Mastering Community Christine Porath, 2022-03-08 From the author of Mastering Civility a thoroughly researched exploration of the impact and importance of building thriving communities with actionable steps on how to create them in your work and broader life In her powerful new book Christine Porath explores how the rise of technology and modern workplace practices have fractured our communications yet left us always on digitally Through now common practices like hot desking and

remote work even without the added isolation of social distancing we experienced during the pandemic our human interactions have decreased and so too have our happiness levels This lack of a human factor is sparking a crisis in mental health that will have repercussions for years to come leaving people lonelier and making the bottom line suffer too What Christine has discovered in her research is that leaders organizations and managers of all stripes may recognize there is a cost but have no idea as to implement the cure Community With her signature depth and grasp of research across myriad industries including business healthcare hospitality and sports Christine extrapolates from the statistics on the experiences of hundreds of thousands of people across six continents to show us the potential for change Through sharing information about the community empowering decision making discretion and autonomy creating a respectful environment offering feedback providing a sense of meaning and boosting member well being anyone can help a community truly flourish The applications are endless the stories are positive and uplifting and will inspire the reader to establish and grow their community be it in the workplace or the PTA and make it thrive
