## Look To The Rainbow:

Look to the Rainbow Burton Lane,1947      Who Put the Rainbow in the Wizard of Oz? Harold Meyerson,Ernest Harburg,1995 The life story of the man who gave Dorothy and her Oz companions something to sing about      *Catalog of Copyright Entries* ,1945      *The Binding of Isaac, Religious Murders & Kabbalah* Lippman Bodoff,2005 In a series of evocative groundbreaking articles the author analyzes the Biblical and Rabbinic basis for what surely are now some of the most hotly debated topics in Jewish religious thought today These include how the traditional interpretation of the Binding of Isaac has been misapplied in both Christian theology and Jewish martyrology and how the centuries long and newly resurgent belief in mysticism and messianism in kabbalah and Hasidism has distorted classical Judaism and thwarted its national and cultural development The author counters the arguments of those who see Judaism s and the world s newfound obsession with mysticism and kabbalah as a natural outgrowth of a progressive trend within rabbinic Judaism and warns of the impending danger of rejecting the very core of Jewish thought and opinion as it was expounded in the Torah and classical Jewish tradition the Oral Law Each section of this magnificent work will give the reader new insights into how different aspects of Judaism have evolved and why they have often been in contention with each other Nor is he afraid to deal with some of the supercharged issues within Judaism such as what are the underlying premises of Jewry s claim to the Divinely Promised Land And has this claim been affected by its failure to pursue an active program of nationalism These highly acclaimed articles have been gleaned from today s leading Jewish journals and have stood the test of time They contain valuable source material and are a ready reference to the many historical and religious topics that are the focus of discussion across all main Jewish denominations      The Mojo Collection Jim Irvin,2009-06-04 Organised chronologically and spanning seven decades The MOJO Collection presents an authoritative and engaging guide to the history of the pop album via hundreds of long playing masterpieces from the much loved to the little known From The Beatles to The Verve from Duke Ellington to King Tubby and from Peggy Lee to Sly Stone hundreds of albums are covered in detail with chart histories full track and personnel listings and further listening suggestions There s also exhaustive coverage of the soundtrack and hit collections that every home should have Like all collections there are records you listen to constantly albums you ve forgotten albums you hardly play albums you love guiltily and albums you thought you were alone in treasuring proving The MOJO Collection to be an essential purchase for those who love and live music      **The Whole Works of the Rev.
