Through the grid of accumulated years Eby studies that missionary boy The reader hears two voices the 23 year old boy and the 73 year old man Often the old man loves the boy often the boy embarrasses him The Somalis Eby remembers as beautiful and exasperating then in 1959 as now in 2009 The chapters are like a series of transparencies laid down one on top of the other The boys views overlaid by the mans two visits to Somalia in his thirties and then memory laid over everything With more details everything should be clearer Yet Eby writes in the Introduction we are pleasantly surprised to find that the historically reconstructed self is still blurred as muddy as the Shebelle River which flows through Somalia from the Ethiopian highlands

Clever, pretty and mercurial, she was her best friend until everything went terribly wrong. Now as she flees an abusive marriage, Carrie Ann has turned to the one person she hopes will come through for her. Despite her initial misgivings, Grace wants to help. But then Carrie Ann and Jake both go missing. Stunned and confused, Grace begins to realize how much of herself she's kept from Jake and how much of Carrie Ann she never understood. Soon Grace is baited into following a trail of scant clues across Spain, determined to find the truth even if she must revisit her troubled past to do it.

Time Will Tell Yemi Elegunde, 2014-01-02. From the bright lights of London's Holland Park into the power cuts and very rural life of Lagos state in Nigeria, all in the blink of an eye. This is the true story of a family torn apart by International Parental Child Abduction. In September 1973, Yemi was just seven years old when he and his younger sister were taken away from England by their dad without their mum's knowledge or consent. They lived and grew up in Nigeria for over fourteen years where the only communication they had with their mum was by letters. Without social media, computers or mobile phones, how does a mother track down her missing children? How do the children adapt to the sudden change of lifestyle? This is the story of the events through the eyes of that seven-year-old child from the moment he realised he was in a different country. Yemi relates the stark change of culture, the new family and the voyage of self-discovery. The book covers his roller-coaster young life of apprehensions and ecstasy, his rebellions and his loves. It follows his anger as he grew from boy to teenager and his eventual reconciliation with himself and his parents. What kind of man would that boy grow up to be? **Time Will Tell**. Featured in *The Bookseller*.
