My Turn An Autobiography:

My Turn: The Autobiography Johan Cruyff, 2016-10-06 I knew nothing about football before knowing Cruyff Pep Guardiola Johan Cruyff is widely regarded as one of the greatest players in football history Throughout his playing career he was synonymous with Total Football a style of play in which every player could play in any position on the pitch Today his philosophy lives on in teams across Europe from Barcelona to Bayern Munich and players from Lionel Messi to Cesc Fabregas My Turn tells the story of Cruyff's life starting at Ajax where he won eight national titles and three European Cups before moving to Barcelona where he won La Liga in his first season in 1973 and was named European Footballer of the Year He won the Ballon d'Or three times and led the Dutch national team to the final of the 1974 World Cup famously losing to West Germany and receiving the Golden Ball as the player of the tournament Off the field his life was more turbulent surviving a kidnapping attempt and bankruptcy This honest and unflinching autobiography also explores his life after retirement when he became a hugely successful manager of Ajax and then Barcelona when he won the Champions league with a young Pep Guardiola in his team My Turn is the inspirational account of a legendary football hero voted European Player of the Century in his own words In March 2016 Cruyff died after a short battle with lung cancer bringing world football to a standstill in an outpouring of emotions A brilliant teacher and analyst of the game he loved My Turn is Johan Cruyff's legacy

My Turn Johan Cruyff, 2016-11-29 The autobiography of Dutch soccer legend Johan Cruyff whose remarkable life and impeccable style have influenced star players and clubs for decades Johan Cruyff embodied a footballing philosophy that now dominates coaching and playing styles in all the leading club sides around the world You can dispute whether Cruyff was the greatest player ever he was certainly one of the top three but he is undoubtedly the player who single handedly changed the nature of the game My Turn tells the story of Cruyff's remarkable career built on the techniques he learned playing in the streets of postwar Amsterdam while hoping to be noticed by the city's famous club Ajax He would eventually inspire that team to eight league championships and three European cups He won his first of three Ballons d'Or at twenty four in 1971 In 1973 Cruyff was sold to Barcelona for a world record transfer fee He led the Catalans to victory in La Liga for the first time since 1960 and went on to leave a lasting mark on Spanish soccer In the 1974 World Cup Cruyff propelled the Dutch team to the final for the first time Cruyff's lasting influence however is not in the medals he won but in the style of play he epitomized and then applied to the Barcelona and Ajax teams he coached His vision of Total Football transformed the way soccer was played and its dazzling fluidity became the basis of the most admired sides around the world He was the sport's uncompromising genius on and off the field of play

From Guernica to Guardiola Adam Crafton, 2018-05-03 As Pep Guardiola shatters records and confounds the norms of English football and players such as David De Gea and David Silva light up the national game Spanish stars are transforming the way English football is conceived But the origins of this particular Spanish invasion date back to 1937 when the Spanish Civil War led to a stream of refugees

fleeing their country for the safe haven of England Their families reveal how the refugees learned the game here before returning to Spain where one would score Real Madrid's first goal in the Bernabeu stadium and another would be the first man to conceive of Barcelona's vaunted La Masia academy that would later launch stars such as Lionel Messi Cesc Fabregas and Xavi Hernandez In recent years the reputation of Spain's footballers has grown and every club craves a sprinkling of tiki taka magic Through dozens of exclusive interviews Adam Crafton has spoken to many of the key Spanish figures who have come to England and he creates a compelling portrait of their impact on the English game We discover how and why it is that some players such as Xabi Alonso Pepe Reina and Juan Mata have had great success here while others have toiled so painfully But this is not just a footballing story pure and simple Crafton provides the historical and social context that helps to explain how the relationship between the two nations is constantly changing yet always close For anyone who enjoyed Jonathan Wilson's *Inverting the Pyramid* or Sid Lowe's *Fear and Loathing in La Liga* this book is a revealing and brilliant insight into this most benign of Spanish invasions
