A Companionable Way Lisa M. Hess, 2016-09-16 In today's polarized publics we are rarely prepared to encounter one another peaceably and deeply across irreconcilable difference. *A Companionable Way* invites inquisitive minds, body, souls, and spiritual hearts into the delightful but demanding inner work required for peaceable encounters with integrity across interreligious and intercultural difference. Unmet yearnings and the unconscious refusal of deep feeling in so many of our cultures need redress not only within scholarly analytical habits of mind but also in aging communal containers not adept at holding deep feeling without harm. Ancient but new containers today: webs of spiritual friendship and circle way communities of practice offer hope for new learning and formative encounters with difference toward an expressive delight able to companion the suffering of self and others. Part memoir of a deep feeling academic, part toolbox for the curiously contemplative, *A Companionable Way* witnesses to the deeply rooted Sacred available to each of us in a return to the body, devotion in conscious love, and new ways of being human together across irreconcilable difference held gently in a patient and living wisdom particular to each but needed by all.

Ritual and Symbol in Peacebuilding Lisa Schirch, 2005 Serves as a guide to using ritual acts in peacebuilding efforts. Abundant with examples of symbolic acts that aided the peace process. Conflict is dramatic. In theater, literature, story telling, and news reporting, it is a powerful mechanism that draws attention, heightens the senses, and evokes emotion. Schirch argues that peacebuilding has the potential to do just the same. Examples of peacebuilding often center on the serious, rational negotiations and formal problem solving efforts in conflict situations. Schirch argues though that what truly bonds adversaries and helps achieve peace are the symbolic, non-verbal ritual acts: shaking hands, sharing a meal, showing a photograph of a loved one. Yet these are often overlooked as deliberate components of peace negotiations. *Ritual and Symbol in Peacebuilding* underscores the importance of incorporating symbolic tools, including ritual, into traditional approaches to conflict. Ritual assists in solving complex, deep-rooted conflicts and helps to confirm and transform worldviews, identities, and relationships. With theories and language to explain the symbolic dimensions of conflict, this text will be useful to scholars and practitioners active in the diverse field of peacebuilding.

Tarot Shadow Work Christine Jette, 2000 In *Tarot Shadow Work*, Christine Jette bravely takes the practice of tarot readings to new depths and places many people fear to go. She shows us how we can use the cards to trigger awareness in ourselves of troubling aspects of our lives and histories and then go beyond discovery to use the cards as tools for healing. This is part of the work that needs to be done with tarot in this new century. Rachel Pollack, author of *78 Degrees of Wisdom* and the forthcoming *Shining Tribe Tarot*. Deep within our psyches, the unconscious holds our forbidden feelings, secret wishes, and creative urges. Over time, these dark forces take on a life of their own and form the shadow, a powerful force of unresolved inner conflicts and unexpressed emotions that defies our efforts to control it. The shadow takes its shape from a menagerie of archetypes, each recognizable throughout time and around the world: troubling characters who thrive within our persona. The shadow is saboteur, martyr, victim, addict, sadist, masochist, or tyrant, all the dark figures that prey on the lighter.

qualities of the human personality The shadow also represents those latent talents and positive traits that were banished from us at some time along our life path artistic musical athletic or creative talents An undeveloped ability a dream that has gone unexpressed a fantasy of what might have been these too make up the personal shadow the lost parts of ourselves Tarot Shadow Work shows you how to free yourself from the shackles of the shadow s power Through tarot work journaling meditation creative visualization and dream work you will bring the shadow into the light This book is ideal for those who are in recovery from a serious addiction or illness as well as any person seeking a deeper understanding of his or her true self By exploring the dark and uncharted territory of the unconscious mind you will work towards understanding and integrating the shadow No prior knowledge of the tarot is required You will learn to use the cards as a tool to help you break free from negative patterns and self destructive behavior Once we realize that we are made of both light and darkness life will start to make sense When we accept our dual natures we stop sabotaging our own efforts and learn to be compassionate with others and with ourselves
