Night Of The Shifters Moon:

Shifting Moon Hope Worthington, 2023-08-31 Seventeen year old Remy West is a typical high school senior She is bright popular with her friends and schoolmates a leader on her cheerleader squad and looking forward to the next chapter of her life when she graduates and attends college Like most teenaged girls living in an affluent area of Long Island and part of what many consider the popular group Remy has her insecurities One of the prettier girls in school Remy has never had nor wanted a serious relationship or any relationship at all She feels much more at ease in a small quiet group of people or just hunkering down at home with a good book rather than hanging in a big crowd or partying with whom many consider to be her popular group of friends Remy has always felt that a piece of her was incomplete and her quest for something deeper often cast her as cold conceited and a bit of a tease by others Even as a little girl Remy had an intense feeling that something bigger was awaiting her just out of reach But now as a popular senior with the all of the peer pressure that accompanied such a label it would be so much easier if she could just let go not care and go with the flow her friends always seemed to want from her Such pressure was no more present than with Daniel Gatto the tall popular senior that most girls would kill just to get close to Daniel had been courting Remy on and off all of senior year While Daniel was attractive something about him always made Remy apprehensive and a bit uncomfortable Moreover Daniel refused to take no for an answer despite Remy's polite rebuff to his advances leading Remy to question whether Daniel's interest in her was genuine or for some ulterior motive With a simple tap on the shoulder Remy's life would change forever Logan Canino was unlike any boy she had ever seen As soon as Remy lays eyes on him she knows he is more than just a new guy at school Remy does not know why but she feels an instant connection to Logan Little did she know that Logan had been keeping watch on Remy all her life and the connection she felt had been forged years before when she was just a little girl Remy quickly learns that Logan Canino is no boy at all Although appearing to be just 18 Logan is in reality decades older and not exactly human but instead a Canine Shifter and the designated future leader of the Shifter Council the ruling body overseeing the four shifter clans created in ancient Rome by Diana the goddess of the hunt and guardian of wild beasts horses and domesticated animals Logan's sudden appearance in Remy's life is no coincidence He has known since Remy was a child that she is his one true soul mate and the only person who can help him attain his full potential and power as leader of the four clans But there are dark forces lurking about that will take extreme measures to keep Remy and Logan apart and keep them from completing their bonding ritual As Logan's courtship of Remy intensifies Daniel's jealousy rages Adversaries since they were shifter children and schoolmates at an exclusive prep school a front for shifters adolescents Daniel a feline shifter and a sworn enemy of the canines and especially Logan will take extreme measures to keep Logan from taking his rightful place as leader of the Shifter Council even if it means sacrificing Remy's life to prevent Logan from reaching his full potential Alternating between ancient Roman times and the creation of the four shifter clans Druid life and Shaman Priests in Ireland during the Iron Age the founding of

an exclusive prep school in 1901 in Upstate New York and the present day social pressures experienced by high school girls Remy the high school dreamer looking for more than life has thus far offered Logan the canine shifter destined for leadership who believes nothing is more important than finding one's true soul mate and Daniel the shrewd but evil nemesis who will stop at nothing to keep Logan from taking his rightful place as Leader of the Shifter Council
