Long Night's Loving Anne Mather, 2015-08-17 He could still make her want him Maggie would never have made the journey to Northumberland to see her ex husband if it hadn't been for their rebellious teenage daughter Lindsey had formed a disastrous relationship and Neil was the only person who could help Clearly Maggie's treacherous betrayal some years ago still rankled with Neil because why else would he so provoke and humiliate her She was ashamed of the fact that he could still make her want him while seemingly remaining detached himself Surely he must be involved enough to want to help Lindsey even if he suspected she might be another man's child *The Long Night* Jessica Kantrowitz, 2020-05-19 You've done what you can you've seen your doctor made an appointment with a therapist picked up the prescription for the antidepressant and swallowed that first strange pill But it can take four to eight weeks for the meds to start to work and it might take two or more tries before you and your doctor find the ones that work best for you When you're in the midst of terrible depression those weeks can feel like an eternity You just want to feel better now This book is for those who are in the long night of waiting It does not promise healing or deliverance it is not a guide to praying away the depression It is simply an attempt to sit next to you in the dark while you wait for the light to emerge Drawing on the wisdom of spiritual figures from the past and present including Henri Nouwen Thomas Merton Barbara Brown Taylor Bunmi Laditan and many others *The Long Night* is a comforting and inspirational companion for anyone in the midst of depression Writer editor and minister Jessica Kantrowitz has been where you are As a mentor and friend she will walk with you on this journey toward life and light

Dishonourable Intent Anne Mather, 2011-07-15 He had to protect her from himself Life was complicated enough for William Quentin without his ex wife turning up on his doorstep He'd been crazy about Francesca and the agony of her betrayal still haunted him Will knew he should heed his grandmother's warnings but he couldn't turn Francesca away especially as she was in fear for her life Always so in control of her emotions Francesca's unexpected vulnerability threatened to topple all of Will's resistance to her But what chance was there for them when she had heartlessly demonstrated that her independence meant more to her than bearing his children Through the Long Night Elizabeth Lynn Linton, 1889
