Looking for Dr. Condom William E. Kruck,1978 **Looking for Dr. Condom** William E. Kruck,1981 The Doctor Looks at Marriage and Medicine ,1928 *The Fate of the Forest* Susanna B. Hecht,Alexander Cockburn,2011-01-15 The Amazon rain forest covers more than five million square kilometers amid the territories of nine different nations It represents over half of the planet s remaining rain forest Is it truly in peril What steps are necessary to save it To understand the future of Amazonia one must know how its history was forged in the eras of large pre Columbian populations in the gold rush of conquistadors in centuries of slavery in the schemes of Brazil s military dictators in the 1960s and 1970s and in new globalized economies where Brazilian soy and beef now dominate while the market in carbon credits raises the value of standing forest Susanna Hecht and Alexander Cockburn show in compelling detail the panorama of destruction as it unfolded and also reveal the extraordinary turnaround that is now taking place thanks to both the social movements and the emergence of new environmental markets Exploring the role of human hands in destroying and saving this vast forested region *The Fate of the Forest* pivots on the murder of Chico Mendes the legendary labor and environmental organizer assassinated after successful confrontations with big ranchers A multifaceted portrait of Eden under siege complete with a new preface and afterword by the authors this book demonstrates that those who would hold a mirror up to nature must first learn the lessons offered by some of their own people *Whore Biographies, 1700-1825, Part I Vol 4* Julie Peakman,2024-12-11 Focuses on autobiographies and biographies of courtesans directories of whores erotic poems dedicated to harlots jocular descriptions of prostitutes and jest books on strumpets These provide sources for the study of sexuality gender women s studies and the literature and history of the eighteenth century *Eighteenth-Century British Erotica, Part I vol 3* Patrick Spedding,2024-10-28 This set reprints many of the 18th century s most notorious works including eight from *The Fifteen Plagues of a Maiden Head* 1707 that resulted in highly publicized court battles and in some cases helped shape laws on censorship that survived into modernity *Port Out, Starboard Home* Michael Quinion,2005-09-01 Can it really be true that golf stands for Gentlemen Only Ladies Forbidden Or that rule of thumb comes from an archaic legal principle that a man may chastise his wife but only with a rod no thicker than his thumb These and hundreds of other stories are commonly told and retold whenever people meet They grow up in part because expressions are often genuinely mysterious Why for example are satisfying meals square rather than any other shape And how did anyone ever come up with the idea that if you re competent at something you can cut the mustard Michael Quinion here retells many of the more bizarre tales and explains their real origins where they re known This is a fascinating treasure trove of fiction and fact for anyone interested in language **Casanova's Guide to Medicine** Lisetta Lovett,2021-06-09 Forget the stereotype Giacomo Casanova s 1725 1798 reputation as libertine has sadly eclipsed his talents as scholar linguist prolific writer and manqué doctor Fortunately for us he wrote his memoirs at the end of his life on the advice of his doctor to control his propensity to
