My World Is An Island:

My World Of Islands Leslie Thomas, 2011-02-08 Leslie Thomas's odyssey is a vivid personal account of the most fascinating islands at the furthest reaches of the globe to islands as distant and diverse as Saint Pierre et Miquelon off Newfoundland and Great Barrier Island off New Zealand and to places more familiar by name including Nantucket Fair Isle Tahiti and Capri this journey voyages to the world's smaller places Descriptive evocative and liberally sprinkled with anecdotes the book weaves together a tapestry of impressions Beachcombing for local legends geography colonial history and maritime lore Thomas's search for the mystique of these islands gives the reader a unique insight into an extraordinary and beautiful world of islands My World of Islands reads as a paean to a past age a reminder that the entire world has not yet been reduced to Frejus or Marbella Times Literary Supplement

Around My World Jason Thiessen, 2012-07 In life we are occasionally faced with detours Some of them are thrust upon us just when we think we have life all figured out Sometimes however they are self created We choose to take them driven by some inner desire or passion Author Jason Thiessen's extraordinary adventure was just such a detour borne of the dreams of a young boy with only an atlas as his guide to an unseen world Nearly thirty years after those dreams began they became a reality Thiessen a man with a wife a career and a mortgage set out on a journey of discovery to find purpose and meaning while attempting to answer lifelong questions His detour from an otherwise traditional life path took him to South America Africa the Middle East Europe India Southeast Asia and Australia ultimately traveling twice the distance of the circumference of the earth Just as his adventure brought him from the heights of the Andes to the depths of the Dead Sea so too did Thiessen take an emotional journey from feelings of excitement fulfillment and joy to those of anger frustration and despair Around My World A Detour on Life's Journey tells a story for anyone who is on their own journey to reconcile modern day pressures and realities with the insights that world travel can bring to one's life
