Lion Songs Banning

Eyre,2015-05-01 Like Fela Kuti and Bob Marley singer composer and bandleader Thomas Mapfumo and his music came to represent his native country s anticolonial struggle and cultural identity Mapfumo was born in 1945 in what was then the British colony of Rhodesia now Zimbabwe The trajectory of his career from early performances of rock n roll tunes to later creating a new genre based on traditional Zimbabwean music including the sacred mbira and African and Western pop is a metaphor for Zimbabwe s evolution from colony to independent nation Lion Songs is an authoritative biography of Mapfumo that narrates the life and career of this creative complex and iconic figure Banning Eyre ties the arc of Mapfumo s career to the history of Zimbabwe The genre Mapfumo created in the 1970s called chimurenga or struggle music challenged the Rhodesian government which banned his music and jailed him and became important to Zimbabwe achieving independence in 1980 In the 1980s and 1990s Mapfumo s international profile grew along with his opposition to Robert Mugabe s dictatorship Mugabe had been a hero of the revolution but Mapfumo s criticism of his regime led authorities and loyalists to

turn on the singer with threats and intimidation Beginning in 2000 Mapfumo and key band and family members left Zimbabwe Many of them including Mapfumo now reside in Eugene Oregon A labor of love Lion Songs is the product of a twenty five year friendship and professional relationship between Eyre and Mapfumo that demonstrates Mapfumo s musical and political importance to his nation its freedom struggle and its culture

Decolonisation, Identity and Nation in Rhodesia, 1964-1979 David Kenrick,2019-11-02 This book explores concepts of decolonisation identity and nation in the white settler society of Rhodesia now Zimbabwe between 1964 and 1979 It considers how white settlers used the past to make claims of authority in the present It investigates the white Rhodesian state s attempts to assert its independence from Britain and develop a Rhodesian national identity by changing Rhodesia s old colonial symbols and examines how the meaning of these national symbols changed over time Finally the book offers insights into the role of race in Rhodesian national identity showing how portrayals of a timeless black population were highly dependent upon circumstance and reflective of white settler anxieties Using a comparative approach the book shows parallels between Rhodesia and other settler societies as well as other post colonial nation states and even metropolises as themes and narratives of decolonisation travelled around the world

Playing Across a Divide Benjamin Brinner,2009-12-21 Following the bands Bustan Abraham and Alei Hazayit from their creation and throughout their careers as well as the collaborative projects of Israeli artist Yair Dalal this book demonstrates the possibility of musical alternatives to violent conflict and hatred in an intensely contested multicultural environment

Paradosiaká: Music, Meaning and Identity in Modern Greece Eleni Kallimopoulou,2016-12-05 Since the 1980s musicians and audiences in Athens have been rediscovering musical traditions associated with the Ottoman period of Greek history The result of this revivalist movement has been the urban musical style of paradosiak traditional Drawing from a varied repertoire that includes Turkish art music and folk and popular musics of Greece and Turkey and identified by the use of instruments which previously had little or no performing tradition in Greece paradosiak has had to define itself by negotiating contrastive tendencies towards differentiation and a certain degree of overlapping in relation to a range of indigenous Greek musics This monograph explores paradosiak as a musical style and as a field of discourse seeking to understand the relation between sound and meanings constructed through sound It draws on interviews commercial recordings written musical discourse and the author s own experience as a practising paradosiak musician Some main themes discussed in the book are the migration of instruments from Turkey to Greece the process of indigenization whereby paradosiak was imbued with local meanings and aesthetic value the accommodation of the style within official and popular discourses of Greekness its prophetic role in the rapprochement of Greek culture with modern Turkey and with suppressed aspects of the Greek Ottoman legacy as well as the varied worldviews and current musical dilemmas of individual practitioners in the context of professionalization commercialization and the intensification of cross cultural contact The text is richly illustrated with transcriptions illustrations and includes downloadable resources The book makes a valuable

contribution to ethnomusicology cultural studies as well as to the study of the Balkans and the Mediterranean The Routledge Companion to Twentieth and Twenty-First Century Latin American Literary and Cultural Forms Guillermina De Ferrari, Mariano Siskind, 2022-08-19 The Routledge Companion to Twentieth and Twenty First Century Latin American Literary and Cultural Forms brings together a team of expert contributors in this critical and innovative volume Highlighting key trends within the discipline as well as cutting edge viewpoints that revise and redefine traditional debates and approaches readers will come away with an understanding of the complexity of twenty first century Latin American cultural production and with a renovated and eminently contemporary understanding of twentieth century literature and culture This invaluable resource will be of interest to advanced students and academics in the fields of Latin American literature cultural studies and comparative literature

Narrating the Nation Stefan Berger, Linas Eriksonas, Andrew Mycock, 2008-10-01 A sustained and systematic study of the construction erosion and reconstruction of national histories across a wide variety of states is highly topical and extremely relevant in the context of the accelerating processes of Europeanization and globalization However as demonstrated in this volume histories have not of course only been written by professional historians Drawing on studies from a number of different European nation states the contributors to this volume present a systematic exploration of the representation of the national paradigm In doing so they contextualize the European experience in a more global framework by providing comparative perspectives on the national histories in the Far East and North America As such they expose the complex variables and diverse actors that lie behind the narration of a nation
