Look Up Lift Up:

Look Up Jim Zeigler, 2017-11-17 **Look Up Redemption in This Generation** by Jim Zeigler is a result of over 25 years study of Jesus Olivet Discourse With a general synopsis the author relates Bible prophecy in an easy to read book of what Jesus said to His Disciples on the Mount of Olives as they asked about the end of the age in Matthew 24 tell us then when shall these things be And what shall be the sign of thy coming and of the end of the world Matthew 24 3 Taking readers through his belief of when the time clock started to tick 1948 the author magnifies Scripture revealing a journey through Bible prophecy of the End Times without complicated overuse of Scripture Offering faith and hope in Jesus this book Is an excellent read to obtain a grasp of what Jesus said as He spoke to His Disciples about the coming end of the age With the inclusion of Scripture Bible prophecy is an important topic He notes that we can see Scripture fulfilled before our very eyes and that God s Word will not return to Him void With modern day events seemingly in our daily headlines this book gives readers a compass to go by Offering Scripture from Old and the New Testaments that shed light on the very things Jesus spoke of in His discourse on the Mount of Olives In particular the author has framed this book upon God s Word bringing a deeper understanding to the mystery of Bible prophecy in layman s terms with an easy to follow format **Look Up Redemption in This Generation** is recommended for individual use or within a small group This book comes highly recommended to those individuals that want to study the Word and a book that is supported Scripture

When I Look Up Ron Gallo, 2021-11-21 Most Christian books have a problem For they speak from an adult perspective and not a child s They leave out the most important aspect of the foundation when walking with God and that is the child They say do ABCDE to get a better walk with God That s fine but we forget about the growth of the child and there characteristics is the Christian life template for an adult to look at and learn from This is the reason why children come before adults it s so we can see who God sees God doesn t see us as we see each other as adults in arrogance God doesn t care about your social status or you can have more degrees than a thermometer you are his child God sees adults as tall children So now let s look deeper into a child s life and how it relates to Gods foundation the family Understanding the child then you will understand yourself and what God wants from us as adults Looking at the genesis of a child we can see many attributes and characteristics of a child that God wants to see in us We can shadow and be a reflection of childlike not childish as Jesus said in the book of Mathew Jesus clearly states unless you re like a child you shall not enter Right off the bat Jesus is drawing the line in the sand Children have many characteristics that we miss as adults and forget that we went through these same characteristics ourselves From looking up having child like faith being able to be led humility
