Sacrament Of Sexuality:

Sacrament of Sexuality Morton T. Kelsey, 1991 **Sacrament of Sexuality** Morton Kelsey, Barbara Kelsey, 1994-06-01
From celibacy to family from hetero to homosexuality and from the relationship of sexuality to scripture relationships marriage psychology and love **Seven Sacraments for Everyone** Dale F. Coye, 2014-03-31 Millions of Christians are abandoning their churches to become spiritual seekers but now find themselves adrift Without the church what do we believe in Where do we look for the Sacred in our lives The seed of an answer can be found in the Roman Catholic sacraments but with a shift in focus from rites and rituals to human experience It s not baptism it s the birth of a child that is holy It s not the wedding ceremony it s the sublime oneness we feel in the arms of our best beloved that lifts us into the realm of the Divine Seven Sacraments for Everyone maps the roads that lead to these out of this world experiences and into the heartland of the Sacred By acknowledging these moments of Mystery and teaching our children to respect them we will find the clues to a universal moral code on which to build a healthier more meaningful world Christian Perspectives on Sexuality and Gender Elizabeth Stuart, Adrian Thatcher, 1996 This collection of articles present a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family *Human Sexuality in the Catholic Tradition* Kieran Scott, Harold Daly Horell, 2007 Contemporary culture provides conflicting and confusing messages about the meaning and purpose of human sexuality and often sex education that is offered often does not promote a mature integrated understanding of sexuality Human Sexuality in the Catholic Tradition meets the great need for pastoral guidance in addressing moral issues of sexuality in both the Church and broader culture today Kieran Scott and Harold Horell explore with other leading scholars how to draw from the best Christian faith traditions to renew our understanding of sexuality explore the integration of our sexuality and our spirituality and develop life affirming and life sustaining ways of approaching contemporary sexual issues This book explores sexuality from spiritual psychological moral and ministerial perspectives and addresses specific issues such as sex and marriage celibacy homosexuality and cohabitation **Marital Sexuality** Cintolesi Galmez, Lorenzo, Ortiz Petersen, Carla, 2015-02-10 The married couple has the privilege of being co creator with God to have children hand in hand with God and to transmit his life Something that is highlighted in the encyclical *humanae Vitae* is the serious duty of transmitting human life has always been for the couple as free and responsible collaborators of God the Creator his holiness Paul VI speaks of serious duty because of the huge importance that entails the wonderful mission of having children however it must be done in an atmosphere of responsible parenting in the task of regulating each conception and the responsibility that has to do with answering and addressing the needs of another on the one hand the needs of the unborn child in addition to that of those already born plus the ability of parents to develop their parenting in all of its capacity and finally Gods needs to transcend within humanity **Sexual Reformation?** Manitzka Kotze, Nadia Marais, Nina Muller van Velden, 2022-02-28 Inasmuch as

sex and sexuality are not words often spoken from pulpits and in academic theological circles a vast number of utterances have been made in the name of so called Christian values and biblical views on sex and sexuality These are often given from moral ethical perspectives and seemingly very prescriptive who should have sex with whom when sex should take place which purposes sex should serve and especially when sex is wrong Moreover often there is little or no recognition of the complexities surrounding human sexuality resulting in what appears to be a blueprint for sexuality applicable to all persons This volume contains fourteen theological and ethical reflections by South African scholars on human sexuality with the aim of exploring what a sexual reformation within Christian dialogue might entail Presented in three sections namely systematic theological reflections biblical reflections and ethical reflections the essays represent a range of topics from a variety of perspectives Luther and marriage sexual abuse in the Catholic Church body theology and the sexual revolution reproductive technologies sexuality and reproduction reproductive loss hermeneutical choices and gender reformation in South Africa queer engagements with bra Joseph explorations on Paul and sex rape culture and violent deities the church s moral authority and sexual ethics practical theological considerations regarding infertility empirical research on masculinities in Zambia and the lived experience of transgender people in African Independent Churches

The Oxford Handbook of Theology, Sexuality, and Gender Adrian Thatcher, 2015 The Oxford Handbook of Theology Sexuality and Gender presents an unrivalled overview of the theological study of sexuality and gender These topics are not merely contentious and pervasive they have escalated in importance within theology Theologians increasingly agree that even the very doctrine of God cannot be contemplated without a prior grappling with each Featuring 41 newly commissioned essays written by some of the foremost scholars in the discipline this authoritative collection presents and develops the latest thinking in these areas Divided into eight thematic sections the Handbook explores methodological approaches contributions from neighbouring disciplines sexuality and gender in the Bible and in the Christian tradition controversies within the churches and within four of the non Christian faiths and key concepts and issues The final extended section considers theology in relation to married people and families gay and lesbian people bisexual people intersex and transgender people disabled people and to friends This volume is an essential reference for students and scholars which will also stimulate further research

A Guide to the Sacraments John Macquarrie, 2013-01-26 A highly acclaimed account of the sacramental principle and the seven sacraments of the church

Seven Sacraments Anselm Grun, 2006-01-01 The sacraments are signs of how the Church actually treats such major themes as birth and death health and sickness growing up love responsibility mission and guilt and acts with regard to them These are central topics addressed by all the sacraments The best selling Benedictine Fr Anselm Grun applies his extensive counselling experience great fund of common sense biblical insight and analytical training to the seven sacraments recognized by the Catholic Church Baptism Eucharist or Communion Confirmation Reconciliation Penance or Confession Marriage Ordination and Anointing of the Sick Each sacrament s meaning is examined as well as its history its

form past and present and its impact on the life of those who receive it and those who administer it. Grun also suggests how the sacraments could be made more relevant to Christians living in the twenty first century.
