## Looking At Nigera:

**Let's Look at Nigeria** Mary Meinking, 2019-05-01 Welcome to Nigeria See the sites Enjoy the food Hear the language Discover this country's land people and traditions Looking at Nigeria Jillian Powell, 2007 Looking at Countries is a colorful introduction to other cultures Perfect for reports each book has been thoroughly researched and uses a variety of features to familiarize readers with people and countries around the world Each book includes Leveled text correlated to the early elementary social studies curriculum Engaging full color photographs Multiple maps including a black and white reproducible map and map related activities An overview of the land weather people homes food and lifestyles of each featured country A two page section of facts about each country including government currency population and a photograph of the country's flag Did You Know boxes that present information that is interesting surprising or just fun to know A glossary to explain difficult or new words Attic World Sunshine, 2009-08 **Photography and American Coloniality** Raoul J. Granqvist, 2017-04-01 This book is the first to question both why and how the colonialist mythologies represented by the work of photographer Eliot Elisofon persist It documents and discusses a heterogeneous practice of American coloniality of power as it explores Elisofon's career as war photographer correspondent and staff photographer for LIFE filmmaker author artist and collector of primitive art and sculpture It focuses on three areas Elisofon's narcissism voyeurism and sexism his involvement in the homogenizing of Western social orders and colonial legacies and his enthused mission of sending home a mass of still life photographs annexed African artifacts and assumed vintage knowledge The book does not challenge his artistic merit or his fascinating personality what it does question is his production and imagining of difference As the text travels from World War II to colonialism postcolonialism and the Cold War from Casablanca to Leopoldville Kinshasa it proves to be a necessarily strenuous and provocative trip **Majority State Ownership of Oil and Mining Sectors in Africa** John James Quinn, 2024-09-30 Majority State Ownership of Oil and Mining Sectors in Africa The Resource Curse Undermined shows that countries in sub Saharan Africa with majority state ownership of their major oil or mineral export sectors suffered from more severe versions of the natural resource curse than other similar countries Examining natural resource exporting nations in sub Saharan Africa between 1966 to 2000 Quinn shows that on average states with majority state ownership of these sectors featured lower growth lower incomes declining alternative export sectors more debt lower levels of investment lower levels of political and civil rights and more domestic conflict than other similar countries These results remained fairly consistent across both cross country data as well as in paired case studies One surprise finding is that these countries either had depreciating currencies or did not feature high levels of currency appreciation on average which is inconsistent with resource curse literature predictions Rather most countries with majority state ownership had high levels of currency overvaluation which operated in a similar manner as currency appreciation This work should appeal to students and faculty interested in the political economy of development the natural resource curse and African development as well as

politicians policy makers and NGO workers working in these areas The strong recommendation of the book is that governments should control 50% or less of these sectors

**The Business Year: Nigeria 2020** Peter Howson, Research for this publication began in the wake of elections that saw the re election of President Muhammadu Buhari who was sworn in on May 2019 The result brought an end to a period of political uncertainty and added new vigor to Africa s largest economy Nevertheless despite this new found stability Nigeria is still struggling to overcome the impact of years of recession not to mention the challenges of the low oil price environment and the effects of COVID 19 mitigation measures This 188 page publication covers finance gas and power oil and exploration industry IT and telecoms transport construction real estate agriculture health entertainment and tourism

*Nigerian Immigrants in the United States* Ezekiel Umo Ette, 2011-10-24 Nigerian Immigrants in the United States Race Identity and Acculturation by Ezekiel Ette attempts to generate an interest in the study of African immigrants by looking at issues of settlement and adjustment of Nigerians in the United States Ette s work seeks to contribut

Surry's Last Stand Liberty Dendron, 2019-02-16 This book will invade the privacy of your children s mind the words will persuade you to continue reading it to the end and you will surrender to the charm of the writing and the power of its optimism A wonderful children s book about a Hippo who attacked a tribe of Mountain Lions Surry attacked a Mountain Lion after it killed a Hyena When Surry returned home he was thinking about his battle with the Mountain Lions and how he was wounded in dozens of places but he was still alive Some Mountain Lions were badly injured on their hind leg others had badly torn throats and some had lost their eyes Others ears were bitten off and he could hear their family s crying and whimpering throughout the night Surry is a strong spirited hippo A story that touches all of your emotions A thrilling action packed animal adventure that will appeal to both boys and girls

Nigerian Petroleum Industry, Policies and Conflict Relations Vol I Otokunefor, Henrietta O. C., 2017-09-28 Volumes 1 and Volume 2 of Nigerian Petroleum Industry Policies and Conflict Relations contain the following on the oil and gas industry in Nigeria basic production statistics nature and activities of operators official oil and gas policies relevant laws and regulations regulatory agencies pricing of refined petroleum products marketers and their challenges consumer and community relations and reactions crimes and vandalism of pipelines and other infrastructure refineries and refining issues role of law enforcement and intelligence agencies involvement of the National Assembly and its relevant committees strategic issues and other impacts of local and international politics A comprehensive and exhaustive discussion of each and everything thing about the Nigerian petroleum industry by experts in and outside academia research institutes and think tanks top functionaries in relevant ministries government departments and agencies past and current heads of state presidents past and current ministers prominent and knowledgeable legislators politicians of all descriptions and at all levels top newspaper columnists discerning local and foreign critics interviews and transcribed broadcasts and press releases by same officials of non governmental organisations and a host of those loosely referred to as civil society organisations civil and political activists of all hues so called

international development agencies some diplomatic missions and the dead panned apologists for successive governments An immensely invaluable documentary source book more especially to regulators the NNPC group policy makers researchers and social scientists in tertiary institutions and public and private sector think tanks local and foreign operators observers and those with interest in the oil and gas industry in Nigeria *Views of Africa* Encyclopaedia Britannica, Inc.,2012-04-01 Updated for 2012 and part of the Britannica Learning Library Series in Views of Africa you will learn about the people traditions landscapes and history that make up many of the countries and cities of Africa On the move Aitor Ibarrola-Armendariz,Jon Ortiz de Urbina Arruabarrena,2016-07-29 This volume brings together a selection of the papers and round tables delivered at the 39th AEDEAN Conference held at the University of Deusto in November 2015 The essays in *On the Move Glancing Backwards to Build a Future in English Studies* often begin with typically academic gestures such as retrieving a classic text and finding new ways of studying its genre or characterization or remarking how certain ungrammatical constructions have gone frequently unnoticed even in well known texts for various reasons or entangling oneself in contentions about the adequacy of dissecting a literary text or linguistic problem by using innovative analytical tools In all cases though there is the intention of putting forth certain views and notions that will help future scholars to deal in a better light with the dilemmas regularly encountered in literary linguistic and cultural studies The book opens with three essays by professors Bartholomae Pullum and R o who demonstrate not only their mastery in their respective subjects but also their ability to tailor their contents to multifarious audiences The next two sections represent the main body of the e book with nearly forty contributions on both literature and cultural studies Part II and language and linguistics Part III These short academic pieces are a representative showcase of the research being done lately in the different areas of expertise The last section of the volume gathers together the results of four research projects dealing with such engaging topics as postcolonial crime fiction or forgotten texts by Anglo writers about the Spanish Civil War It is hard to think of any potential reader schooled in English Studies who will not find something suitable to their interests and tastes in this volume **The Business Year: Nigeria 2021/22** , The Business Year Nigeria 2021 22 analyzes the main challenges faced by the West African economy as a consequence of the global COVID 19 pandemic and how innovation new ideas and solutions diversification and above all the country s resilience are helping Nigeria move forward with a positive economic outlook In this 114 page edition which features interviews with top business leaders from across the economy as well as news and analysis we cover finance green economy energy industry agriculture ICT transport real estate construction and transport **The Energy Year Nigeria 2021** The Energy Year,2022-03-07 There is a lot of competition around Africa and the only way to make investors more interested in our offerings is by showcasing the real opportunities present in our country and our appetite in technology transfer Chief Timipre Marlin Sylva Minister of State for Petroleum Resources The Energy Year Nigeria 2021 highlights Nigeria s ambitious quest to ramp up production via marginal fields increase its refining capacity

through modular plants advance gas utilisation with virtual pipelines and revamp its entire power sector to ultimately become Africa's energy powerhouse Our strategy and focus for gas in 2021 is to drive the implementation of the country's Decade of Gas initiatives and grow the overall importance of the industry via increasing its contribution to Nigeria's GDP

Engr Sarki Auwalu Director and CEO Department of Petroleum Resources The Energy Year Nigeria 2021 elucidates how Nigeria's energy industry has remained resilient while it undergoes a unique reshaping through its recently passed Petroleum Industry Bill as well as the launch of its Decade of Gas initiative and the materialising of its refining revolution all of which are propelling the country on its path towards energy transition and self sufficiency Produced in partnership with the Federal Ministry of Power the Department of Petroleum Resources and the Nigerian Content Development and Monitoring Board this eighth edition of The Energy Year's Nigeria series provides investors deep insight on the efforts made to push the country's energy sector beyond the Covid 19 crisis The report gives a detailed picture of the opportunities surrounding crude oil natural gas and power at a time when Nigeria is driven by its pursuit of greater efficiency and a viable energy transition

International Law and Civil Wars Eliav Lieblich, 2013-03-05 This book examines the international law of forcible intervention in civil wars in particular the role of party consent in affecting the legality of such intervention In modern international law it is a near consensus that no state can use force against another the main exceptions being self defence and actions mandated by a UN Security Council resolution However one more potential exception exists forcible intervention undertaken upon the invitation or consent of a government seeking assistance in confronting armed opposition groups within its territory Although the latter exception is of increasing importance the numerous questions it raises have received scant attention in the current body of literature This volume fills this gap by analyzing the consent exception in a wide context and attempting to delineate its limits including cases in which government consent power is not only negated but might be transferred to opposition groups The book also discusses the concept of consensual intervention in contemporary international law in juxtaposition to traditional legal doctrines It traces the development of law in this context by drawing from historical examples such as the Spanish Civil War as well as recent cases such those of the Democratic Republic of the Congo Somalia Libya and Syria This book will be of much interest to students of international law civil wars the Responsibility to Protect war and conflict studies and IR in general

**Democracy and Nigeria's Fourth Republic** Wale Adebawale, 2023 Examines Nigeria's challenges with consolidating democracy and the crisis of governance arising from structural errors of the state and the fundamental contradictions of the society in Nigeria's Fourth Republic

**Christian Churches and Nigeria's Political Economy of Oil and Conflict** Nkem Emerald Osuigwe, 2014-09-18 The received account on African evangelical Christianity regarding social witness in a section of Western scholarship is that it is anti development and a political Such an account heavily draws from an instrumentalist and functionalist assessment of such Christianity without recourse to its emic perspective Using the case study method this book presents an ethnographic examination of this

functionalist reading by investigating describing and analysing evangelical Christian theological and socio political consciousness within the context of oil and conflict in Nigeria s Niger Delta region Adopting approaches from practical theology congregational studies and anthropology of religion the author challenges such a reading using data gathered from three congregations in the region His discourse revolves around answers to the following four critical questions What are the underlying theological issues and beliefs of Nigerian evangelical Christians within the context of oil and conflict What is their prevalent praxis within the context of Nigeria s political economy of oil and conflict How accurate is the received account that African evangelical and fundamentalist Christianity lacks social responsibility and is a political and anti development What would a contextual political theology for Nigeria s political economy of oil look like The theological issues are varied and the prevalent praxis nuanced which then serves as a veritable critique of the claim that African evangelical Christianity lacks social responsibility due to its preoccupation with soul winning Whereas such Christianity places much emphasis on the winning of souls as an expression of its spirituality it is neither oblivious nor indifferent to its socio political milieu Rather it sees such spirituality as a form of political praxis Some of the trajectories of the spirituality include a theology of conversion a theology of prayer and an ethics of crude oil with Total Freedom as the nomenclature for the specific theological perspective offered for Nigeria s political economy of oil While locating this theological perspective within the taxonomy of Liberation Theology the affinity and dissonance between the two are identified

**The Report: Nigeria 2016** Oxford Business Group, 2016-10-06 Nigeria is the largest economy in Africa with a GDP of 487bn in 2015 according to the World Bank The country asserted the mantle of the continent s largest economy in 2013 following a rebasing exercise However its large population means that Nigeria remains a comparatively poor country in per capita terms with a lower GDP per capita than several of its sub Saharan neighbors Following a real GDP contract of 1.5% in 2016 the IMF forecasts that growth will reach 0.8% in 2017 and 1.9% in 2018 While growth began to pick up in the first half of 2017 Nigeria still has much work to do However there is the sentiment that the economy has turned a corner and has begun to see a silver lining Devaluation of the naira rising inflation the drop in oil revenues the slowdown in oil production and the leader softening of growth

*Governance and Economic Growth in Nigeria* Saidat Ilo, 2023-10-24 *Governance and Economic Growth in Nigeria* The Role of China and the U S between 2001-2011 examines why Nigeria experienced steady economic growth in GDP between 2001-2011 Saidat Ilo argues that improved governance as well as the perceived competition between China and the United States has impacted this growth She analyzes this perceived rivalry and their policies closely This book not only contributes to development theories by focusing and analyzing governance but it also goes a step further by filling a gap of contending theories which fail to consider the role governance plays in economic growth and progress particularly in the developing

world Through in depth research Saidat Ilo discovers how China and the United States foreign policies influence decisions on foreign aid and trade in Nigeria She shows that there is a direct correlation between good governance and economic growth in Nigeria and provides policy recommendations based on this research
