John M. Levy

Looking At Buses:

Bus services after the Spending Review Great Britain: Parliament: House of Commons: Transport Committee,2011-08-11 The Transport Committee reports that extensive cuts to rural evening and weekend bus services are damaging the ability of many people especially the old young or disabled to participate in employment education or voluntary work and to access vital services such as healthcare and retail facilities In a review of England s bus services outside London after the Spending Review the Committee warns that even deeper cuts in bus services are likely in 2012 13 as local authorities struggle to deal with budgetary reductions and calls for the concessionary travel scheme to be preserved so that the elderly and disabled continue to enjoy free bus travel The Committee also concludes that the concessionary fares scheme was discriminatory because it did not apply to most community transport providers usually independent charities that provide transport such as dial a ride bus services It calls on the Department for Transport to monitor the extent of service cutbacks made this year and to review service provision again after BSOG Bus Service Operator Grant grant cuts take effect in 2012 13 so that it can analyse and draw conclusions about the wider costs and benefits of its policy changes to the country as a whole The Local Government Association should identify and disseminate information about good and bad practice in the delivery of cost effective flexible services including community transport and or area based transport integration And local authorities and commercial operators must consult more widely where services are being changed Looking at Buses Clifford Lines,1984-01-01 A Closer Look ,1983 **The performance of the Department for Transport** Great Britain: Parliament: House of Commons: Transport Committee,2010-03-04 In this report the Transport Committee calls on the Government to implement the vision for transport including improved traffic flows on motorways rail electrification and high speed rail reducing greenhouse gas emissions from transport that has been established under the current Secretary of State Lord Adonis The Department has made progress in a number of important areas both recently and over the past decade and has also established a new sense of direction despite a too frequent change of ministers The Committee reviews progress against the Government s integrated transport plan Transport 2010 which was adopted in 2000 Whilst much has been achieved the ambition to build up to 25 light rail lines has not It calls on the Government to publish a comprehensive progress report against the targets that it set itself It also calls for strong action on local bus services which outside London are still not integrated with other local transport services Bus use outside London continues to decline apart from a slight increase after the introduction of free bus travel for older and disabled people The Committee calls for full implementation of the Local Transport Act which gives local authorities powers to introduce bus quality partnerships and quality contracts and for the Traffic Commissioners to be given adequate resources to carry out punctuality monitoring *Buses in Greater London* Peter Tucker,2024-02-15 A lavishly illustrated overview of London s buses from the 1990s straight through to the present day **Bus Transportation** ,1922 *National Bus Company Service Vehicles 1972-1986: Another Look* Michael

Alexander Amani,2010-05-07 The X Factor offers a refreshingly new perspective from both sides on a well documented and highly criticized event in world history In so doing it encourages introspection into the human condition and draws sobering conclusions while shedding light into the shadowy world of espionage and child exploitation Xavier Knight an orphaned teenager is recruited and trained as a commando at a top secret base in the U S Along with other orphaned boys aged 10 13 he is then deployed to Vietnam one year after the fall of Saigon April 1975 to operate as a drug courier Under the code name Operation Childs Play Xavier and his peers traffic heroin utilizing the tunnels that are ubiquitously located throughout southern Vietnam Unbeknownst to the children is a plot to assassinate key Vietnamese military and political leaders that the CIA has identified The protagonist Xavier Knight quickly realizes that the stakes are high as he loses friends and his innocence for life forever while becoming an accomplished assassin As The X Factor reaches eleven years into the future Xavier has become a member of the elite U S Navy SEALs The plot shifts gears when a stolen atomic demolition munition device is reported to be heading to Cuba from Russia A chase after the stolen atomic device ushers in the presence of a mysterious and beautiful Israeli agent named Assyria Zalloua Saad The plot becomes more dangerous when the Red Mafia joins forces with a Mexican drug cartel as plans go forward to relocate Heroin operations from the east coast of the U S to California The two crime syndicates become the focus for SEAL team missions abductions and a final show down on the Las Islas de Coronados islands off the coast of Southern California

Award) Vinoy Thomas,2023-01-23 The remote village of Perumpadi at the border between Kerala and Karnataka is a unique settlement Bounded by dense Kodagu forests on the south and west and raging rivers on the north and east its very isolation was what drew the first settlers to this unharnessed land The first to make his way across this rough terrain was Kunjuvarkey along with a young woman bearing his child Kunjuvarkey was fleeing the opprobrium of getting his own daughter pregnant Those who followed had similar shameful secrets In a land of sinners where no one pried into the other s past they were able to live and build a community without being tied down by society s interdictions Fifty years later as the community moves into modernity they start showing signs of reforming from their beginnings of a hillbilly and promiscuous existence With no panchayats to resolve local disputes following in his father s footsteps Jeremias Paul of Reformation House known by the moniker President becomes the unchallenged adjudicator of Perumpadi thanks to his equanimity and sense of fairness But Jeremias has his own secrets and ultimately may have to answer for his own moral lapse Anthill a robust translation of the award winning novel Puttu and with a cast of over 200 characters tells the story of a people who have tried to shed the shackles of family religion and other restraining institutions but eventually also struggle to conform to the needs of a cultured society Written with disarming honesty and biting humour Anthill is ultimately a story that questions the veneer of respectability people try to put up in their lives
