Russian Odyssey:

The Russian Odyssey Roy Dews, 2016-01-21 Russia and the Trans Siberian Railroad had been a great interest of author Roy Dews for many years. He then learned his brother in law Andy Anderson shared the same interest. An adventure was born. In *The Russian Odyssey* Dews recounts the details of the fifty two day journey he and Anderson experienced beginning June 7 of 1993. In this travelogue Dews narrates the ins and outs of trip that originated in Atlanta Georgia and took the pair to Warsaw Lithuania Latvia Estonia and Finland and culminated in a 5 810 mile trip on the Trans Siberian Railroad from Moscow to Vladivostok. Written in a diary format Dews shares the highs and lows and the challenges and successes as the pair traversed through Europe and Russia. With photos included *The Russian Odyssey* not only offers a recap of Dews experiences but it provides insight into the history culture people and sights and sounds of a travel abroad.

Russian Odyssey Nancy Seifer, 2003-06-18 *Russian Odyssey* is the story of a seeker whose quest leads her back to the unfinished business of a previous lifetime. Unaware of her soul's hidden agenda she first visits the Soviet Union as a citizen diplomat. While there she is inspired to write a book about the Soul of Russia. Through the ensuing interplay between her own soul and the Russian soul during the 1990s she ultimately discovers the purpose of her life's journey. *Russian Odyssey* is the outcome of her decade long struggle. It is an honest book about the challenges faced by seekers of Truth on the threshold of the Aquarian Age.

Russian Life, 2004 **Russian Saga** George Oscar Lee, 2000-10-01 **The "Russian" Civil Wars, 1916-1926** Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century. Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus. Contemporary memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire. The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks. Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow.

The Rebirth of the Russian Space Program Brian Harvey, 2007-05-10 This fifty years after Sputnik is the definitive book on the Russian space program. The author covers all the key elements of the current Russian space program including both manned and unmanned missions. He examines the various types of unmanned applications programs as well as the crucial military program and even analyzes the infrastructure of production launch centres and tracking. You'll also find discussion of the commercialization of the program.

and its relationship with western companies Russia's current space experiment is also put in a comparative global context Strong emphasis is placed on Russia's future space intentions and on new programs and missions in prospect **White Road** Olga Ilyin, 1984-01-01 Memoir of conditions in Russia during the Russian Revolution Published under the same title New York 1984 Atlanta, 2004-03 Atlanta magazine's editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region Atlanta magazine's editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region China's Russian Princess the Silent Wife Mark O'Neill, 2020-02-01 The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state Russian Writers on Translation Brian James Baer, Natalia Olshanskaya, 2014-07-16 Since the early eighteenth century following Peter the Great's policy of forced westernization translation in Russia has been a very visible and much discussed practice Generally perceived as an important service to the state and the nation translation was also viewed as a high art leading many Russian poets and writers to engage in literary translation in a serious and sustained manner As a result translations were generally regarded as an integral part of an author's oeuvre and of Russian literature as a whole This volume brings together Russian writings on translation from the mid 18th century until today and presents them in chronological order providing valuable insights into the theory and practice of translation in Russia Authored by some of Russia's leading writers such as Aleksandr Pushkin Fedor Dostoevskii Lev Tolstoi Maksim Gorkii and Anna Akhmatova many of these texts are translated into English for the first time They are accompanied by extensive annotation and biographical sketches of the authors and reveal Russian translation discourse to be a sophisticated and often politicized exploration of Russian national identity as well as the nature of the modern subject

Russian Writers on Translation fills a persistent gap in the literature on alternative translation traditions highlighting the vibrant and intense culture of translation on Europe's periphery Viewed in a broad cultural context the selected texts reflect a nuanced understanding of the Russian response to world literature and highlight the attempts of Russian writers to promote Russia as an all inclusive cultural model LIFE, 1949-04-25 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **Censorship across Borders** Alberto Lázaro, Catherine O'Leary, 2011-07-12 This volume brings together twelve essays which explore European censorship of English literature in the last century Taking into consideration the various social political and historical contexts in which literary controls were imposed and the extent to which they were determined by national and international concerns these essays comment on political and moral censorship self censorship and the role of the translator as censor Besides systematic state control other hidden and insidious forms of censorship are also surveyed in the essays This study considers why certain works and authors many of them now regarded as canonical were targeted in various states and often under opposing ideologies such as those dominated by conservative Catholic morality and those governed by communism or socialism The essays contain previously unpublished material cover a wide range of authors including Beckett Eliot Joyce and Orwell and analyse diverse censorship systems operating across Europe thus serving as a useful comparative resource Despite the variety of structures of suppression the study shows that certain common practices can be discerned across national borders and that general conclusions can be drawn about the complex and ambiguous nature of the state's relationship with culture and about the immediate and long term impact of censorship not only on the author and publisher but on society as a whole Finally the essays are also significant for what they tell us about the survival of literature despite the best efforts of the censors

Never Speak to Strangers and other writing from Russia and the Soviet Union David Satter, 2020-04-22 David Satter arrived in the Soviet Union in June 1976 as the correspondent of the Financial Times of London and entered a country that was a giant theater of the absurd After 1982 he was banned from the Soviet Union but allowed back in 1990 and finally expelled in 2013 on the grounds that the secret police regarded his presence as undesirable From 1976 to the present he saw four different Russias which differed from each other radically while remaining essentially the same From 1976 to 1982 the Soviet Union was at the height of its world power and its people were in thrall to an absurd ideology With the advent of Gorbachev's perestroika the Soviet population was liberated from the ideology and the state hurtled to its inevitable collapse When independent Russia emerged from the wreckage the failure to replace the missing ideology with genuine moral values led to Russia's complete criminalization The articles in this unique collection are a chronicle of Russia from the day David Satter arrived in the Soviet Union until the present Emigres from the states of the former Soviet Union often despair of their

inability to convey the true character of their experiences to the West Penetrating the veil of Russian mystification requires effort and the ability to understand that seeing is not always believing The Russians have created an entire false world for our benefit This collection reflects David Satter s 40 year attempt to see them as they are **An Unfinished Agenda** K Anji Reddy,2015-01-15 From his birth in a village in Andhra to founding and running Dr Reddy s Laboratories now one of India s largest pharmaceutical enterprises Dr K Anji Reddy s journey makes for an inspiring story That story is told rivetingly in his own words in his memoir An Unfinished Agenda Dr Anji Reddy became an entrepreneur at a time when India was woefully short of technology to manufacture many basic medicines Then in barely three decades the Indian pharmaceutical industry had grown to the point that India not only became self sufficient in medicine but also a supplier of affordable generic medicines to the world Dr Anji Reddy provides a ringside view of this remarkable transformation with fascinating anecdotes about those who made it happen The history of modern medicine is a gripping story of triumphs and failures An Unfinished Agenda takes the reader on a whirlwind tour of the science of medicine over the last hundred years and reminds us of the stark challenges that remain **Herald of the Star** ,1922 **Fascism in Manchuria** Susanne Hohler,2016-12-02 The history of the Russian fascist movement in Harbin Manchuria during the 1930s has become increasingly relevant to our understanding of modern Russia As a railway junction and an important centre of the Jewish Diaspora the city of Harbin became a focus of Russian emigration to Manchuria in the early 1930s partly because of its proximity to the resource rich Manchurian plains In this multicultural and cosmopolitan setting the first Russian fascist groups were established Based on an analysis of Russian civil society Fascism in Manchuria sheds light on the impact of the newly founded All Russian Fascist Party on the Russian emigre community employing the concept of dark civil society Suzanne Hohler demonstrates how fascist involvement in local civil society increasingly determined public opinion examining the power of the military organizations the symbols and style of the fascist organizations the cult of the leader as well as the public relations activities of the fascist organizations and of the so called Russian Club In this context the book provides not only insights into the history and ideology of the far eastern branch of Russian fascism and its transnational connections but also touches upon a variety of issues of daily life in the city issues such as education drug addiction and hooliganism among Russian youth the local YMCA the famous Kaspe kidnapping and the rise of anti Semitism Fascist literature from Harbin is being republished in today s Russia and Fascism in Manchuria provides an important historical context for the thinking and motives which drive the Russian right *The Jews of China: Historical and comparative perspectives* Jonathan Goldstein, Frank Joseph Shulman,1999 An impressive interdisciplinary effort by Chinese Japanese Middle Eastern and Western Sinologists and Judaic Studies specialists these books scrutinize patterns of migration acculturation assimilation and economic activity of successive waves of Jewish arrivals in China from approximately A D 1100 to 1949 [Encyclopedia of Politics](#) Rodney P.
