War on Sacred Grounds Ron E. Hassner, 2025-05-15 In *War on Sacred Grounds* Ron E Hassner investigates the causes and properties of struggles over sites that are both venerated and contested and proposes ways for managing these disputes Holy places can create the potential for clashes not only between competing religious groups but also between religious groups and secular actors Hassner illustrates this complex violent dynamic through a series of case studies including the conflict over Jerusalem and competing Hindu and Muslim claims over Ayodhya He also analyses successful compromises that reduced conflict in Jerusalem in 1967 and in Mecca in 1979 In this updated edition of *War on Sacred Grounds* Hassner reevaluates his findings and conclusions and surveys ongoing conflicts over holy sites *War on Sacred Grounds* Ron E. Hassner, 2010-12-15 Sacred sites offer believers the possibility of communing with the divine and achieving deeper insight into their faith Yet their spiritual and cultural importance can lead to competition as religious groups seek to exclude rivals from practicing potentially sacrilegious rituals in the hallowed space and wish to assert their own claims Holy places thus create the potential for military theological or political clashes not only between competing religious groups but also between religious groups and secular actors In *War on Sacred Grounds* Ron E Hassner investigates the causes and properties of conflicts over sites that are both venerated and contested he also proposes potential means for managing these disputes Hassner illustrates a complex and poorly understood political dilemma with accounts of the failures to reach settlement at Temple Mount Haram el Sharif leading to the clashes of 2000 and the competing claims of Hindus and Muslims at Ayodhya which resulted in the destruction of the mosque there in 1992 He also addresses more successful compromises in Jerusalem in 1967 and Mecca in 1979 Sacred sites he contends are particularly prone to conflict because they provide valuable resources for both religious and political actors yet cannot be divided The management of conflicts over sacred sites requires cooperation Hassner suggests between political leaders interested in promoting conflict resolution and religious leaders who can shape the meaning and value that sacred places hold for believers Because a reconfiguration of sacred space requires a confluence of political will religious authority and a window of opportunity it is relatively rare Drawing on the study of religion and the study of politics in equal measure Hassner's account offers insight into the often violent dynamics that come into play at the places where religion and politics collide *The Mortal's Journey to Immortality* San LiuXiuCai, 2019-11-21 The great tribulation of the Primordial Era had the dancing of Fiendgods and Fiendgods the pacification of Elder Gods and the three parts of the Ancestral Star leaving behind the primordial era of spacetime and time to last forever The Sword God was heavily injured in the Ancient Void Cave and couldn't be cured He forcefully opened the Ancient Path of Space and Time to return to Earth leaving behind his legacy for fate This was a lucky chance that Gu Juntian had come across on Earth Once he became a god he would rule the Heaven Realm for 100 thousand years He deeply missed his parents and his wife returning to earth after suffering so much and becoming a mortal And now that the Three Realms had come to an end Juntian
