Hostetter, 2022-05-25 Life upended by trauma Overwhelming uncertainty Faith unraveling What do you do when your God image and self image crumble How do you risk again Nothing shapes our beliefs actions and behaviors more than our image of God and the image we have of ourselves In *Wild Ride* Sherill Hostetter leads readers through her journey of transformation When accepting a call to serve in West Africa involves intense suffering Sherill questions what she signed up for As her sense of control and certainty in life crumbles she is left with doubts fears questions and laments Readers accompany Sherill through her broken childhood in living with a mentally ill mother her struggle to be good enough her trauma in overseas missions her wrestling to make sense of it all in light of her faith and her courage to risk again In these pages you ll be invited to consider the landscape of your own life and engage with your own inner questions of who you are and who your God is in the suffering and uncertainties of life      **Historical Research in Nigeria** Rahmon O. Gates, Dianne L. Hall Mark, 2010-08-16 As multicultural education is becoming integral to the core curriculum teachers often implement this aspect into their courses through literature However standards and criteria to teach and promote active discussion about this literature are sparse Cultural Journeys introduces pre service and experienced teachers to the use of literature to promote active discussions that lead students to think about racial diversity More than just an annotated list of books for children Pamela S Gates and Dianne L Hall Mark provide

systematic guidelines that teachers can use throughout their careers to evaluate multicultural literature for students in grades K-8. At the same time, the text leads the reader to a deeper understanding of how to use multicultural literature throughout the entire curriculum and not just during specially designated months or time periods. With the example unit plans and extensive annotated bibliography, this book is a valuable resource that pre-service teachers will utilize when they begin teaching and in-service teachers will reference repeatedly during their planning periods.

In *The Avatar* 2025, Jonathan Cahn warns that ancient deities have returned to corrupt modern Western society, waging a spiritual war that erodes Judeo-Christian foundations. Cahn, a Messianic rabbi, identifies these manipulative ancient forces as operating in a hidden dimension that's influencing world politics. Journeying across the globe, Cahn connects ancient gods to modern leaders and events, exposing how the two worlds are converging and what this means for our future. Only a return to God, seeking salvation through Jesus, can win this war.
