

The background of the entire slide is a photograph of a sunset or sunrise. The sun is a bright, glowing orb positioned in the center of the horizon, casting a long, shimmering reflection across the dark water. The sky is a deep blue, with wispy white clouds scattered across it. In the distance, dark, silhouetted mountains rise against the horizon. The overall mood is serene and contemplative.

Valentine, 2024-04-16 Everyone and I mean everyone will give you advice on which way to go with your life Friends acquaintances classmates teammates your friends friends family teachers counselors and neighbors will nose into your business They will want to help you with everything from how to dress to how to act They will tell you what and where to eat where to go and what to do Before you know it your whole life will be planned out for you by someone else If you are

susceptible to influencers choose your influences wisely Not all advisors or advice is equal In fact some of the advice coming your way courtesy of well meaning friends or family may be downright awful Truly wise and useful advice will come from very few The world will give you the same crummy advice it gives everyone Get fame Pursue fortune More is better The world consistently perpetuates the lie that fame and fortune will make you happy The world lies Fame and fortune will not fill the void in our heart that was designed to be occupied by Christ Only God can fill that God shaped space within us The world keeps trying and people keep following the siren song down the wide path to happy destruction Happy is hard to define I have determined that Happy is an elusive place All of the world s unfulfilled and dissatisfied people will call you to the same wide path life plan they followed and expect a different result I challenge you to take the narrow road I urge you to trust in the Lord in all your decision making
