The Revolution To The Present PDF? This is definitely going to save you time and cash in something you should think about.
