the Youth Aliyah movement who immigrated to the United States during the war to reunite with their families those designated as Friendly Enemy Aliens at the war's outbreak who were later deported to Australia and Canada and Orthodox refugee children who faced unique challenges attempting to maintain religious observance when placed with Gentile foster families who at times even attempted to convert them Based on archival sources and follow up interviews with refugee children both forty and seventy years after their flight to Britain this book gives a unique perspective into the political bureaucratic and human aspects of the Kindertransport scheme prior to and during World War II *Legends Live On* R. Samuel Baty, 2013-08-29 Jennifer Haraldsson Sherman is now a Wife and Mother She is also an Army Nurse serving in the Washington DC area With Vietnam heating up she is uncomfortable thinking of the young Americans who will be going there to fight and die She feels an obligation to once again serve her country but she knows she will have to get the approval of her family first In Eastern Germany Jennifers old flame Otto Bruner is working hard for German reunification He has to be careful though as his bosses in East Germany believe Communism is the way to go Underneath Otto strongly disagrees One only has to compare the standard of living between East and West Germany to know that Ottos secret feelings are correct In this fascinating and hair raising story the author lays out the many challenges that are inherent in one of the most exciting periods in the history of the United States As he did with previous novels in the series the author ties the challenges faced by the leading characters with the most powerful people of the era The novel includes U S Presidents from John F Kennedy to George Herman Walker Bush The result is a thriller with many twists and turns which brings the key surviving characters together in what can truly be considered the end of an era This book is a must read for all those who love a gripping story
