Outcome: Soviet Imperialism and the Fall of Communism

Russian And Soviet Imperialism

Karen Barkey, Mark Von Hagen

Russian And Soviet Imperialism:

Russian Imperialism Ariel Cohen, 1996-08-23 The fall of the Soviet Union was one of the most dramatic events of this century It was also one of the most surprising Evidence of the USSR s impending fall was abundantly available both in theory in the writings on empires and on the ground Yet prior to its downfall the very profession that specialized in the study of the Soviet Union held no consensus that the USSR was an empire to begin with Perhaps because many Sovietologists neglected its status as an empire most Americans were taken completely by surprise when the USSR began its precipitous collapse under Mikhail Gorbachev This book subjects the Soviet Union as an empire to systematic scrutiny using tools and methods at the disposal of modern political science Foreign policy specialists defense experts and Russian area analysts will find this book essential The book is also recommended for undergraduate and graduate courses in Russian and Soviet history and the study of empires *Russian and Soviet Imperialism* James Foote, 1972 *Soviet Imperialism* Waldemar Gurian, 1953

Soviet Russian Imperialism Victor S. Mamatey, 1964 Brief survey of the evolution of Soviet rule over many people of Europe and Asia and prospects for the future by a University of Florida historian *Empire De/Centered* Dr Maxim Waldstein, Dr Sanna Turoma, 2013-10-28 In 1991 the Soviet empire collapsed at a stroke throwing the certainties of the Cold War world into flux Yet despite the dramatic end of this last empire the idea of empire is still alive and well its language and concepts feeding into public debate and academic research Bringing together a multidisciplinary and international group of authors to study Soviet society and culture through the categories empire and space this collection demonstrates the enduring legacy of empire with regard to Russia whose history has been marked by a particularly close and ambiguous relationship between nation and empire building and between national and imperial identities Parallel with this discussion of empire the volume also highlights the centrality of geographical space and spatial imaginings in Russian and Soviet intellectual traditions and social practices underlining how Russia s vast geographical dimensions have profoundly informed Russia s state and nation building both in practice and concept Combining concepts of space and empire the collection offers a reconsideration of Soviet imperial legacy by studying its cultural and societal underpinnings from previously unexplored perspectives In so doing it provides a reconceptualization of the theoretical and methodological foundations of contemporary imperial and spatial studies through the example of the experience provided by Soviet society and culture *Soviet Historians and the Study of Russian Imperialism* George M. Enteen, Tatiana Gorn, Cheryl Kern, C. A. Kern-Simirenko, 1979

After Empire Karen Barkey, Mark Von Hagen, 2018-05-15 This volume brings together a group of some of the most outstanding scholars in political science history and historical sociology to examine the causes of imperial decline and collapse of the Russian Ottoman and Habsburg empires *Russian Imperialism* Dietrich Geyer, 1987-01-01 This book offers a fresh and stimulating analysis of the often elusive relationship between domestic and foreign policy in Russia before the First World War Dietrich Geyer one of Germany s leading historians of Russia discusses a wide variety of economic fiscal

institutional and ideological developments within imperial Russia In so doing he brings into sharp relief the difficulties faced by the ruling elites in maintaining Russia's great power position in Europe the Near East and the Far East Now available in English for the first time this widely acclaimed book will be welcomed as an indispensable resource by all those who were unable to read the original German edition By far the most perceptive knowledgeable and intelligent work on the last half century of imperial Russia in print Theodore H Von Laue Russian History This important tightly packed book analyzes the basic problems of Russian imperialism thoroughly and with enormous erudition Scholars concerned with imperialism and Russian domestic and foreign problems will welcome this thought provoking work David MacKenzie American Historical Review A convincing and important analysis of the mutual dependence of autocratic domestic and foreign politics This book ought to be the occasion for a renewed and wide discussion of Russian imperialism and should give rise to further studies of the question Alan Kimball Slavic Review This is a remarkably good book Good in many respects quality of research and writing breadth of view command of the facts balance and penetration in judgment familiarity with relevant theory The book represents a revived and deepened historicism Paul W Schroeder Journal of Modern History

Comparative Perspectives on Imperialism and Empire in Late Imperial Russia Moritz Deutschmann, 2011 Essay from the year 2009 in the subject History Europe Other Countries Modern Times Absolutism Industrialization European University Institute Department of History Florenz language English abstract There are few topics that have been as present in post Soviet histories as empire and its aftermath Tales of century long Russia oppression have become core elements of many historical narratives in the former Soviet republics In Western European scholarship concepts from imperial history and post colonial studies have had a big influence on the historiography of Russia and the Soviet Union However these are recent phenomena in most histories of Russia written in Russia or the Soviet Union itself as well as in the West before 1991 empire has been left out to an astonishing degree Only for the Soviet Union the so called nationality question was a larger topic appearing in Soviet praise for the friendship of the peoples or condemnation of anti Soviet nationalism and Great Russian chauvinism This essay picks up on some of these issues and looks at how various scholars interested in the imperial aspects of Russian history have put them into a comparative perspective Although the number of works is still limited especially compared to the huge number of studies on different Western European empires it is possible to draw some general conclusions This will also be helpful in considering to what extent Russian experiences could reflect back on more general theories of empire or post colonial studies

The Strategy of Russian Imperialism Martin Sicker, 1988-05-06 The USSR's different spheres of influence each present their own special problems This is particularly true of areas outside Eastern Europe and areas non contiguous with the borders of the USSR Sicker defines and clarifies the two major Soviet perceptions of policy that radically differ from most western perspectives patience with long term policy and the belief that class struggle law is of primary importance superseding even international law The first part of the book considers the pattern and process of expansion that has created

the USSR's current configuration in Eurasia. The chapters demonstrate that in many respects Soviet policies are similar in objective to their Czarist forerunners. Part II addresses current problems in Soviet geostrategic politics and includes discussions on their evolution and the necessity of their solution in order to preserve the viability of the USSR's spheres of influence.

Russian And Soviet Imperialism Introduction

In today's digital age, the availability of Russian And Soviet Imperialism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian And Soviet Imperialism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian And Soviet Imperialism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian And Soviet Imperialism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian And Soviet Imperialism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian And Soviet Imperialism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian And Soviet Imperialism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian And Soviet Imperialism books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian And Soviet Imperialism books and manuals for download and embark on your journey of knowledge?
