Sacrifices A Novel Of The Vietnam War:

Sacrifices James Nathan Post, 2001-04-02 Somebody has to make the sacrifices Warrant Officer Kevin Harrey's young wife Carlie told him when he left home to fly Army helicopter gunships in Vietnam Though highly decorated as a combat hero he came home in disgrace for smoking marijuana Eddie Padilla was his mother's sacrifice but all he wanted was to impress his buddy Big Roger Stanton Battle scarred Major Jake Csynes needed the war professionally and personally and he expected his gun packing Daggers to back him up all the way and beyond Though fictional the combat action is thrillingly authentic and the postwar drama of those who went those who died and those who waited for them is moving and provocative even after so much has been written and so long has passed

The Vietnam War in Popular Culture Ron Milam, 2016-11-07 Covering many aspects of the Vietnam War that have not been addressed before this book supplies new perspectives from academics as well as Vietnam veterans that explore how this key conflict of the 20th century has influenced everyday life and popular culture during the war as well as for the past 50 years How did the experience of the Vietnam War change the United States not just in the 1950s through the 1970s but through to today What role do popular music and movies play in how we think of the Vietnam War How similar are the recent wars in Iraq and Afghanistan and now Syria to the Vietnam War in terms of duration cost success and failure rates and veteran issues This two volume set addresses these questions and many more examining how the Vietnam War has been represented in media music and film and how American popular culture changed because of the war Accessibly written and appropriate for students and general readers this work documents how the war that occurred on the other side of the globe in the jungles of Vietnam impacted everyday life in the United States and influenced various entertainment modes It not only covers the impact of the counterculture revolution popular music about Vietnam recorded while the war was being fought and after and films made immediately following the end of the war in the 1970s but also draws connections to more modern events and popular culture expressions such as films made in the aftermath of September 11 2001 Attention is paid to the impact of social movements like the environmental movement and the civil rights movement and their relationships to the Vietnam War The set will also highlight how the experiences and events of the Vietnam War are still impacting current generations through television shows such as *Mad Men*

Sacrifice and Modern War Literature Alex Houen, Jan-Melissa Schramm, 2018 This book explores how writers from the early nineteenth century to the present have addressed the intimacy of sacrifice and war Each chapter presents fresh insights into the literature of a particular conflict The range of literature examined complements the rich array of topics related to wartime sacrifice that the contributors discuss

Sacrifice and Modern War Writing Alex Houen, 2024-09-05 *Sacrifice and Modern War Writing* presents the most extensive study to date of twentieth and twenty first century war writing Examining works by over 110 authors Alex Houen surveys how war writing explores sacrifice in relation to major modern and contemporary conflicts from the First World War to the War on Terror Various conceptions of sacrifice are

examined including Christian Jewish Islamic and secular The discussion ranges across literary portrayals of multiple sacrificial practices including ancient rituals of child sacrifice martyrdom scapegoating and suicide bombing Houen builds an innovative interdisciplinary approach to how war sacrifice and their representations interrelate and a wide range of Anglophone literature is discussed including novels memoirs short stories essays manifestoes elegies ballads and lyric poetry Whereas critics and theorists have tended to emphasize that war's reality exceeds any attempt to represent it Houen contends that political religious and cultural frames of sacrifice have continued to play a significant part in shaping how war's reality is shaped and experienced Those frames are inextricably tied to modes of representation which include symbolism and mimesis *Sacrifice and Modern War Writing* explores how sacrificial killing in war is itself riddled with symbolic transfigurations and mimetic exchanges and it builds a fresh approach by arguing that the figurative and imaginative aspects of literary writing ironically become its very means of engaging closely with the reality of war's sacrifices That approach also develops by using the literary analyses to critique and revise various prominent theories of sacrifice and war

The Vietnam War Brenda M. Boyle, 2014-12-18 Reverberations of the Vietnam War can still be felt in American culture The post 9 11 United States forays into the Middle East the invasion and occupation of Iraq especially have evoked comparisons to the nearly two decades of American presence in Viet Nam 1954 1973 That evocation has renewed interest in the Vietnam War resulting in the re printing of older War narratives and the publication of new ones This volume tracks those echoes as they appear in American Vietnamese American and Vietnamese war literature much of which has joined the American literary canon Using a wide range of theoretical approaches these essays analyze works by Michael Herr Bao Ninh Duong Thu Huong Bobbie Ann Mason le thi diem thuy Tim O'Brien Larry Heinemann and newcomers Denis Johnson Karl Marlantes and Tatjana Solis Including an historical timeline of the conflict and annotated guides to further reading this is an essential guide for students and readers of contemporary American fiction

Critical Theology against US Militarism in Asia Nami Kim, Wonhee Anne Joh, 2016-12-24 Drawing on cultural studies scholar Kuan Hsing Chen's threefold notion of decolonization deimperialization and de cold war this book provides analyses of the interrelated issues concerning the relationship between Christianity and the United States imperialist militarism in the Asia Pacific Contributors explore the effects of US imperialist militarism on the formation of Asian and Asian American collective subjectivity and inter intra subjectivity The book investigates the ways in which Christianity broadly defined in its own complexity has been complicit in maintaining and reinforcing US imperialist military agendas in both national and international contexts Conversely the volume also discusses the various sites and instances where Christianity has managed to serve as a force of resistance against US imperialist militarism

What We Sacrifice for Magic Andrea Jo DeWerd, 2024-09-24 Perfect for fans of *Practical Magic* and *The Lager Queen of Minnesota* a coming of age novel following three generations of witches in the 1960s this enchanting and heartwarming debut explores the importance of family and the delight and heartbreak of discovering who you truly are It's

1968 and the Watry Ridder family is feared and respected in equal measure The local farmers seek out their water charms and the teenagers their love spells The family s charms and spells passed down through generations of witches descending from the Black Forest have long served the small town of Friedrich Minnesota Eldest daughter Elisabeth has just graduated high school she is expected to hone her supernatural abilities to take over for her grandmother the indomitable Magda She s also expected to marry her high school sweetheart and live the rest of her life in Friedrich But all she can ask is why her Why is her path set in stone and what else might be out there for her She soon discovers that magic isn t the only thing inherited in her family That magic also comes with a great price and a big family secret The more she digs the more questions she has and the less she trusts the grandmother she thought she knew Who is Elisabeth without her family She must ultimately decide what she s willing to sacrifice for her family for their secrets and their magic or risk it all to pave her own way Navigating the bittersweet tension between self discovery and living up to familial expectations What We Sacrifice for Magic is a touching look at coming into one s own *Between Sacrifice and Desire* Ashley Pettus,2004-03-01 This title explores the role of women in the politics of national identity in Vietnam Drawing on diverse primary resources including state news media government contests tabloid journalism and extensive interviews the author examines the intimate connection between notions of Vietnamese femininity and the cultural quandaries of modernity in post colonial Vietnam The book covers the socialist and market reform periods from the 1950s through the 1990s and examines women s central place as both symbols and disciplined subjects in Vietnam s socialist modernization and ongoing capitalist transition **Silence and Sacrifice** Merav Shohet,2021-04-20 How do families remain close when turbulent forces threaten to tear them apart In this groundbreaking book based on more than a decade of research set in Vietnam Merav Shohet explores what happens across generations to families that survive imperialism war and massive political and economic upheaval Placing personal sacrifice at the center of her story Shohet recounts vivid experiences of conflict love and loss In doing so her work challenges the idea that sacrifice is merely a blood filled religious ritual or patriotic act Today domestic sacrifices made largely by women precariously knot family members together by silencing suffering and naturalizing cross cutting gender age class and political hierarchies In rethinking ordinary ethics this intimate ethnography reveals how quotidian acts of sacrifice help family members forge a sense of continuity in the face of trauma and decades of dramatic change Abraham on Trial Carol Delaney,2020-09-01 Abraham on Trial questions the foundations of faith that have made a virtue out of the willingness to sacrifice a child Through his desire to obey God at all costs even if it meant sacrificing his son Abraham became the definitive model of faith for the major world religions of Judaism Christianity and Islam In this bold look at the legacy of this biblical and qur anic story Carol Delaney explores how the sacrifice rather than the protection of children became the focus of faith to the point where the abuse and betrayal of children has today become widespread and sometimes institutionalized Her strikingly original analysis also offers a new perspective on what unites and divides the peoples of the sibling religions

derived from Abraham and implicitly a way to overcome the increasing violence among them Delaney critically examines evidence from Jewish Christian and Muslim interpretations from archaeology and Freudian theory as well as a recent trial in which a father sacrificed his child in obedience to God's voice and shows how the meaning of Abraham's story is bound up with a specific notion of fatherhood The preeminence of the father which is part of the meaning of the name Abraham comes from the still operative theory of procreation in which men transmit life by means of their seed an image that encapsulates the generative creative power that symbolically allies men with God The communities of faith argue interminably about who is the true seed of Abraham who can claim the patrimony but until now no one has asked what is this seed Kinship and origin myths the cultural construction of fatherhood and motherhood suspicions of actual child sacrifices in ancient times and a revisiting of Freud's Oedipus complex all contribute to Delaney's remarkably rich discussion She shows how the story of Abraham legitimates a hierarchical structure of authority a specific form of family definitions of gender and the value of obedience that have become the bedrock of society The question she leaves us with is whether we should perpetuate this story and the lessons it teaches
