as all we've learned through literally thousands of trial and error sessions in our kitchens Sweets & Treats - Dessert Recipes Scotty Boxa, 2025-05-03 Dessert isn't optional. It's the exclamation point at the end of every meal. From gooey brownies to delicate pastries, this book satisfies your sweet tooth and makes you the dessert hero your friends didn't know they needed. Pro tip: Hide this one or risk being permanently assigned dessert duty. **Creative fruit pies, chocolate, desserts and brunch**, 2024-02-22 The recipes in this book range from the quick and easy to the more time consuming and elaborate. Some were created within those quiet hours of mindful baking where I would have sudden ideas and flashes of inspiration; others are more nostalgic. My Mother's Carrot Cake, my Nana's Bread and Butter Pudding, and my interpretation of that wonderful Italian wedding cake see here. If time is short, most of the longer recipes can be broken down into stages: the Charlotte Royale and Deliziosa Limone being fine examples. Pastry cases/shells can also be made in advance, ready to be filled and topped closer to the time you want to serve them. It is often the case for me to do so juggling daily life and children visiting my mum and working means that I don't often have hours at any one time to concentrate on one thing alone. I often make a batch of pastry first thing in the morning, go through the rolling, resting, and baking stages throughout the day, when I get a spare 20 minutes here and there, then on to the filling and decorating in the evening when all is quiet and the day's stresses have eased. Being relaxed and being able to enjoy what you are doing will, without doubt, lead to a better result. What is important is to make these bakes your own: use these decorations as inspiration as a starting point, but do go on to create your own patterns or finishes. It can be quite surprising what can appear in front of you when your creative side takes over. Be spontaneous, be unique, be authentic, be proud of what you are making, and most importantly, bake with love in your heart.

Recipes range from easy drop cookies and no-knead bread to more ambitious, authentic croissants and dacquoise, and the trademark test kitchen expertise shines through each one. Discover why spreading the dough and then sprinkling the berries leads to better Blueberry Scones; why cubed versus shredded extra sharp cheddar cheese makes all the difference in our irresistible Cheese Bread; how we found three ways to squeeze more lemon flavor into our Lemon Bundt Cake; and how to keep the best Buttermilk Waffles your family will ever taste warm and crispy. An illustrated Baking Basics chapter at the front of the book provides information on key ingredients and equipment and lays the groundwork for a lifetime of baking success. A shopping guide at the back recommends our favorite brands.
