Nigeria A Country Study

Abadir M. Ibrahim

Nigeria A Country Study:

Nigeria Department of the Army, 2013-07 This volume is one in a continuing series of books prepared by the Federal Research Division of the Library of Congress under the Country Studies Area Handbook program sponsored by the department of the Army

Nigeria Martin P. Mathews, 2002 Nigeria seems to be in the news all of the time for something be it regime changes co operation internal strife or oil policies The most populous country in Africa and the largest in area in the West African state Nigeria was an early twentieth century colony that became an independent nation in 1960 A country of great diversity because of the many ethnic linguistic and religious groups that live within it borders Nigeria is also a country with a long past This book brings together current issues and a detailed historical background

Nigeria, a Country Study Harold D. Nelson, 1982

Nigeria, a Country Study Carlyn Dawn Anderson, 1979

Nigeria Library of Congress. Federal Research Division, 1992

Human Rights in Nigeria's External Relations Philip Aka, 2016-12-20 This book is a broad ranging argument for thorough reforms at home and abroad in Nigeria as the only antidote to the nation building dilemmas Nigeria confronts in the first quarter of the twenty first century Because of its enormous material and human endowments Nigeria is dubbed the Giant of Africa It is a moniker many of its leaders take seriously Yet Nigeria is a state rife with instability some of it periodically erupting into violence Given still ongoing national security challenges in the land that notoriously includes a bloody religion oriented terrorism the Fourth Republic since 1999 the longest period of continuous democratic rule since independence key to the timeline of this book has not been insulated from the spell of instability The main argument of this work is that internationally agreed upon ethical standards embedded in human rights can save Nigeria This book is a methodologically and theoretically grounded seminal discourse on Nigerian foreign relations that spells out the human rights or lack thereof in those relations including underlying and impinging domestic forces This work is set around six issues of application embedded in a temple of Nigeria s human rights foreign policy comprising two steps and four pillars reconstructed national interest increased human rights at home redesigned peacekeeping reshaped foreign policy machinery increased bilateralism in foreign relations and the use of ECOWAS as human rights tool Although focused on the period since independence for proper understanding of events from the past that shape the current patterns of politics in the land this book also embodies a historical background chapter that overviews the pre colonial and colonial eras

Nigeria in the Twenty-first Century Emmanuel Ike Udogu, 2005 Political stability and peaceful coexistence among Nigeria s diverse nationalities are imperative for development and democratic consolidation and could serve as a model for the region and Africa as a whole This volume put together by leading Nigerian scholars addresses strategies for taming the military to avoid future coups solving the ethnic diversity question through national reconciliation de marginalising women in politics and society reducing human rights violations through the law and many other issues

Human Rights in Nigeria's External Relations in the Age of General Muhammadu Buhari and His Successors Philip C. Aka, 2024-07-17 Under the Fourth

Republic since 1999 the challenge Nigerian leaders face like never before is how to create a state that matches the expectations of their diverse peoples at home and abroad Taking this proposition as starting point this book advances proposals for a human right policy referred to alternately in the work as principled foreign policy for Nigeria under the Fourth Republic taking advantage of the inestimable opportunity afforded by General Muhammadu Buhari s departure from the political scene on May 29 2023 after the famine domestically and externally wrought by his two terms of office as President It is a broad ranging argument draped in the less arcane constitutional vocabulary and material of human rights for thoroughgoing reforms at home and abroad as the only antidote to the nation building dilemmas Nigeria confronts in the first quarter of the twenty first century Buhari s departure marks the end of military teleguidance of Nigerian politics under the Fourth Republic in the camouflage of democratic rule a birthmark of remote control dating back to the first military intervention in the country in January 1966 These momentous events within Nigeria coincide with equally epoch making developments in the UK Nigeria s former colonial overlord with ripple effects in Nigeria signified by the death of Queen Elizabeth II after seven decades on the throne and the emergence of Prince Charles as King of England A new monarch in Britain adds to the opportunity that falls open for the reconfiguration of Nigeria s external relations with ramifications for the application of human rights in those relations Despite its known disabilities Nigeria has the potential infrastructure including its sizable population to conduct a human right policy if its leaders rationalize the country s resources more wisely **The Nigerian Health System's Debacle and Failure!** Daniel M. N. Mcdikkoh,2010 *Nigeria* Carl Mabbs-Zeno,1986

Imperialism and Ethnic Politics in Nigeria, 1960-1996 Pade Badru,1998 Badru examines the class dimension of the Nigerian political crisis since 1960 when this culturally diverse nation became independent He claims that the ruling elite whether constituted in the military or the civil society consistently used ethnicity to secure its own class domination in the absence of a coherent class ideology *Nigeria* John Campbell,2013-06-06 Nigeria the United States most important strategic partner in West Africa is in grave trouble While Nigerians often claim they are masters of dancing on the brink without falling off the disastrous administration of President Goodluck Jonathan the radical Islamic insurrection Boko Haram and escalating violence in the delta and the north may finally provide the impetus that pushes it into the abyss of state failure In this thoroughly updated edition John Campbell explores Nigeria s post colonial history and presents a nuanced explanation of the events and conditions that have carried this complex dynamic and very troubled giant to the edge Central to his analysis are the oil wealth endemic corruption and elite competition that have undermined Nigeria s nascent democratic institutions and alienated an increasingly impoverished population However state failure is not inevitable nor is it in the interest of the United States Campbell provides concrete new policy options that would not only allow the United States to help Nigeria avoid state failure but also to play a positive role in Nigeria s political social and economic development

Improving Nutrition as a Development Priority Todd David Benson,2008-01-01 Undernutrition remains a major

source of human suffering and an obstacle to national economic and human development in many African countries This report investigates undernutrition s persistence drawing on case studies of the public response to the problem in Ghana Mozambique Nigeria and Uganda Analyzing each nation s policymaking structures political actors understanding of undernutrition and the timing of public responses the author explains why none of these four nations has mounted an effective campaign to eliminate undernutrition The author identifies several different causes of this shortcoming with one underlying flaw in the various public responses standing out a fundamental failure on the part of political leaders to see undernutrition as a grave problem that undermines development efforts in their nations The author concludes that an effective response to undernutrition in these countries requires the formation of national advocacy coalitions that can raise public awareness of the problem highlight policymakers duty to ensure the nutrition of their citizens and link proper nutrition to general national development This report should serve as a resource for advocates researchers and others concerned with undernutrition in Africa Historical Dictionary of Modern Coups d'état John J. Chin, Joseph Wright, David B.

Carter, 2022-12-13 For readers interested in international relations politics and global issues Library Journal Starred Review The Historical Dictionary of Modern Coups d'état surveys the history of coups d'état in the post World War II period The term modern in the title therefore demarcates the period since January 1946 This book documents over 582 coup attempts that have occurred in 108 different countries worldwide over a period of 75 years Historical Dictionary of Modern Coups d'état contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 400 cross referenced dictionary entries This book is an excellent resource for students and researchers *How to Conquer the World*

Garrett Wasny, 1999 Management consultant author and Web master Garrett Wasny provides an annotated listing of over 8 000 international trade resources for businesspeople searching for global customers partners and suppliers on the World Wide Web Organized into ten chapters covering geographic markets and global business functions and covering some 230 countries and territories the volume provides relevant tips on Internet use and appendices offering a variety of resources on identifying useful associates drafting initial correspondence tracking information and troubleshooting *The Role of Civil Society in Africa's Quest for Democratization* Abadir M. Ibrahim, 2016-12-08 This book tests many of the assumptions hypotheses and conclusions connected with the presumed role of civil society organizations in the democratization of African countries Taking a comparative approach it looks at countries that have successfully democratized those that are stuck between progress and regression those that have regressed into dictatorship and those that are currently in transitional flux and evaluates what role if any civil society has played in each instance The countries discussed South Africa Ghana Nigeria Ethiopia Egypt and Tunisia represent a diverse set of social and political circumstances and different levels of democratic achievement providing a rich set of case studies Each sample state also offers an internal comparison as each has historically experienced different stages of democratization Along the course of each case study the book also considers the effect that

other traditionally studied factors such as culture colonization economic development and foreign aid may have had on individual attempts at democratization The first extensive work on civil society and democratization in Africa the book adds new insights to the applicability of democratization theory in a non Western context both filling a gap in and adding to the existing universal scholarship This book will be useful for scholars of political science economics sociology and African studies as well as human rights activists and policy makers in the relevant geographical areas **Israel Tax Guide Volume 1 Strategic Information and Regulations** IBP, Inc.,2017-01-10 Israel Tax Guide Volume 1 Strategic Information and Basic Regulations **Azerbaijan Tax Guide Volume 1 Strategic, Practical Information, Regulations** IBP, Inc.,2017-01-10 Azerbaijan Tax Guide Volume 1 Strategic Information and Basic Regulations **Marshall Islands Tax Guide: Strategic Information and Basic Regulations** IBP, Inc.,2017-05-08 Marshall Islands Tax Guide Volume 1 Strategic Information and Basic Regulations **Jersey Offshore Tax Guide: Strategic Information, Regulations, Contacts** IBP, Inc.,2017-03-24 Jersey Offshore Tax Guide Strategic Information Regulations Contacts
