Longing For Holiness:

A Longing for Holiness John Wesley, 1997 John Wesley founder of Methodism offers essential biblical truths for all Christians These selected writings reveal Wesley's understanding of Christianity for all to explore **Light Within** John Main, 2013-01-26 This collection of talks on Christian meditation is full of practical advice and great spiritual insights in equal measure It shows how discovering the presence of Christ within through meditative prayer can give shape and purpose to everything we do and are our actions emotions fears longings failings and dreams As John Main taught the point of this kind of prayer is to allow God's presence to become not just a reality but the reality of our lives **Light Within** Laurence Freeman, 2008 The Benedictine monk and writer Laurence Freeman took over the mantle of John Main after his death in 1982 and continues the work that he began teaching Christians from all traditions the simplest way of prayer meditation It is simple in that it requires no words yet encountering God without the safety barrier of our own thoughts and ideas is to open ourselves to total transformation This collection of talks on Christian meditation is full of practical advice and great spiritual insights in equal measure It shows how discovering the presence of Christ within through meditative prayer can give shape and purpose to everything we do and are our actions emotions fears longings failings and dreams As John Main taught the point of this kind of prayer is to allow God's presence to become not just a reality but the reality of our lives Remain In Me Andreas Schmidt, 2017-03-31 Saint Paul's command to Pray without ceasing 1 Thess 5:17 can seem impossible for the average Christian living in the middle of this hectic contemporary world Yet his words are intended as much for those of his time as those of today and as much for those who labor at home or in the office as for those in monasteries Indeed the Catechism of the Catholic Church professes the contemplative life or in other words a life of constant prayer as both necessary and attainable With a strong foundation in Church teaching and woven throughout with the classic wisdom of the saints Remain in Me is an accessible guide to a timeless call Beginning with a careful outline of what is required to build the contemplative life both in specified prayer times and in everyday tasks Father Andreas Schmidt confronts the most common difficulties in personal prayer and explores the fruits of contemplation growth in holiness a more powerful experience of the Sacraments increased success in work and ultimately a closer and more intimate relationship with God To Live for God Alone Mark O'Keefe, María Gonzalo-García, 2023-02-03 What does it mean to live for God alone Prefer nothing to the love of Christ My God and my all God alone suffices these statements from the saints express the single desire that unified their hearts and gave direction to their lives God alone was the constant theme of Saint Rafael Arnaiz 1911-1938 the expression of the search for God that informs any monastic vocation Saint Rafael was profoundly and thoroughly a monk even though ill health repeatedly forced him to leave the monastery and he was never formally professed With his single hearted love for Christ and for the Blessed Virgin he faithfully walked a path of trials and suffering that matured his faith sharpened his longing taught him to wait and to hope in God and opened his heart to love To Live for God Alone invites the reader into the

compelling story of Rafael's personal journey and into his penetrating insight into the cross and the Christian vocation

Jonathan Edwards's *The Religious Affections* is a seminal work in American Christian literature exploring the nature of true religion and spiritual experiences. Known for his puritanical beliefs, Edwards uses a combination of scripture, logic, and personal anecdotes to delve into the various components of genuine faith. Written during the Great Awakening, this book reflects the religious fervor and revivalism of the time, with Edwards urging readers to seek authentic spiritual encounters over mere emotionalism. The intricate prose and deep theological analysis make *The Religious Affections* a challenging yet rewarding read for those interested in religious studies and American history. Jonathan Edwards's legacy as a prominent theologian and preacher shines through in this thought-provoking text, showcasing his dedication to reviving Christian faith in colonial America. Edwards's own spiritual journey and fervent beliefs undoubtedly influenced the writing of this influential work, as he sought to guide believers towards a more profound understanding of their religious affections. I highly recommend *The Religious Affections* to readers looking to explore the intersection of theology, spirituality, and emotion in the 18th-century American context.

Letters of Light Kalonymus Kalman Epstein, Aryeh Wineman, 2015-02-06

Letters of Light is a translation of over ninety passages from a well-known Hasidic text, *Ma'or va Shemesh*, consisting of homilies of Kalonymus Kalman Epstein of Krakow, together with a running commentary and analysis by Aryeh Wineman. With remarkable creativity, the Krakow preacher recast biblical episodes and texts through the prism of both the pietistic values of Hasidism, with its accent on the inner life and the Divine innerness of all existence, and of his ongoing wrestling with questions of the primacy of the individual vis-à-vis that of the community. The commentary traces the route leading from the Torah text itself through various later sources to the Krakow preacher's own reading of the biblical text, one that often transforms the very tenor of the text he was expounding. Though composed almost two centuries ago, *Ma'or va Shemesh* comprises an impressive spiritual statement, many parts of which can speak to our own time and its spiritual strivings.

The Works of Jonathan Edwards, A.M. Jonathan Edwards, 1840 Understanding Church Discipline Jonathan Leeman, 2016-06-01

Should we actually practice church discipline today? Is it unloving? Once an ordinary part of church life, churches gradually stopped practicing church discipline in the 20th century. But Jesus commands it. Paul practiced it. And churches benefit from it. Why practice church discipline? It shows love for the individual caught in sin, love for the whole church, love for non-Christian neighbors, and love for the glory of Christ.
