Longarm On The Fever Coast:

Longarm on the Fever Coast Tabor Evans,1994 U S Marshall Long encounters unexpected trouble including back shooting desperadoes and a mysterious epidemic when he sets out to escort a federal prisoner to Colorado from the quiet seaport of Encondrijo Texas Original Longarm and the Last Man Tabor Evans,1994 It s a thousand dollars to join the Last Man Club and twenty thousand to whoever lives the longest But members of the secret military society are dying off at the hands of a cold blooded killer When Longarm rides out to warn the next target he is caught between his desire for revenge and his vow to stop the murderer Longarm #278: Longarm and the Sidesaddle Assassin Tabor Evans,2001-12-31

Longarm locks horns with a lead slinging lovely While riding the plains of Utah two census takers venture deep into Mormon country and end up six feet deeper Someone wants to keep the U S government in the dark about the local population and U S Marshall Custis Long is called in to bring some light to the situation But before he can solve the murders Longarm will have to uncover the identity of a mysterious night riding woman who has been warning trespassers to stay off Mormon land and backing up her words with hot lead **Longarm 316: Longarm and the Unwelcome Woolies** Tabor

Evans,2005-02-22 Longarm is one sure shooting shepherd Custis Long s reputation as an expert animal driver lands him an unlikely assignment The U S government asks him to drive 6 000 head of sheep to a Navajo reservation where the displaced Indians survive by weaving intricate blankets for fashionable folks back east Problem is the only way to get the sheep to the shears is through cattle country which could spark an all out range war But when a pack of pistol wearing wolves comes howling for the herd Longarm isn t going to forgo his flock without a fight **Longarm and the San Angelo Showdown**

Tabor Evans,1995 Color illustration of a man in yellow shirt and brown vest loading a cartridge into a smoking gun He stands near a river in woodland landscape The scene is superimposed over a man s face in profile two figures embracing and a man on horseback riding in the river Longarm #277: Longarm and the Yukon Queen Tabor Evans,2001-12-01 Longarm s

tracking a fugitive and treading on thin ice If there s one thing U S Deputy Marshal Long can t stand it s a yeller witness who heads for the hills just when the law needs him most Harrison Dodge is one such lily livered sleaze Privy to Washington s dirty secrets Dodge realizes he knows too much and quits the capitol with a one way ticket Destination anywhere Longarm tries to sniff out the little runt and finds himself on a boat bound for Alaska Unfortunately tip to tip Alaska measures only a mite smaller than the U S of A His only means of transportation is a riverboat the Yukon Queen driven by a hot tempered fiery lady captain Now not only does Longarm have to keep his eyes peeled for any sign of his fugitive he must also help his captain ward off her enemies And try to keep his burning desire for her from melting the Alaskan ice **Longarm and the**

Barbed Wire Bullies Tabor Evans,1994 Duke Albright s the terror of Kiowa Colorado His ruthless boys are posting barbed wire fences on the land of hardworking homesteaders not to mention rustling cattle and stealing water When an old friend of Longarm s calls on him to teach the bullies a lesson it s one bloody gunfight Longarm #289: Longarm in Paradise Tabor

Evans,2002-11-26 Longarm sends Paradise straight to hell Marshal Monty Kilpatrick was nobody's fool That's why his killers had to take him by surprise But with a bullet in his belly Monty knew just how to right the last wrongs of his life he wrote a letter to his good friend Marshal Custis Long the one they call Longarm Now Longarm is out to avenge his good friend's murder and set things right with the man's family and he doesn't care what trail he'll have to ride man he'll have to face or girl he'll have to charm to get the job done *The Whole Story* John E. English law This was a process in which community leaders determined the legitimate hometown of unwanted persons or families in order to force them to leave ostensibly to return to where they could receive care The warning out system alleviated the expense and responsibility for the general welfare of the poor in any community and placed the burden on each town to look after its own But homelessness and poverty were problems as onerous in early America as they are today and the system of warning out did little to address the fundamental causes of social disorder Ultimately the warning out system gave way to the establishment of general poorhouses and other charities But the documents that recorded details about the lives of those who were warned out provide an extraordinary and until now forgotten history of people on the margin Unwelcome Americans puts a human face on poverty in early America by recovering the stories of forty New Englanders who were forced to leave various communities in Rhode Island Rhode Island towns kept better and more complete warning out records than other areas in New England and because the official records include those who had migrated to Rhode Island from other places these documents can be relied upon to describe the experiences of poor people across the region The stories are organized from birth to death beginning with the lives of poor children and young adults followed by families and single adults and ending with the testimonies of the elderly and dying Through meticulous research of historical records Herndon has managed to recover voices that have not been heard for more than two hundred years in the process painting a dramatically different picture of family and community life in early New England These life stories tell us that those who were warned out were predominantly unmarried women with or without children Native Americans African Americans and destitute families Through this remarkable reconstruction Herndon provides a corrective to the narratives of the privileged that have dominated the conversation in this crucial period of American history and the lives she chronicles give greater depth and a richer dimension to our understanding of the growth of American social responsibility Sporting and Leather Goods Trader ,1908 *Microbe Hunters - Figures from the Heroic Age of Medicine* Paul de Kruif,2022-09-26 This pop science volume is Paul de Kruif s classic account of microscopic discoveries and it presents a history of the most important figures in medicine Microbe Hunters is separated into 14 stories of pioneering scientists including Antonie van Leeuwenhoek 1632 1723 and Louis Pasteur 1822 1895 The dramatised records of important scientific figures and the history of medicine are written in simple accessible language Becoming an international bestseller the volume was translated into 18 languages and adapted for the stage and screen This volume features the following chapters Leeuwenhoek First of the Microbe Hunters Spallanzani Microbes Must Have Parents Pasteur Microbes Are a Menace Koch The Death Fighter Pasteur And the Mad Dog Roux and Behring Massacre the Guinea Pigs Metchnikoff The Nice Phagocytes Theobald Smith Ticks and Texas Fever First published in 1926 Microbe Hunters remains one of the most encompassing classic accounts of microbiology history and is not to be missed by those who wish to extend their scientific knowledge **The Keepers of the Trail** Joseph A.
