Who's Talking Michael A. Tueller, 2008 Look Who's Talking examines the methods by which the ancient reader identified the speaker and addressee of epigram and how these methods were manipulated by hellenistic epigrammatists Conventions in place from epigram's inscribed heritage were used at first to maintain the conceit of inscription but later formed the basis for mixing of epigrammatic subgenres or even in the case of Asclepiades the creation of erotic epigram Among the most significant hellenistic innovations are the development of a passerby motif and the evolution of epigram's tendency to address its inherent writtenness The book also traces the development of the ancient habit of equating an artistic image with the thing or being it represented Nossis later joined by Theocritus and Callimachus developed a stance from which they could critique this subtle equation This book thinks of hellenistic epigram the way its authors did from the background of inscription and consequently discovers many of the places where hellenistic epigrammatists hoped to make their mark

Congress, 1977 A Widow's Curse Phillip DePoy, 2007-07-10 Fever Devilin a folklorist by inclination and training was born and raised amongst the hill country folk of the Georgia Appalachians and it was there that he returned once he decided to leave academia And he's the perfect person to turn to when the owner of a mysterious medallion one with some connection to the area wants to uncover the provenance of the piece On the surface it sounds simple enough but in Fever's life nothing is ever simple Especially when the medallion's owner is found dead murdered in Fever's own house and the papers of Fever's late grandfather of no intrinsic value are stolen And Fever himself in the prime suspect in the murder The only clue to the

truth behind these confusing events is the medallion itself which is somehow tied to Fever's secretive family's history. With someone trying to frame him for the murder and other hidden forces hot on the trail of the medallion itself, Fever is wedged tightly between the proverbial rock and equally proverbial hard place. And the only possible way out is buried within the uncomfortable hidden truths about his own family that Fever has spent years trying to avoid. *Postcards From No Man's Land* Aidan Chambers, 2004-06-17

Seventeen-year-old Jacob Todd is about to discover himself. Jacob's plan is to go to Amsterdam to honor his grandfather who died during World War II. He expects to go, set flowers on his grandfather's tombstone, and explore the city. But nothing goes as planned. Jacob isn't prepared for love, for to face questions about his sexuality. Most of all, he isn't prepared to hear what Geertrui, the woman who nursed his grandfather during the war, has to say about their relationship. Geertrui was always known as Jacob's grandfather's kind and generous nurse. But it seems that in the midst of terrible danger, Geertrui and Jacob's grandfather's time together blossomed into something more than a girl caring for a wounded soldier. And like Jacob, Geertrui was not prepared. Geertrui and Jacob live worlds apart, but their voices blend together to tell one story—a story that transcends time and place and war. By turns moving, vulnerable, and thrilling, this extraordinary novel takes the reader on a memorable voyage of discovery. **Congressional Record Index**, 1954

Includes history of bills and resolutions. **It's All in the Delivery** Victoria Sturtevant, 2024-12-03

2025 John G. Cawelti Award for the Best Textbook. Primer Popular Culture Association, American Culture Association, PCA, ACA. How changing depictions of pregnancy in comedy from the start of the twentieth century to the present show an evolution in attitudes toward women's reproductive roles and rights. Some of the most groundbreaking moments in American film and TV comedy have centered on pregnancy: from Lucille Ball's real-life pregnancy on *I Love Lucy* to the abortion plot on *Maude*; Murphy Brown's controversial single motherhood; Arnold Schwarzenegger's pregnancy in *Junior*; or the third trimester stand-up special *Ali Wong: Baby Cobra*. In the first book-length study of pregnancy in popular comedy, Victoria Sturtevant examines the slow evolution of pregnancy tropes during the years of the Production Code, the sexual revolution, and changing norms around nonmarital pregnancy in the 1960s and 70s, and the emphasis on biological clocks, infertility, adoption, and abortion from the 1980s to now. Across this history, popular media have offered polite evasions and sentimentality instead of real candor about the physical and social complexities of pregnancy. But comedy has often led the way in puncturing these clichés, pointing an irreverent and satiric lens at the messy and sometimes absurd work of gestation. Ultimately, Sturtevant argues that comedy can reveal the distortions and lies that treat pregnancy as simple and natural, women's work, misrepresentations that rest at the heart of contemporary attacks on reproductive rights in the US. **When You Wake Up** Lorie Hurst, 2018-12-10

What do you do when the hard-fought world you've created comes crashing down in an instant? Savvie Bolton has applauded herself on accepting and then ignoring any downfalls of married life. After all, she waited years to reach this milestone. Nothing will be allowed to mar it, especially not a past she has worked so hard to bury. But life has other ideas.

An accident sends her husband Adam into a coma and plunges Savvie into a world of fear she doesn't know how she'll survive. When an innocent comment from a new neighbor opens the door she's tried so hard to keep shut, her heart spirals out of control. With a past that won't stay in the past, a future that's scarier every day, her husband doesn't wake up, and a heart that seems determined to betray her, Savvie must navigate a journey whose ending she couldn't possibly have anticipated.

Cassell's Dictionary of Slang Jonathon Green, 2005. With its unparalleled coverage of English slang of all types from 18th century cant to contemporary gay slang and its uncluttered editorial apparatus, Cassell's Dictionary of Slang was warmly received when its first edition appeared in 1998. Brilliant said Mark Lawson on BBC2's *The Late Review*. This is a terrific piece of work, learned, entertaining, funny, stimulating, said Jonathan Meades in *The Evening Standard*. But now the world's best single volume dictionary of English slang is about to get even better. Jonathon Green has spent the last seven years on a vast project to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible. This has entailed trawling through more than 4000 books, plus song lyrics, TV and movie scripts, and many newspapers and magazines for relevant material. The research has thrown up some fascinating results. **The Trouble with Friday** Blanche Renard Putzel, 2012-11. *The Trouble with Friday* takes its readers on a roller coaster of adventure and laughter while delving into the frightening reality of underworld brutality. This cozy mystery explores the entangled web of crime and violence where innocence becomes the victim and evil threatens a peaceful town. When My Dog Friday brings his owner a special treasure, Daisy Blossom, contacts self-appointed sleuth Emily Blossom to solve a mystery of murder and intrigue. In spite of a daunting lack of suspects, Detective Emily's quest for truth and justice is remarkable, especially considering her age beyond calculation and her height, a mere one metre and a half, barely five feet tall. She enlists the help of her friend, antique dealer Pete Picken, and his truck, much to his dismay and protestation. The sleepy village of Emerald Hill in Eastern Ontario, Canada, is rife with rumours and gossip about their adventures. *The Trouble with Friday* sends chills down your spine even while you're laughing. Emily does it again. *Chronicle of the Horse*, 1991-04. **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1978. **Fiddle for the Dead** Blanche Renard Putzel, 2017-09-21. On a blustery night, a stranger collapses in the audience attending a magic show in Emerald Hill, a sleepy village in Eastern Ontario, Canada. The next morning, Daisy Blossom's dog Friday adopts a ragtag child named Aster Blossom, a distant relative who mysteriously appears at the farm, hungry and alone. Emily Blossom, Daisy's sister-in-law and a self-appointed detective, suspects the death at the show is in fact a murder. Considering her advancing age and frailty, how will the aspiring sleuth follow the threads of small town gossip to unravel the sordid truth? She enlists the help of her reluctant sidekick, antique dealer Pete Picken, to help her solve the crime. Meanwhile, Daisy, a confirmed spinster, copes with the dilemma of raising Aster while a naughty school pony and friendly farm animals teach the girl valuable lessons about life. In this mystery novel, through unpredictable twists and turns, Detective Emily Blossom is determined to track down a killer and
