Wodehouse and Hollywood* Brian Taves, 2015-01-24 Beloved British humorist P G Wodehouse produced a wealth of literature in his lengthy career contributing novels short stories plays lyrics and essays to the canon of comic writing His work in film and television included two stints as a screenwriter in Hollywood in the 1930s and his stories have been the basis for more than 150 film and television productions He also wrote 20 stories and essays about Hollywood satirizing the city and its entertainment magnates This book studies P G Wodehouse's extensive but often overlooked relationship with Tinsel Town The book is arranged chronologically covering Wodehouse's Hollywood career from his early efforts in silent film to his later contributions in television to his work adapted posthumously for the screen Radio is covered as well including a discussion of his internment in occupied France and his brief appearances on German radio Reflecting Wodehouse's international appeal the book covers Wodehouse films and television in England Germany Sweden and India Also included are a comprehensive detailed list of Wodehouse's stories and articles about Hollywood and a complete filmography of motion picture and television works to which he contributed or which were based on his stories *The Best Short Stories of ... and the Yearbook of the American Short Story*, 1926 **Blandings Castle** P. G. Wodehouse, 2025-04-25 I envy those who've never read Wodehouse before the prospect of reams of unread Wodehouse stretching out in front of you is something which is enticing to contemplate Tony Blair Welcome to Blandings Castle home of the well intentioned but often distracted Lord Emsworth and there are quite a few distractions at this stately country house Head gardener Angus McAllister has resigned before the Shrewsbury Agricultural Show when Emsworth needs him most Lady Constance Emsworth's officious sister has caged her daughter in the castle to keep her away from the persistent Beefy Bingham and the Blandings pigman Wellbeloved has been sent to prison for drunken and disorderly conduct just days before Emsworth's adored sow can win first prize at the 87th Annual Shropshire Show Through P G Wodehouse's expert wit we witness Lord Emsworth trying to solve these predicaments and others with the unexpected help and hindrance of a lively array of characters **Best Short Stories** Martha Foley, Edward Joseph O'Brien, 1926 Includes the Yearbook of the American short story 1978 1980 *The Novel Life of PG Wodehouse* Roderick Easdale, 2014-06-18 Was PG Wodehouse really a traitor a naive simpleton dominated by his wife and out of touch with the world around him This book challenges many of the accepted wisdoms about PG Wodehouse and his work and skilfully entwines details of Wodehouse's life with an analysis of his work to show that contrary to popular belief many of the scenarios characters and issues he wrote about came from his own sometimes bitter personal experience It shows for instance how Bertie Wooster is a much misunderstood figure in

literature and shared many of the characteristics and life story of PG Wodehouse himself Easdale also gives fresh insight into PG Wodehouse's alleged treachery during World War II and his motives for making five radio broadcasts from Germany which were to cast a shadow over the rest of his life Easdale often finds an original angle with which to shatter stale accepted perception this book is compelling Country Life This fascinating examination offers a refreshing and accessible study of Wodehouse's work Press Association
