expressed without any reference to other secondary connections Chapter 2 analyzes the allegorical narrative by relating this narrative with other material that Hannah Hurnard published These other narratives provide the tools which Hannah employed in the composition of this allegorical narrative Thus chapter 2 presents an intertextual analysis between her other publications and *Hinds Feet on High Places* Likewise chapter 3 presents another intertextual analysis between the many biblical abstracts and their relation to the narrative in the hope of showing her biblical interpretations Several spiritual themes that emerged from the preceding chapters are discussed in chapter 4 presenting a consistent spirituality In presenting the themes one notes that the strong points and weaknesses of Hannah s spirituality are related to other Christian spiritual traditions In order to conduct a comprehensive study the introductory section of this study deals with the significance of allegory and spirituality
