Assignment Moscow James Rodgers, 2020-06-25 The story of western correspondents in Russia is the story of Russia's attitude to the west Russia has at different times been alternately open to western ideas and contacts cautious and distant or for much of the twentieth century all but closed off From the revolutionary period of the First World War onwards correspondents in Russia have striven to tell the story of a country known to few outsiders Their stories have not always been well received by political elites audiences and even editors in their own countries but their accounts have been a huge influence on how the West understands Russia Not always perfect at times downright misleading they have overall been immensely valuable In *Assignment Moscow* former foreign correspondent James Rodgers analyses the news coverage of Russia throughout history from the coverage of the siege of the Winter Palace and a plot to kill Stalin to the Chernobyl explosion and the Salisbury poison scandal

Journalism and the American Experience Bruce J. Evensen, 2018-02-12 *Journalism and the American Experience* offers a comprehensive examination of the critical role journalism has played in the struggle over America's democratic institutions and culture Journalism is central to the story of the nation's founding and has continued to influence and shape debates over public policy American exceptionalism and the meaning and significance of the United States in world history Placed at the intersection of American Studies and Communications scholarship this book provides an essential introduction to journalism's curious and conflicted co-existence with the American democratic experiment

A Ride to Khiva Fred Burnaby, 1876 *Stalin's Apologist* S. J. Taylor, 2020-02-21 Short unattractive hobbling about Stalin's Moscow on a wooden leg Walter Duranty was an unlikely candidate for the world's most famous foreign correspondent Yet for almost twenty years his articles filled the front page of *The New York Times* with gripping coverage of the aftermath of the Russian Revolution A witty engaging impish character with a flamboyant life style he was a Pulitzer Prize winner the individual most credited with helping to win the U.S. recognition for the Soviet regime and the reporter who had predicted the success of the Bolshevik state when all others claimed it was doomed But as S. J. Taylor reveals in this provocative biography Walter Duranty played a key role in perpetrating some of the greatest lies history has ever known *Stalin's Apologist* deftly unfolds the story of this accomplished but sordid and tragic life Drawing on sources ranging from newspapers to private letters and journals to interviews with such figures as William Shirer and W. Averell Harriman Taylor's vivid narrative unveils a figure driven by ambition whose early success reporting on Bolshevik Russia he was foremost in predicting Stalin's rise to power established his international reputation fed his overconfident contempt for his colleagues and indeed led him to identify with the Soviet dictator Thus during the great Ukrainian famine of the early 1930s which Stalin engineered to crush millions of peasants who resisted his policies Duranty dismissed other correspondents' reports of

mass starvation and though secretly aware of the full scale of the horror effectively reinforced the official cover up of one of history's greatest man made disasters Later he took the rigged show trials of Stalin's Great Purges at face value blithely accepting the guilt of the victims He believed himself the leading expert on the Soviet Union and his faith in his own insight drew him into a downward spiral of distortions and untruths typified by his memorable excuse for Stalin's crimes You can't make an omelet without breaking eggs Taylor brilliantly captures the full range of Duranty's astonishing life from his participation in the Satanic orgies of Aleister the Beast Crowley to his dramatic front line reporting during World War I to his epic womanizing and heavy drug and alcohol abuse It is the bitter ironic story of a man who had the rare opportunity to bring to light the suffering of the millions of Stalin's victims but remained a prisoner of vanity self indulgence and success

Staff Rides and Regimental Tours Sir Richard Cyril Byrne Haking,1908 *The Geographical Journal* ,1923 Includes the Proceedings of the Royal geographical society formerly pub separately **Blood Rock** Ralph Cotton,2018-10-20 Where Legend Begins Years before he became famous as The Ranger young Samuel Burrack was a buffalo hunter trying his hand at enterprise on the Western Frontier When his best friend is murdered his first instinct is simple find the killers and deliver justice Joined by legendary Ranger Clyde Outrider Sazes Samuel learns how to track hunt and shoot from the best in the territory But when the badmen split up so must the partners and Samuel soon finds himself alone in the very town the gang has chosen as a rendezvous Befriended and further taught the skills of the killing trade by Lawrence Shaw aka Fast Larry the Fastest Gun Alive the newly deputized Samuel will have to muster all of his strength courage and skill against a batch of murderous thieves whose only desire is to kill and conquer For Samuel Burrack it is his first fight to the death and his first step toward becoming a legend **Instruction on Equitation** United States.
