Time and Sacrifice in the Aztec Cosmos Kay Almere Read,1998-07-22 This introduction to the imaginative world of the Mexica or Aztec explores sacrifice in the richly textured life of 16th century Mexico Kay Almere Read describes a universe in which every object was timed by a given lifespan and in which sacrifice was the mechanism by which time functioned This book makes a convincing case for what sacrifice meant religiously and for how it came to be that human sacrifice of staggering proportions could be accepted matter of fact by the Mexica people **Encyclopædia of Religion and Ethics: Sacrifice-Sudra** James Hastings,John Alexander Selbie,Louis Herbert Gray,1920 Scope theology philosophy ethics of various religions and ethical systems and relevant portions of anthropology mythology folklore biology psychology economics and sociology Sacrifice and Modern Thought Julia Meszaros,Johannes Zachhuber,2013-09 Leading specialists in theology anthropology religious studies and history elucidate the modern debate about sacrifice from interest shown in the sixteenth century through to the present day Individual chapters discuss anthropological theories theological controversies philosophical interpretations and literary uses of sacrifice **Journal of the Royal Asiatic Society** ,1889 Monthly Bulletin of Books Added to the Public Library of the City of Boston ,1901 **Bulletin of the Public Library of the City of Boston** Boston Public Library,1902 Report ,1920 **Report of the Anglo-Catholic Congress** ,1920 **Report of the First Anglo-Catholic Congress, London, 1920** ,1920 The Sacrifice of Manhood Conrad Riker, Why Your Duty Is Killing You And How to Reclaim Your Power Without Apology Are society's expectations exploiting your biological programming Are

At the dawn of the twentieth century while Lima's aristocrats hotly debated the future of a nation filled with Indians thousands of Aymara and Quechua Indians left the pews of the Catholic Church and were baptized into Seventh day Adventism One of the most staggering Christian phenomena of our time the mass conversion from Catholicism to various forms of Protestantism in Latin America was so successful that Catholic contemporaries became extremely anxious on noticing that parts of the Indigenous population in the Andean plateau had joined a Protestant church In *Sacrifice and Regeneration* Yael Mabat focuses on the extraordinary success of Seventh day Adventism in the Andean highlands at the beginning of the twentieth century and sheds light on the historical trajectories of Protestantism in Latin America By approaching the religious conversion among Indigenous populations in the Andes as a multifaceted and dynamic interaction between converts missionaries and their social settings and networks Mabat demonstrates how the religious and spiritual needs of converts also brought salvation to the missionaries Conversion had important ramifications on the way social political and economic institutions on the local and national level functioned At the same time socioeconomic currents had both short term and long term impacts on idiosyncratic religious practices and beliefs that both accelerated and impeded religious change Mabat's innovative historical perspective on religious transformation allows us to better comprehend the complex and often contradictory way in which Protestantism took shape in Latin America *Creativity as Sacrifice* James M. Watkins,2015
