Nicolas Slonimsky

Nicolas Slonimsky Writings On Music Russian Music:

Nicolas Slonimsky: Russian and Soviet music and composers Nicolas Slonimsky, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company *Nicolas Slonimsky* NICOLAS. SLONIMSKY, 2003-10-31

First published in 2004 Routledge is an imprint of Taylor Francis an informa company **Nicolas Slonimsky:**

Slonimskyana Nicolas Slonimsky, 2004 At the beginning it was not at all obvious how to organize this collection of Slonimsky writings numbering in the hundreds Clearly Russian and Soviet music would be central But also American music North and South Modern music cuts across all geographical categories The articles varied considerably in length tone depth intended readership Written over more than fifty years their historic perspective and writing style shift and evolve **Nicolas**

Slonimsky: Music of the modern era Nicolas Slonimsky, 2004 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company **Nicolas Slonimsky: Early articles for the Boston evening transcript** Nicolas

Slonimsky, 2004 First published in 2004 Routledge is an imprint of Taylor Francis an informa company **Russian Music at Home and Abroad** Richard Taruskin, 2016-09-06 This new collection views Russian music through the Greek triad of the Good the True and the Beautiful to investigate how the idea of nation embeds itself in the public discourse about music and other arts with results at times invigorating at times corrupting In our divided post Cold War and now post 9 11 world Russian music formerly a quiet corner on the margins of musicology has become a site of noisy contention Richard Taruskin assesses the political and cultural stakes that attach to it in the era of Pussy Riot and renewed international tensions before turning to individual cases from the nineteenth century to the present Much of the volume is devoted to the resolutely cosmopolitan but inveterately Russian Igor Stravinsky one of the major forces in the music of the twentieth century and subject of particular interest to composers and music theorists all over the world Taruskin here revisits him for the first time since the 1990s when everything changed for Russia and its cultural products Other essays are devoted to the cultural and social policies of the Soviet Union and their effect on the music produced there as those policies swung away from Communist internationalism to traditional Russian nationalism to the musicians of the Russian postrevolutionary diaspora and to the tension between the compelling artistic quality of works such as Stravinsky's *Sacre du Printemps* or Prokofiev's *Zdravitsa* and the antihumanistic or totalitarian messages they convey *Russian Music at Home and Abroad* addresses these concerns in a personal and critical way characteristically demonstrating Taruskin's authority and ability to bring living history out of the shadows **Historical Dictionary of Russian Music** Daniel Jaffé, 2022-02-15 Russian music today has a

firm hold around the world in the repertoire of opera houses ballet companies and orchestras The music of Pyotr Tchaikovsky Nikolai Rimsky Korsakov Sergey Rachmaninov Sergey Prokofiev and Dmitri Shostakovich is very much today's lingua franca both in the concert hall and on the soundtracks of international blockbusters from Hollywood Meanwhile the innovations of Modest Musorgsky Alexander Borodin and Igor Stravinsky have played their crucial role in the development of Western

music influencing the work of virtually every notable composer of the past century Historical Dictionary of Russian Music Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 600 cross referenced entries for each of Russia s major performing organizations and performance venues and on specific genres such as ballet film music symphony and church music This book is an excellent resource for students researchers and anyone wanting to know more about Russian Music *A History of Russian Music* Francis Maes,2006-02-20 Introduces the general public to the scholarly debate that has revolutionized Russian music history over the past two decades Summarizes the new view of Russian music and provides an overview of the relationships between artistic movements and political ideas

Historical Dictionary of Modern and Contemporary Classical Music Nicole V. Gagné,2019-07-17 The contemporary music scene thus embodies a uniquely broad spectrum of activity which has grown and changed down to the present hour With new talents emerging and different technologies developing as we move further into the 21st century no one can predict what paths music will take next All we can be certain of is that the inspiration and originality that make music live will continue to bring awe delight fascination and beauty to the people who listen to it This book cover modernist and postmodern concert music worldwide from the years 1888 to 2018 This second edition of Historical Dictionary of Modern and Contemporary Classical Music contains a chronology an introduction and an extensive bibliography The dictionary section has over 500 cross referenced entries on the most important composers musicians methods styles and media in modernist and postmodern classical music worldwide from 1888 to 2018 This book is an excellent resource for students researchers and anyone wanting to know more about modern and contemporary classical music *Music of the Soviet Era: 1917-1991* Levon

Hakobian,2016-11-25 This volume is a comprehensive and detailed survey of music and musical life of the entire Soviet era from 1917 to 1991 which takes into account the extensive body of scholarly literature in Russian and other major European languages In this considerably updated and revised edition of his 1998 publication Hakobian traces the strikingly dramatic development of the music created by outstanding and less well known modernist and conservative nationalist and cosmopolitan composers of the Soviet era The book s three parts explore respectively the musical trends of the 1920s music and musical life under Stalin and the so called Bronze Age of Soviet music after Stalin s death Music of the Soviet Era 1917 1991 considers the privileged position of music in the USSR in comparison to the written and visual arts Through his examination of the history of the arts in the Soviet state Hakobian s work celebrates the human spirit s wonderful capacity to derive advantage even from the most inauspicious conditions *The Propaganda of Freedom* Joseph Horowitz,2023-09-26

The perils of equating notions of freedom with artistic vitality Eloquently extolled by President John F Kennedy the idea that only artists in free societies can produce great art became a bedrock assumption of the Cold War That this conviction defied centuries of historical evidence to say nothing of achievements within the Soviet Union failed to impact impregnable cultural Cold War doctrine Joseph Horowitz writes That so many fine minds could have cheapened freedom by over praising it turning

it into a reductionist propaganda mantra is one measure of the intellectual cost of the Cold War He shows how the efforts of the CIA funded Congress for Cultural Freedom were distorted by an anti totalitarian psychology of exile traceable to its secretary general the displaced Russian aristocrat composer Nicolas Nabokov and to Nabokov's hero Igor Stravinsky In counterpoint Horowitz investigates personal social and political factors that actually shape the creative act He here focuses on Stravinsky who in Los Angeles experienced a freedom not to matter and Dmitri Shostakovich who was both victim and beneficiary of Soviet cultural policies He also takes a fresh look at cultural exchange and explores paradoxical similarities and differences framing the popularization of classical music in the Soviet Union and the United States In closing he assesses the Kennedy administration's arts advocacy initiatives and their pertinence to today's fraught American national identity Challenging long entrenched myths *The Propaganda of Freedom* newly explores the tangled relationship between the ideology of freedom and ideals of cultural achievement

Defining Russia Musically Richard Taruskin, 2020-10-06 The world renowned musicologist Richard Taruskin devoted much of his career to helping listeners appreciate Russian and Soviet music in new and sometimes controversial ways *Defining Russia Musically* represents one of his landmark achievements here Taruskin uses music together with history and politics to illustrate the many ways in which Russian national identity has been constructed both from within Russia and from the Western perspective He contends that it is through music that the powerful myth of Russia's national character can best be understood Russian art music like Russia itself Taruskin writes has always been tinged or tainted with an air of alterity sensed exploited bemoaned revealed in traded on and defended against both from within and from without The author's goal is to explore this assumption of otherness in an all encompassing work that re creates the cultural contexts of the folksong anthologies of the 1700s the operas symphonies and ballets of the 1800s the modernist masterpieces of the 1900s and the hugely fraught but ambiguous products of the Soviet period Taruskin begins by showing how enlightened aristocrats reactionary romantics and the theorists and victims of totalitarianism have variously fashioned their vision of Russian society in musical terms He then examines how Russia as a whole shaped its identity in contrast to an East during the age of its imperialist expansion and in contrast to two different musical Wests Germany and Italy during the formative years of its national consciousness The final section focuses on four individual composers each characterized both as a self consciously Russian creator and as a European and each placed in perspective within a revealing hermeneutic scheme In the culminating chapters Chaikovsky and the Human Scriabin and the Superhuman Stravinsky and the Subhuman and Shostakovich and the Inhuman Taruskin offers especially thought provoking insights for example on Chaikovsky's status as the last great eighteenth century composer and on Stravinsky's espousal of formalism as a reactionary literally counterrevolutionary move

American Folk Music and Left-wing Politics, 1927-1957 Richard A. Reuss, JoAnne C. Reuss, 2000 The 1930s and 1940s represented an era in United States history when large groups of citizens took political action in response to their social and economic circumstances The vision attitudes

beliefs and purposes of participants before during and after this time period played an important part of American cultural history Richard and JoAnne Reuss expertly capture the personality of this era and the fascinating chronology of events in American Folk Music and Left Wing Politics 1927 1957 a historical analysis of singers writers union members and organizers and their connection to left wing politics and folk music during this revolutionary time period While scholarship on folk music history and politics is not unique in and of itself Reuss approach is noteworthy for its folklorist perspective and its long encompassing assessment of a broad cross section of participants and their interactions An innovative and informative look into one of the most evocative and challenging eras in American history American Folk Music and Left Wing Politics 1927 1957 stands as a historic milestone in this period s scholarship and evolution

In Stravinsky's Orbit Klara Moricz,2020-08-04 The Bolsheviks 1917 political coup caused a seismic disruption in Russian culture Carried by the first wave of emigrants Russian culture migrated West transforming itself as it interacted with the new cultural environment and clashed with exported Soviet trends In this book Klara Moricz explores the transnational emigrant space of Russian composers Igor Stravinsky Vladimir Dukelsky Sergey Prokofiev Nicolas Nabokov and Arthur Louri in interwar Paris Their music reflected the conflict between a modernist narrative demanding innovation and a narrative of exile wedded to the preservation of prerevolutionary Russian culture The emigrants and the Bolsheviks contrasting visions of Russia and its past collided frequently in the French capital where the Soviets displayed their political and artistic products Russian composers in Paris also had to reckon with Stravinsky s disproportionate influence if they succumbed to fashions dictated by their famous compatriot they risked becoming epigones if they kept to their old ways they quickly became irrelevant Although Stravinsky s neoclassicism provided a seemingly neutral middle ground between innovation and nostalgia it was also marked by the exilic experience Moricz offers this unexplored context for Stravinsky s neoclassicism shedding new light on this infinitely elusive term

Henry Cowell Joel Sachs,2012-06-28 Henry Cowell A Man Made of Music is the first complete biography of one of the most innovative figures in twentieth century American music It explores in detail the complexities and impact of his life work and teachings

Library of Congress Information Bulletin ,2000 Masterworks of 20th-Century Music Douglas Lee,2013-01-11 Masterworks of 20th Century Music introduces more than one hundred of the greatest compositions by world renowned composer that have entered the standard orchestral repertoire The author surveyed dozens of major American orchestras to focus on those works that an average audience member is most likely to hear Concertgoers who are intimidated by the modern repertoire finally have a single resource that will help them understand and enjoy it Like an educated guide he walks the listener through the piece explaining how all the elements come together to form a unified whole This book serves the general reader interested in 20th century music plus students teachers and scholars

Twentieth-Century Music and Politics Pauline Fairclough,2016-02-17 When considering the role music played in the major totalitarian regimes of the century it is music s usefulness as propaganda that leaps first to mind But as a

number of the chapters in this volume demonstrate there is a complex relationship both between art music and politicised mass culture and between entertainment and propaganda Nationality self other power and ideology are the dominant themes of this book whilst key topics include music in totalitarian regimes music as propaganda music and national identity migr communities and composers music s role in shaping identities of self and other and music as both resistance to and instrument of oppression Taking the contributions together it becomes clear that shared experiences such as war dictatorship colonialism exile and emigration produced different yet clearly inter related musical consequences

Music Library and Research Skills Jane Gottlieb, 2017 Concise and engaging this text covers a wide range of reference sources for research in all genres of music Through this practical introduction to the key concepts of music research students will develop a firm understanding of the tools used to gather data including what types of sources exist how they are arranged and how they may best be used to do research

Insulting Music Lily E. Hirsch, 2022-11-01 Insulting Music explores insult in and around music and demonstrates that insult is a key dimension of Western musical experience and practice There is insult in the music we hear how we express our musical preferences as well as our reactions to settings and sites of music and music making More than that when music and insult overlap the effects can both promote social justice or undermine it foster connection or break it apart The coming together of music and insult shapes our sense of self and view of other people underlining and constructing difference often in terms of race and gender In the last decade music s power dynamics have become an increasingly important concern for music scholars critics and fans Studying musicians such as Frank Zappa Nickleback Taylor Swift and the Insane Clown Posse and musical phenomena such as musician jokes the use of music to torture people and the playing of music in restaurants this book shows the various and contradictory ways insults are used to negotiate those existing dynamics in and around music

Nicolas Slonimsky Writings On Music Russian Music Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Nicolas Slonimsky Writings On Music Russian Music free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Nicolas Slonimsky Writings On Music Russian Music free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Nicolas Slonimsky Writings On Music Russian Music free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Nicolas Slonimsky Writings On Music Russian Music. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open

Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Nicolas Slonimsky Writings On Music Russian Music any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Nicolas Slonimsky Writings On Music Russian Music Books

1. Where can I buy Nicolas Slonimsky Writings On Music Russian Music books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Nicolas Slonimsky Writings On Music Russian Music book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
