Looking Good Precious Romance:

Looking Good Marilyn Herr, 2000 **The Historical Romances of Georg Ebers** Georg Ebers, 2020-09-28 God grant it exclaimed the young man I have heard nothing from my family for two months That is hard Pleasures smile along every path and I like my profession of soldier but it often grieves me sorely to hear so little from home Oh if one were only a bird a sunbeam or a shooting star one might if only for the twinkling of an eye learn how matters go at home and fill the soul with fresh gratitude or if it must be but I will not think of that In the valley of the Saale the trees are blossoming and a thousand flowers deck all the meadows just as they do here and did there two years ago when I left home for the second time After my father's death I was the heir but neither hunting nor riding to court neither singing nor the clinking of beakers could please me I went about like a sleep walker and it seemed as if I had no right to live without my father Then it is now just two years ago a messenger brought from Weimar a letter which had come from Italy with several others addressed to our most gracious sovereign it contained the news that our lost brother was still alive lying sick and wretched in the hospital at Bergamo A kind nun had written for him and we now learned that on the journey from Valencia to Livorno Louis had been captured by corsairs and dragged to Tunis How much suffering he endured there with what danger he at last succeeded in obtaining his liberty you shall learn later He escaped to Italy on a Genoese galley His feet carried him as far as Bergamo but he could go no farther and now lay ill perhaps dying among sympathizing strangers I set out at once and did not spare horseflesh on the way to Bergamo but though there were many strange and beautiful things to be seen on my way they afforded me little pleasure the thought of Louis so dangerously ill saddened my joyous spirits Every running brook urged me to hasten and the lofty mountains seemed like jealous barriers When once beyond St Gotthard I felt less anxious and as I rode down from Bellinzona to Lake Lugano and the sparkling surface of the water beyond the city smiled at me like a blue eye forgot my grief for a time waved my hat and sung a song In Bergamo I found my brother alive but enfeebled in mind and body weak and without any desire to take up the burden of life again He had been in good hands and after a few weeks we were able to travel homeward this time I went through beautiful Tyrol Louis's strength daily increased but the wings of his soul had been paralyzed by suffering Alas for long years he had dug and carried heavy loads with chains on his feet beneath a broiling sun Chevalier von Brand could not long endure this hard fate but Louis while in Tunis forgot both how to laugh and weep and which of the two can be most easily spared MARY ELIZABETH BRADDON Ultimate Collection: Mystery Novels, Victorian Romances & Supernatural Tales Mary Elizabeth Braddon, 2023-11-10 In Mary Elizabeth Braddon Ultimate Collection Mystery Novels Victorian Romances Supernatural Tales readers are ushered into the intricate world of Victorian literature where Braddon's storytelling prowess shines through her diverse genres This comprehensive anthology encapsulates Braddon's fascination with the complexities of love and moral ambiguity featuring captivating mysteries and tantalizing supernatural elements Her masterful command of suspense and character development coupled with rich

atmospheric settings reflects the period's intricate social mores and Gothic influences revealing a nuanced exploration of femininity and societal constraints Mary Elizabeth Braddon a prominent figure in Victorian literature emerged as a formidable author and career woman during a time when women's voices were often stifled Her personal experiences including hardships and the challenges of being a single mother undoubtedly inspired the depth and resilience found in her characters Braddon's early exposure to the publishing world and her involvement in periodicals led to her swift rise in popularity particularly with her sensational novel *Lady Audley's Secret* This ultimate collection is a must read for those seeking to investigate the intersection of mystery romance and the supernatural within the Victorian context Braddon's engaging narratives and compelling themes make this anthology essential for scholars enthusiasts and casual readers alike offering a rich tapestry of emotion intrigue and the timeless struggle for autonomy [SongCite William D.](#)
