Bea's Book Nook Meet the lovable smart ass who can always crack a joke and the woman who loves him more than life itself. Vic Carponi always has a joke, no matter how bleak the situation might be. He's the guy who can make jokes in the middle of a firefight in Baghdad or when he's getting sewn back up after getting blown up. But his sense of humor hides a fierce loyalty to the men he serves with and a devotion to his wife, who he loves more than life itself. But there's nothing funny about war. But as he prepares to leave on his latest deployment into the violent throes of the Surge in Iraq, his jokes don't seem as funny to his wife. Nicole forces herself to laugh at his redeployment antics, but behind her laughter hides the darkest fear of every Army wife: that the knock on the door may be the news that destroys her world. They both try to make the best of the deployment, but when the phone doesn't ring for a few days, Nicole starts to worry. And when the dreaded call comes telling her he's been hurt, she'll move heaven and earth to be there when her husband wakes up. I won't spoil it, but it will give you hope, laughter, and tears. Fairy Tales for Children Above Thirty Betty Sam Mathew, 2018-02-05 An adventurous life isn't always about conquering a mountain, crossing a desert, or even soaring through the skies with a parachute. At times, it's about opening your eyes to find that the life you are seeking has come in search for you. But how do you take the plunge and let the crest of the moment carry you when you are used to keeping a tight rein on time? How do you tame the lioness within when motherhood exposes a fierce protectiveness and the sound that escapes your lips every time you open your mouth is a roar? How do you fall into step with the beat and the rhythm of the dance when tango lessons in Buenos Aires become more about control and confronting fears? A little imagination and a pen transform everyday experiences into fairy tales until they are exuding excitement and reeking of sweat until they become that extraordinary adventure right in the middle of an ordinary life
