have always been totally separate Until now Vatar risked his life to try to save his friend and failed Now he has an implacable enemy in the shaman who blames Vatar for the death of his only son He s forced to flee his home at least until the shaman s thirst for revenge cools Taking shelter with his mother s people in one of the coastal cities Vatar learns more than he bargained for He agreed to learn to work iron and steel but he never suspected to find a magical heritage as well And that s a problem A huge problem Because unlike their own Spirit magic his people regard the city magic as the work of Evil Spirits If the shaman ever found out about this it could be the weapon he needs to destroy Vatar And yet finding a way to accept the other side of his heritage may be the only way Vatar can ultimately defeat his enemy and win more than his freedom
