Russia in the Age of Modernisation and Revolution 1881 - 1917 H. Rogger, 2014-07-30 Hans Rogger's study of Russia under the last two Tsars takes as its starting point what the Russians themselves saw as the central issue confronting their nation the relationship between state and society and its effects on politics economics and class in these critical years

Russian Nationalism Since 1856 Astrid S. Tuminez, 2000 This thoughtful book describes the range of nationalist ideas that have taken root in Russia since 1856 Drawing on a wide range of archival documents and unparalleled interview material from the post Soviet period Tuminez analyzes two cases_Russian panslavism in 1856 1878 and great power nationalism in 1905 1914_when aggressive nationalist ideas clearly influenced Russian foreign policy and contributed to decisions to go to war Yet not all forms of nationalism have been malevolent and the author assesses competing nationalist ideologies in the post Soviet period to clarify the conditions under which a particularly belligerent nationalism could flourish and influence Russian international behavior

Insurgency in Nepal Thomas A. Marks, 2003 *Two Shining Souls* James Cracraft, 2012-06-15 In his new book *Two Shining Souls* James Cracraft explores the decades long encounter of Jane Addams the famous American social reformer and peace activist with Leo Tolstoy the acclaimed Russian writer and sage He documents Tolstoy's influence in Progressive era America and particularly on Addams's career citing previously unknown or neglected sources In addition to her study of Tolstoy's writings his now largely forgotten religious tracts more than his celebrated fiction Addams traveled to Russia to see him personally a meeting that is recounted in detail Late in her life Addams described Tolstoy as a rare shining soul a term Cracraft suggests that applies

equally well to her His book adds an enduring religious dimension to Addams s rich legacy while newly delimiting by contrast the legacy of Tolstoy The story of Addams and Tolstoy brings into focus issues of continuing public concern including the often conflicting demands on the individual particularly women of family and society the legitimacy of violence in pursuit of political aims the problem of poverty the role of government in social reform and the place of religion in both public and private life The distinctive ways in which these emblematic figures dealt with such controversial issues offer insights that may be valuable even today Yet the single most important link between Addams and Tolstoy was their preoccupation with the question of peace which they understood as a value subsuming all other values or goods So Two Shining Souls is also about the invention and spread of pacifism in 19th century Europe and America and the great crisis in its history precipitated by World War I

Russian Workers And The Socialist-Revolutionary Party Through The Christopher J Rice,1988-06-07

Conservative Christian Politics in Russia and the United States John Anderson,2014-09-19 This book explores the politics of conservative Christian churches and social movements in Russia and the United States focusing on their similar concerns but very different modes of political engagement Whilst secularisation continues to chip away at religious adherence and practice in Europe religion is often quite rightly seen as an influential force in the politics of the United States and more questionably as a significant influence in contemporary Russia This book looks at the broad social movement making up the US Christian Right and the profoundly hierarchical leadership of the Russian Orthodox Church as socially conservative actors and some of the ways they have engaged in contemporary politics Both are seeking to halt the perceived drift towards a more secular political order both face significant challenges in handling the consequences of secularism pluralism and liberal individualism and both believe that their nations can only be great if they remain true to their religious heritage In exploring their experience the book focuses on shared and different elements in their diagnosis of what is wrong with their societies and how this affects their policy intervention over issues such as religious and ethnic belonging sexual orientation and education Drawing on political sociological and religious studies this work will be a useful reference for students and scholars of religion and politics Russian politics and American politics
