Look At Your Body Lungs:

The Secret Teachings of Plants Stephen Harrod Buhner, 2004-10-27 Reveals the use of direct perception in understanding Nature medicinal plants and the healing of human disease Explores the techniques used by indigenous and Western peoples to learn directly from the plants themselves including those of Henry David Thoreau Goethe and Masanobu Fukuoka author of *The One Straw Revolution* Contains leading edge information on the heart as an organ of perception All ancient and indigenous peoples insisted their knowledge of plant medicines came from the plants themselves and not through trial and error experimentation Less well known is that many Western peoples made this same assertion There are in fact two modes of cognition available to all human beings the brain based linear and the heart based holistic The heart centered mode of perception can be exceptionally accurate and detailed in its information gathering capacities if as indigenous and ancient peoples asserted the heart's ability as an organ of perception is developed Author Stephen Harrod Buhner explores this second mode of perception in great detail through the work of numerous remarkable people from Luther Burbank who cultivated the majority of food plants we now take for granted to the great German poet and scientist Goethe and his studies of the metamorphosis of plants Buhner explores the commonalities among these individuals in their approach to learning from the plant world and outlines the specific steps involved Readers will gain the tools necessary to gather information directly from the heart of Nature to directly learn the medicinal uses of plants to engage in diagnosis of disease and to understand the soul making process that such deep connection with the world engenders *Corpsman*, 1966-09

Healing Trauma through Family Constellations and Somatic Experiencing Efu Nyaki, 2023-11-07 A holistic method for resolving individual and intergenerational trauma Explains how the author came to develop her system by integrating ancestral tribal wisdom with a fusion of two Western healing systems Somatic Experiencing and Systemic Family Constellations Therapy Shares stories from her healing work around the world showing how this system can help resolve PTSD depression sexual trauma addiction and chronic illness Presents action steps that readers can take immediately to engage the personal healing process The journey to healing trauma is not always straightforward As Efu Nyaki reveals in detail the healing process is a complex ritual of energy movement on the physical emotional and spiritual levels Born and raised on Mount Kilimanjaro's slopes in Tanzania East Africa Efu explains how she came to develop her profoundly successful system for helping people heal trauma by integrating ancestral tribal wisdom with a fusion of two Western healing systems Somatic Experiencing and Systemic Family Constellations Therapy She shares how her journey to become a healer was initiated by her grandfather who told her the legend of the sacred healing snail of the Nyaki clan She explains how she discovered Somatic Experiencing and Systemic Family Constellations Therapy and how combining these therapies created a powerful system for releasing cellular memories and healing the intergenerational and collective traumas hidden beneath the surface of suffering Sharing stories from her healing work around the world she presents action steps such as meditations

breathwork and creating a family tree that readers can take immediately to regulate their nervous systems deepen their awareness and engage the personal healing process Demonstrating how trauma survivors can transform their suffering into vibrant wholeness the author shows how healing trauma is the result of bringing the physical emotional mental and spiritual aspects of our lives into an integrated coherence
