William Lawrence Shirer

Nightmare Years 1930 1940 Twentieth Century Journey:

The Nightmare Years, 1930-1940 William L. Shirer, 2001 As European correspondent for a number of American newspapers during the 1930s William L Shirer witnessed at first hand many of the pivotal events in the buildup to World War II At the Nuremberg rallies when Hitler roared through the streets celebrating his newly won domination of Germany Shirer was there In Munich as Chamberlain abandoned the Czechs Shirer was there In Vienna during the night of the Anschluss in Berlin when Hitler loosed his Blitzkrieg on Poland and began the war Shirer was there Through articles broadcasts and translations of Hitler s speeches Shirer tirelessly tried to warn the world of the terrible evil that was growing in Germany The Nightmare Years a No 1 bestseller when first published in America in 1984 is not only the fascinating eyewitness account of this cataclysmic decade but also the more personal story of a young American caught in tense and desperate times struggling to survive and provide a life for himself and his family as the world lurched inexorably towards war More than any conventional history book Shirer s memoirs let a reader relive history People A superb journalist Shirer was close enough to Hitler to feel the Nazi leader s messianic personal force An unusually fine book Time No one ever did more to explain the rise of the Nazis Barbara Tuchman An outstanding achievement of journalistic history indeed it is the best kind of accurate and absorbing history Washington Post

The Nightmare Years, 1930-1940 William L. Shirer, 1992-06-01 The author of The Rise and Fall of the Third Reich chronicles the years 1930 to 1940 discussing the emergence of Hitler in Europe the workings of the Nazis and the war Reprint

The Nightmare Years - 1930-1940 William Lawrence Shirer, 1984 Autobiography of journalist and writer William Shirer

[William Shirer's Twentieth Century Journey](#) William Lawrence Shirer, 2014 Journalist and author William Shirer was a witness to many of the pivotal events leading up to World War II In the second of a three volume series Shirer tells the story of his own eventful life detailing the most notable events of his career as a journalist stationed in Germany during the rise of the Third Reich Shirer was there while Hitler celebrated his new domination of Germany unleashed the Blitzkrieg on Poland and began the world conflict that would come to be known as World War II This remarkable account tells the story of an American reporter caught in a maelstrom of war and conflict desperately trying to warn Europe and the US about the dangers to come This memoir gives readers a chance to relive one of the most turbulent periods in 20th century history painting a stunningly intimate portrait of a dangerous decade

[The Nightmare Years, 1930-1940](#) William L. Shirer, 2014-01-30 The famous journalist and author of The Rise and Fall of the Third Reich documents his front row seat at the pivotal events leading up to World War II In the second of a three volume series William L Shirer tells the story of his own eventful life detailing the most notable moments of his career as a journalist stationed in Germany during the rise of the Third Reich Shirer was there while Hitler celebrated his new domination of Germany unleashed the Blitzkrieg on Poland and began the conflict that would come to be known as World War II This remarkable account tells the story of an American reporter caught in a maelstrom of war and politics desperately trying to warn Europe and the United

States about the dangers to come This memoir gives readers a chance to relive one of the most turbulent periods in twentieth century history painting a stunningly intimate portrait of a dangerous decade Mr Shirer stirs the ashes of memory in a personal way that results in both a strong view of world events and of the need for outspoken journalism Had Mr Shirer been merely a bland objective reporter without passion while covering Hitler s Third Reich this book and his other histories could never have been written The New York Times William L. Shirer: Twentieth Century Journey William L. Shirer, 2020-10-16

Now in one volume the three part autobiography from the National Book Award winning author of *The Rise and Fall of the Third Reich* The former CBS foreign correspondent and historian provides an invaluable look back at his life and the events that forged the twentieth century *The Start 1904 1930* In the first of a three volume series Shirer tells the story of his early life growing up in Cedar Rapids and later serving as a new reporter in Paris *The Nightmare Years 1930 1940* In the second of a three volume series Shirer chronicles his time in Europe as Hitler dominated Germany and began one of the most dangerous conflicts in world history *A Native s Return 1945 1988* The most personal of the three volumes this edition offers an honest look at the many personal and professional setbacks Shirer experienced after World War II ended and delivers a fascinating take on the aftermath of the war Series praise Mr Shirer stirs the ashes of memory in a personal way that results in both a strong view of world events and of the need for outspoken journalism Had Mr Shirer been merely a bland objective reporter without passion while covering Hitler s Third Reich this book and his other histories could never have been written The New York Times Included in Shirer s well wrought narrative are such little known events as the trials of American broadcasters who propagandized for the Third Reich during WWII as well as such more familiar matters as the McCarthyism of the 1950s The author s comments are refreshingly unfettered by self consciousness A fine fitting conclusion to an important work of autobiography Kirkus Reviews **The Nightmare Years, 1930-1940** William Lawrence Shirer, 1990

20th Century Journey: The nightmare years, 1930-1940 William Lawrence Shirer, *20th Century Journey: The nightmare years, 1930-1940* William Lawrence Shirer, 1983 **20th [Twentieth] Century Journey**, 1984 **20th Century Journey** William L. Shirer, 1984 **CBS's Don Hollenbeck** Loren Ghiglione, 2011 Loren Ghiglione recounts the fascinating life and tragic suicide of Don Hollenbeck the controversial newscaster who became a primary target of McCarthyism s smear tactics Drawing on unsealed FBI records private family correspondence and interviews with Walter Cronkite Mike Wallace Charles Collingwood Douglas Edwards and more than one hundred other journalists Ghiglione writes a balanced biography that cuts close to the bone of this complicated newsman and chronicles the stark consequences of the anti Communist frenzy that seized America in the late 1940s and 1950s Hollenbeck began his career at the Lincoln Nebraska Journal marrying the boss s daughter before becoming an editor at William Randolph Hearst s rip roaring Omaha Bee News He participated in the emerging field of photojournalism at the Associated Press assisted in creating the innovative ad free PM newspaper in New York City reported from the European theater for NBC radio during World War II and anchored

television newscasts at CBS during the era of Edward R Murrow Hollenbeck s pioneering prize winning radio program CBS Views the Press 1947 1950 was a declaration of independence from a print medium that had dominated American newsmaking for close to 250 years The program candidly criticized the prestigious New York Times the Daily News then the paper with the largest circulation in America and Hearst s flagship Journal American and popular morning tabloid Daily Mirror For this honest work Hollenbeck was attacked by conservative anti Communists especially Hearst columnist Jack O Brian and in 1954 plagued by depression alcoholism three failed marriages and two network firings and worried about a third Hollenbeck took his own life In his investigation of this amazing American character Ghiglione reveals the workings of an industry that continues to fall victim to censorship and political manipulation Separating myth from fact CBS s Don Hollenbeck is the definitive portrait of a polarizing figure who became a symbol of America s tortured conscience **World War II** Spencer C. Tucker,2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes course and consequences of the war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the individuals campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war s direction and outcome Readers will understand the motivations behind Japan s decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war s outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the conflict The lengthy documents volume represents a valuable repository of additional information for student research *In the Garden of Beasts* Erik Larson,2012-05-01 Erik Larson New York Times bestselling author of Devil in the White City delivers a remarkable story set during Hitler s rise to power The time is 1933 the place Berlin when William E Dodd becomes America s first ambassador to Hitler s Nazi Germany in a year that proved to be a turning point in history A mild mannered professor from Chicago Dodd brings along his wife son and flamboyant daughter Martha At first Martha is entranced by the parties and pomp and the handsome young men of the Third Reich with their infectious enthusiasm for restoring Germany to a position of world prominence Enamored of the New Germany she has one affair after another including with the suprisingly honorable first chief of the Gestapo Rudolf Diels But as evidence of Jewish persecution mounts confirmed by chilling first

person testimony her father telegraphs his concerns to a largely indifferent State Department back home Dodd watches with alarm as Jews are attacked the press is censored and drafts of frightening new laws begin to circulate As that first year unfolds and the shadows deepen the Dodds experience days full of excitement intrigue romance and ultimately horror when a climactic spasm of violence and murder reveals Hitler s true character and ruthless ambition Suffused with the tense atmosphere of the period and with unforgettable portraits of the bizarre G ring and the expectedly charming yet wholly sinister Goebbels *In the Garden of Beasts* lends a stunning eyewitness perspective on events as they unfold in real time revealing an era of surprising nuance and complexity The result is a dazzling addictively readable work that speaks volumes about why the world did not recognize the grave threat posed by Hitler until Berlin and Europe were awash in blood and terror

1940 Susan Dunn,2013-06-04 A history of the 1940 U S presidential election when bitterly divided Americans debated the fate of the nation and the world In 1940 against the explosive backdrop of the Nazi onslaught in Europe two farsighted candidates for the U S presidency Democrat Franklin D Roosevelt running for an unprecedented third term and talented Republican businessman Wendell Willkie found themselves on the defensive against American isolationists and their charismatic spokesman Charles Lindbergh who called for surrender to Hitler s demands In this dramatic account of that turbulent and consequential election historian Susan Dunn brings to life the debates the high powered players and the dawning awareness of the Nazi threat as the presidential candidates engaged in their own battle for supremacy 1940 not only explores the contest between FDR and Willkie but also examines the key preparations for war that went forward even in the midst of that divisive election season The book tells an inspiring story of the triumph of American democracy in a world reeling from fascist barbarism and it offers a compelling alternative scenario to today s hyperpartisan political arena where common ground seems unattainable Anyone today who believes that U S involvement and the ultimate Allied triumph in World War II was inevitable must read this important history Michael Beschloss New York Times bestselling author of *Presidential Courage* Susan Dunn a prolific and outstanding historian has crafted a fast paced serious and extraordinarily well researched book about the events surrounding the pivotal 1940 election Her main characters come brilliantly to life I could hardly put the book down James T Patterson author of Bancroft Prize winning *Grand Expectations* The United States 1945-1974

The Women Who Wrote the War Nancy Caldwell Sorel,1999 Like Tom Brokaw s *The Greatest Generation* Sorel s moving account of the women war correspondents of this century at last brings to light the exploits of more than 100 of this country s unsung heroes of photos

Secret Affairs Irwin Gellman,2019-12-01 Originally published in 1995 President Franklin Delano Roosevelt was paralyzed from the waist down but he concealed the extent of his disability from a public that was never permitted to see him in a wheelchair FDR s Secretary of State was old and frail debilitated by a highly contagious and usually fatal disease that was as closely guarded a state secret as his wife s Jewish ancestry The undersecretary was a pompous and aloof man who married three times but when intoxicated preferred sex with railroad porters shoeshine boys

and cabdrivers These three legendary figures Franklin Roosevelt Cordell Hull and Sumner Welles not only concealed such secrets for more than a decade but did so while directing United States foreign policy during some of the most perilous events in the nation's history Irwin Gellman brings to light startling new information about the intrigues deceptions and behind the scenes power struggles that influenced America's role in World War II and left their mark on world events for good or ill in the half century that followed Gellman had unprecedented access to previously unavailable documents including Hull's confidential medical records unpublished manuscripts of Drew Pearson and R Walton Moore and Sumner Welles's FBI file Gellman concludes that while Roosevelt Hull and Welles usually agreed on foreign policy matters the events that molded each man's character remained a mystery to the others Their failure to cope with their secret affairs to subordinate their personal concerns to the higher good of the nation eventually destroyed much of what they hoped would be their legacy Roosevelt never explained his objectives to his vice president Harry Truman or to anyone else Hull never groomed a successor and Welles kept his foreign assignments as classified as his sexual orientation Gellman tells the dramatic story of how three Americans despite private demons and bitter animosities could work together to lead their nation to victory against fascism William T Walker Presidential Studies Quarterly [The Hitler Assassination Attempts](#) John

Grehan, 2022-04-21 Throughout his political life Adolf Hitler was the subject of numerous assassination plots some of which were attempted all of which failed While a few of these have become well known particularly the bomb explosions at the Burgerbr ucker in Munich in 1939 and the Stauffenberg Valkyrie attempt carried out at the Wolfsschanze on 20 July 1944 many others have received far less attention until now In this book John Grehan has examined the known planned or proposed assassination attempts on Hitler from Chicago to London and from Sweden to the Ukraine some of which have not previously been presented to the general public by historians All manner of methods were proposed by those willing to bring Hitler's life to a premature and sticky end and Hitler was well aware of the danger which lurked potentially around every corner of every road railway track every building and even every individual As a result an immense multi layered security apparatus surrounded the Führer day and night Despite this and knowing the risks they faced many people sought to kill the German leader and some very nearly did Yet Hitler survived often by just a minute or a millimetre to die ultimately of his own hand These plots and conspiracies are detailed in this book along with a unique collection of photographs of many of the proposed or actual assassination locations All will be revealed in this fascinating compilation of the obscure the fanciful and the carefully considered attempts to assassinate Hitler *Becoming Americans in Paris* Brooke L. Blower, 2011-01-17

Americans often look back on Paris between the world wars as a charming escape from the enduring inequalities and reactionary politics of the United States In this bold and original study Brooke Blower shows that nothing could be further from the truth She reveals the breadth of American activities in the capital the lessons visitors drew from their stay and the passionate responses they elicited from others For many sojourners not just for the most famous expatriate artists and

writers Paris served as an important crossroads a place where Americans reimagined their position in the world and grappled with what it meant to be American in the new century even as they came up against conflicting interpretations of American power by others Interwar Paris may have been a capital of the arts notorious for its pleasures but it was also smoldering with radical and reactionary plots suffused with noise filth and chaos teeming with immigrants and refugees communist rioters fascism admirers overzealous police and obnoxious tourists Sketching Americans place in this evocative landscape Blower shows how arrivals were drawn into the capital s battles both wittingly and unwittingly Americans in Paris found themselves on the front lines of an emerging culture of political engagements a transatlantic matrix of causes and connections which encompassed debates about Americanization and anti American protests during the Sacco Vanzetti affair as well as a host of other international incidents Blower carefully depicts how these controversies and a backdrop of polarized European politics honed Americans political stances and sense of national distinctiveness A model of urban transnational history *Becoming Americans in Paris* offers a nuanced portrait of how Americans helped to shape the cultural politics of interwar Paris and at the same time how Paris helped to shape modern American political culture [Exposing the Third Reich](#) Henry G. Gole, 2013-08-20 A fascinating book about a virtually unknown officer who played a major role in the development of US military planning before and during World War II Bowling Green Daily News A vital source of American intelligence on Hitler s rise to power and military ambitions Colonel Truman Smith was one of the most compelling and controversial figures of the Second World War In *Exposing the Third Reich* Henry G Gole tells this soldier s story for the first time An American aristocrat from a prominent New England family Smith became an expert on Germany when he was first assigned there during the Allied occupation of 1919 As a military attach in 1935 he arranged for his good friend Charles Lindbergh to inspect the Luftwaffe The Germans were starstruck by the famous aviator enabling Smith to gather key intelligence about their air capability His deep access and knowledge made him invaluable to General George C Marshall however the colonel s friendliness with Germany also aroused suspicion that he was a Nazi sympathizer Gole demonstrates that far from condoning Hitler Smith was among the first to raise the alarm he predicted many of the Nazis moves years in advance and feared that the international community would not act quickly enough Featuring many firsthand observations of the critical changes in Germany between the world wars this biography presents an indispensable look both at a fascinating figure and at the nuances of the interwar years
