*Skin in the Game* Rick Lawrence,2015 Christians are longing for more life in their lives a sense that they re more present to Jesus and to their own story in the everyday They re looking for the answer to the deepest question of human experience How do I find the freedom I crave and become the person I long to be Too often though they re scared to risk too much to find the answer so they simply continue to lead lives of quiet desperation Rick Lawrence says that s exactly the problem We ve seen too much We know too much And so we manage our risk so well that we choke off the very fuel that our soul needs to stay alive In fact risk should be a primary aspect of our relationship with Jesus not the thing we avoid In this book Lawrence argues that if we pay attention to the way Jesus related to people we discover that he asked every person he ever met to put their skin in the game invest part of themselves Only then did they find the life they always longed for Lawrence asks eight key questions including Will you embrace your shame Will you receive grace Will you confront your fears Will you wait even when all hope is lost With a vigorous fast paced and conversational style he uses these questions plus stories straight from Scripture and pop culture corollaries to explore the kinds of risks we find in our lives today and how to stop waiting and start going all in for Jesus

**Long Division** Kiese Laymon, 2013-05-20 Long Division includes two distinct but tightly interwoven stories one called All Things Considered the other Long Division In the first it s March 2012 14 year old Citoyen City Coldson and his nemesis LaVander Peeler become the first black male duo to win the state of Mississippi s Can You Use This Word in a Sentence contest finals Both boys are asked to represent Mississippi at the televised national competition Hours before the contest begins City is given a book without an author called Long Division Turmoil and misunderstanding ensue as City and LaVander learn they have reason to doubt the merit of their presence at the contest They want us to win City says to LaVander moments before the contest starts After being assigned and then misusing the word niggardly in the first round of the contest City has a remarkable on stage meltdown in front of a national television audience LaVander on the other hand though incredibly shaken advances to the finals and has the chance to win the contest The day after the contest City is sent to spend the weekend with his grandmother in the small coastal community of Melahatchie which is also the site of the mysterious disappearance of girl named Baize Shephard Baize Shephard also happens to be one of the main characters in the book Long Division which City has been dipping into throughout the story While in Melahatchie City s troubled Uncle Relle reveals that City has become an overnight YouTube celebrity thanks to his on stage meltdown and that he is being sought to appear on a new television show called Youtube s Black Reality All Stars City is alternately celebrated and ridiculed by the white and black residents of Melahatchie as a result of his performance at the contest even as he delves deeper into Long Division and its story of the missing Baize Shephard When the neighborhood is convinced that a white man nicknamed Pot Belly has assaulted Baize and done away with her body they beat the man to death or so City thinks until he finds the man alive chained up in a workshed in the back yard of his grandmother s house City visits the imprisoned white man four times during the course of his weekend reading to him from Long Division asking him questions he s always wanted to ask white people and promising to save him if he survives his own baptism which his grandmother has engineered during City s visit When LaVander appears he and City must reluctantly work together again this time to save the life of the white man chained in the workshed and quite possibly the life of City s grandmother too There s something else that City finds especially interesting about Long Division besides the story of Baize another main character in the book is also named City Coldson except this City Coldson who lives in Melahatchie is 14 in 1985 This City will do anything to make Shalaya Crump love him including traveling 26 years into the future via a time portal they find in the woods to steal a laptop and cellphone from a girl a mysterious teenaged rapper named Baize Shephard who lost her parents in Hurricane Katrina The following day Shalaya and City meet another worn down time traveler this one from 1964 a boy named Jewish Evan Altshuler Evan is desperate to protect his family against the Klu Klux Klan during Freedom Summer He convinces Shalaya that he can help her find her

parents and her future self if she brings the laptop computer back to 1964 and does him a favor Unexpectedly City and Shalaya become separated with Shalaya stuck in 1964 and City stuck in 2012 In their wanderings back and forward through time much is revealed about City s relationship with Baize and about segregation Freedom Summer the destruction wrought by Hurricane Katrina and the Gulf Oil spill and the limits of technology and love Long Division is a Twain esque exploration of celebrity authorship racialized terror neo liberalism religion and coming of age in Post Katrina Mississippi *The Oldest Rule* Christopher B. Valencia,2012-05-14 In *As Long as the Blue Canary Sings* was inspired by a true story Sheldon takes the lessons he learned as an accomplished chess player and applies them to the various complexities of his life As he reasserts himself into the world he is forced to examine his core beliefs With both insight and candor Sheldon shares his decision making processes as he interacts with interesting people and deals with situations that are sometimes sensible and sometimes absurd      **Why the Long Face?** Craig Chester,2004-04-01 Craig Chester s witty and wry observations on his life and those who have occupied it come together to create this funny sentimental yet irreverent collection of essays From the backroads of Texas to the boardrooms of Hollywood Craig Chester is unabashedly honest about the pain and the unique rewards of remaining an outsider in an insider s world While his family prepares to watch the apocalypse from their rooftop with a bucket of KFC Craig is trying to climb the social ladder at school by saving his neighbors from their sinful ways and speaking in tongues with not so successful results Along the way Craig experiences gender confusion at grade school summer camp and has massive reconstructive surgery to correct his deformed teenage face only to emerge and realize that Hollywood success isn t always measured in externals but also in the machinations of the heart and how much you don t show All along he expertly captures the feeling of what it s like to not always fit in and have that be okay with a comic timing that s tuned in to the heart and soul of trying to get by day to day His tales of life from growing up in the Bible Belt to starring in nine films prove that the average American life is anything but normal      *A Long Run Home* Milton F.
