Looking Other Stories:

Good Looking Bloke and other stories Ken Byerly, 2009-08-18 I didn't set out to write about sex though in some of these stories it does appear that that's what makes the turkey trot. Rather the beginning was mundane enough. In August 2008 I discovered two boxes of old letters in the basement of our house in Vermont. Letters I received and saved between the ages of 18 and 29. For reasons I can't explain these crinkly typed and written pages ignited in me a creative frenzy. I resurrected and rewrote four old short stories and over the next eight months created seven new ones. Have I a favorite I like them all but it struck me in my final run through for this volume that there was only one story MY FRIEND in which I did not change a single word. Here they are, hormones and all. Enjoy.

Farthest South & Other Stories Ethan Rutherford,2021-04-21 A baby is born with gills Foxes raise and then lose a human child A man in the final throes of his deathbed fever dream experiences a cross Antarctic voyage The stories in Furthest South the second story collection from renowned writer Ethan Rutherford find characters in

the most unexpectedly menacing of circumstances in which their sanity happiness and safety are put to the test Formally ambitious with an eye toward the strange with a inimitable style all Rutherford s own each story is nonetheless firmly grounded by a deep human concern the anxiety of family connection and humanity *The Devil's Church and Other Stories* Joaquim Maria Machado de Assis,2010-07-22 The modern Brazilian short story begins with the mature work of Joaquim Maria Machado de Assis 1839 1908 acclaimed almost unanimously as Brazil s greatest writer Collectively these nineteen stories are representative of Machado s unique style and world view and this translation doubles the number of his stories previously available in English The stories in this volume reflect Machado s post 1880 emphasis on social satire and experimentation in psychological realism If he had continued to produce the moralistic love stories and parlor intrigues of his earlier fiction Machado s legacy would have been an entertaining but inconsequential body of work However by 1880 he had begun a devastating satirical assault on society through his fiction In spite of his ruthlessness Machado does at times reveal an ironic sympathy for his characters He is not indifferent to human conflict but uses humor and irony to stress the absurdity of these conflicts acted out against the backdrop of an indifferent universe Such a spectacle creates a sense of helplessness that can only inspire wistful amusement In his technical mastery of the short story Machado was decades ahead of his contemporaries and can still be considered more modern than most of the modernists themselves That his stories elicit such strong and diverse reactions today is a tribute to their richness complexity and significance **Reno (by the) in the Lake and Other Stories** Jim Hartman,2010-03-31 I guess in truth Reno by the in the Lake is my Autobiography Light The material is indeed autobiographical in that little has been gleaned from any outside source and it is definitely light both in serious content and the serious nature often portrayed by an autobiography So read on just for fun Reno Beach was a magical place in the 1920s 30s 40s and 50s a resort town that never really quite reached its prime It had however attained great stature in the hearts and minds of all it entertained especially in the imagination of a young boy who could see adventure even in the smallest buttonhole or banal blemish In his mind a vegetable garden became a wilderness plantation An overturned rowboat became a fortress a pirate s treasure cave or a magician s maudlin mansion A willow tree only recently uprooted by the wind and waves of an angry possessive lake trying desperately to reclaim its own this became the perfect home for Tarzan Jimmie of the Apes The fact that I m even writing this book belies the fact that the place and that little boy still live if only in my imagination The stories you re about to read are about that small waterfront community just east of Toledo Ohio on the western end of Lake Erie and how it s life death and frequent revitalizations affected the life of one small boy namely me The stories are absolutely true except as altered by an aging memory wishful thinking and delusions of grandeur not necessarily in that order and they represent some of the very best days of my life I ve been told that it s good to share your very best I hope you enjoy reading my stories nearly as much as I enjoyed living them The writing s been fun too Some names and places may have been altered to protect the innocent and or the guilty but not many Some may also be changed just because I ve

forgotten or don't really know what I'm talking about Please forgive me Many may recognize themselves a friend or family member in some of these stories and each one probably deserves whatever treatment or attention they received either good or bad This book is intended to be a Bathroom Book This is not a negative For those unable to grasp this creative terminology I provide the following explanation in the form of a prescription Take in small doses Continuous exposure could be hazardous to your health and could lead to an abrasive situation requiring an immediate application of Preparation H This does not imply that either you the reader or the writer is full of Anything Should you disapprove of any of the material in this book please feel free to remove the offending pages and put them to better use right there in the Reading Room solving the problems of the moment I'm sure you understand Enjoy Life is short Don't waste it on seriousness
