States Several of the most efficient man hunting organizations in the world a few of them legal desperately wanted Wulff dead and knew where he was Wulff said I don t think you understand One of the other two men in the room both sprawled on the floor shook limbs flailing like and insect s in his coma The small man flinched and said Your work is well known But you will never get out of Peru without my help **Lone Wolf #9: Miami Marauder** Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer Burt Wulff was the target and the way to Wulff was through an old friend named Tamara Calabrese s men came for her in broad daylight abducted her from her home and shot her full of drugs so that she didn t know a thing until she woke up in Miami Miami famous resort town place in the sun and all that but not now not for Tamara and not for Wulff The trouble was that Wulff was dead set against heroin and went around breaking up the neat little trade routes that drug runners had set up around the globe Now Calabrese decided he d had enough of Wulff Now he had Tamara the bait by which to lure Wulff to Miami In the shadow of those fine hotels and fancy shops there was something going on along surfside And that something was called murder *Lone Wolf # 14: Philadelphia Blowup* Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer The warpath of Burt Wulff had begun in New York City taken him cross country to San Francisco then in an ever increasing ring of fire and brutal vengeance to Cuba Peru and back to the USA for a killing run across the entire nation But now Wulff s string was finally running out Both the syndicate and the official police were gunning The Lone Wolf and now it was just a matter of time *Lone Wolf #10: Harlem Showdown* Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer Now Calabrese the Kingpin was dead Tamara was dead and the world faced him like a burnt out fuse But the war was not over it could never be over for Wulff Calabrese s henchmen were after him the taste of bloody vendetta in their mouths their guns aimed an poised to shoot So Wulff fled to his home turf holed up in a filthy rooming house on the upper West Side of New York and began the battle against two fronts the dog soldiers of the Mob set on bringing his head home as a bounty and the drug crazed junkies struggling to feed their habits *Lone Wolf #11: Detroit Massacre* Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer After the bloody business up in Harlem when the turf blew wide open and the world seemed to end in flames Wulff was taken into protective custody It was O K it wasn t his first time in jail Not nearly not in a

life like Wulff's. At least the accommodations were clean and the meals regular, what more could a man like Wulff ask after they smashed his fiancée and made his life a burnt-out cinder. But Wulff wasn't even safe in prison. So he forced his way out. It's safer when you're on the run. Always going where the trouble is, he made his way to Detroit, that chrome city that turns out such shiny cars. The trouble was that the cars were coming off the conveyor belt with uncut junk in their innards. And even more troublesome was the fact that Wulff knew all of it.

Lone Wolf #13: The Killing Run Mike Barry, 2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against. Meet a man beyond either forgiveness or vengeance. Meet the Man they Call The Lone Wolf. Better meet him now. The way he lives he can't live much longer. After Wulff killed Carlin in Mexico City and watched his dynamited house burn down, he decided he deserved a rest. He knew that his work wasn't nearly over. But a lot of the top men were down, bullet-riddled, blown up or cremated, and the organization was beginning to feel the effect. Wulff could relax a day or two, at least. What he didn't know was that little vacation in Mexico City would touch off the most violent far-ranging hunt of his life: a Killing Run that would take him across two countries, his mad fury for vengeance almost consuming him as well.

Lone Wolf #12: Phoenix Inferno Mike Barry, 2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against. Meet a man beyond either forgiveness or vengeance. Meet the Man they Call The Lone Wolf. Better meet him now. The way he lives he can't live much longer. Wulff left Detroit with flames in his wake and a shipment of coke in his trunk. He didn't know where he'd be going next. Probably New York, although it had so many black memories for him of his fiancée Marie OD'ing in a cheap rooming house where he found her while he was on a police call. Now all he wanted was rest as he drove south out of the motor city. But there was no rest for Wulff, not as long as the mob wanted him and not as long as the cops wanted him. Driving down the Interstate, he sidwipes a motorcyclist and stops to help with a politeness that he knows will be a mistake. Soon he finds himself held hostage by two henchmen sent on a mission to bring Burt Wulff to Phoenix, dead or alive.

Lone Wolf #8: Los Angeles Holocaust Mike Barry, 2012-04-01 Los Angeles Holocaust Mike Barry When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against. Meet a man beyond either forgiveness or vengeance. Meet the Man they Call The Lone Wolf. Better meet him now. The way he lives he can't live much longer. Los Angeles was not a place but a mental state, the mental state of a severely deranged person. Wulff hated it. Los Angeles and New York were nominally both American cities, but while New York was a great steaming dying beast, Los Angeles was merely vapor. Wulff was marked, but he was marked for Calabrese. He was Calabrese's game. Wulff was Wulff and his two million dollar cargo. Wulff was scheduled for killing and it might as well happen in this cheap rooming house for unemployed actors in this suburb in a city that was all suburbs at the ragged ass end of the continent.

Lone Wolf #3: Boston Avenger Mike Barry, 2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against. Meet a man beyond either forgiveness or vengeance.

Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer Memo to Chief NYPD RE Burt Wulff In New York City he was able to kill at least ten people three of them at high levels in East Coast drug distribution network In one case he blew up a three story townhouse on the east side of Manhattan Subject then proceeded to San Francisco there is considerable newspaper evidence as to some of his acts there In a major dock fire a freighter was destroyed and 50 to 60 people were killed including several law enforcement personnel It is strongly indicated however that Wulff considers himself to be aiding the authorities According to unreliable sources who cannot be identified subject saved 250 000 worth of heroin from the ship fire and is now heading with it toward Boston using it as bait to move the ever higher levels of responsibility for the traffic End report *Lone Wolf #6: Chicago Slaughter* Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer There was nothing you could do the policeman thought You just had to seal off your mind Unless you were that crazy bastard Wulff He thought for a moment of his ex partner ex cop ex combat soldier ex narco who was going to clean up the international drug trade singlehandedly and on the street Wulff was crazy he thought that you could really make a difference The policeman could have laughed but then he thought of what Wulff had accomplished in just a couple of months of single handed action and he was not so sure Moving out on his own he had done more damage than a hundred agencies in twenty years The policeman was still busy with these reflections when the knife entered him between two ribs neatly and almost painlessly at first **Lone Wolf #2: Bay Prowler** Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer Memo to Top Echelons Only Subject Burt Wulff Subject is extremely dangerous and cannot be approached Upon identification he should be killed immediately regardless of apparent risk Circumstances creating Wulff s decision to commence his war against the international drug trade phraseology apparently his trace to personal motives Certain activities of his in New York have shifted the line of succession and created problems out of all relation to the subject s apparent powers to do so How Wulff was able to penetrate security is not yet known Based on certain documents in an attach case stolen by Wulff from one of our principles whom he murdered at close range the subject to the beast of our knowledge has emplaned for San Francisco to continue his war All parties in the San Francisco area are hereby warned Details of the bounty on Wulff will follow **Lone Wolf #5: Havana Hit** Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer To the Commissioner Burt Wulff a former member of this department began his campaign to destroy the international drug trade in New York Traveling

then to San Francisco back across the country to Boston and back yet again to Las Vegas all within a period of less than four weeks he seems to have been solely responsible for the deaths of several hundred operatives involved at all levels of the national and international drug trade At least three of them were at the highest perceptible levels In San Francisco Bay fire aboard and subsequent sinking of a large freighter the destruction of a townhouse in NYC and a row of residences in Boston the gutting of the Paradise Hotel a major resort and gambling center in Las Vegas all seem to be Wulff s work He is apparently marked for execution at all levels of the network and despite the success of his shock tactics cannot go on much longer
