Ruth Thru The Bible Commentary Series Volume 11:

A Layman's Look at Ruth Benjie Ewing, 2022-04-19 A Layman's Look at Ruth provides pastors Sunday school teachers evangelists and any student of the Bible with a comprehensive insight into the story of Ruth and her kinsman redeemer Boaz She journeys to a land foreign to her with her mother in law Due to her faith in the God of Israel she and her mother in law are sustained She eventually learns that Boaz is a relative of her late husband and that she has the right to claim him as her husband She does and her family becomes part of the lineage of King David and the Lord Jesus She is faithful when many would have faltered and she is loyal to her family and her God It is a story of love and suspense and this simple commentary's goal is to give readers a better understanding of this wonderful book **The Layman's Christology of the Pentateuch**

Pastor David L. Carpenter, Jr., 2014-04-10 The book was written in light of the many challenges I faced as a student in seminary I found it quite difficult to find books on simple Christology Not only were the numbers of available Christological books few but when I did find books they represented very little Christology and referenced much theology and unnecessary reading What I needed was a resource with reference to help me out and not a scholarly work that embedded denominational values I needed a book that condensed many different Christological viewpoints into an easy to read resource that was practical applicable and with cross reference information That is why I penned this book The book is an assimilation of my Christological studies with secondary resources Therefore the book is short rich in information and short in explanation intentionally done as a reference resource The book is intended to stimulate the undergraduate and graduate student The book has been very useful for some of my friends regarding Bible study and Sunday morning sermons The resource is well displayed in the table of contents and easy to understand The book gives examples of Christological studies throughout the Pentateuch The book is by no means an exhaustive resource but one that lifts the fingerprints of Christ's presence in the OT while still allowing for the reader to make their own Christological discoveries **The Branch Exposition of the Bible,**

Volume 1 Michael A. Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture *The Birth Report Genre in the*

Finlay, 2005 Timothy D Finlay conducts a comprehensive analysis of all birth reports in the Hebrew Bible These passages include genealogies stories of annunciation to barren women and prophetic narratives The birth reports may be short but they contribute greatly to the plot BOOK JACKET **The Branch Exposition of the Bible, Volume 2** Michael A. Eaton, 2024-09-30 A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and ordinary Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit Together with the New Testament volume this exposition of the Old Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture
